NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 APRIL 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.2 Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made within the company's ordinary activities during the year

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Land and buildings Leasehold

Straight line over the life of the lease

Plant and machinery

20% Reducing balance

Fixtures, fittings & equipment

20% Reducing balance

1.4 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts are capitalised as tangible assets and depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

1.5 Investments

Fixed asset investments are stated at cost less provision for diminution in value

1.6 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value. Cost is based on the actual cost of the items held in stock

1.7 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

1.8 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future

19 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 399 of the Companies. Act 2006 not to prepare group accounts.
