This report has been prepared in accordance with insolvency legislation to provide creditors and members of the Company with information relating to the progress of the liquidation in the period from 19 January 2018 to 18 January 2019. This report should be read in conjunction with any previous reports that have been issued, copies of which are available on request.

This report has been prepared solely to comply with the requirements of the relevant legislation. It has not been prepared for use in respect of any other purpose, or to inform any investment decision in relation to any debt or financial interest in the Company. Any estimated outcomes for creditors are illustrative and may be subject to significant change.

Neither the Joint Liquidators nor RSM Restructuring Advisory LLP accept any liability whatsoever arising as a result of any decision or action taken or refrained from as a result of information contained in this report.

#### 1 Progress of the winding-up in the previous twelve months

#### 1.1 Realisation of assets

The Joint Liquidators are obliged to realise and get in the Company's property and maximise realisations. In some cases this does not result in sufficient realisations to result in a financial benefit to creditors, after taking into account the costs and expenses of realisation and dealing with the legislative requirements of administrating the case. Details of the realisations made are set out below with information relating to dividends, if any, contained within Appendix B.

#### 1.1.1 Goodwill

Prior to the Joint Liquidators' appointment, the Company had been conducting and was in an advanced stage of negotiations with an unconnected party, being Howdens UK Group Limited ("Howdens"), as regards a sale of the business.

Upon their appointment the Joint Liquidators reviewed the transaction that was in progress and concluded that it would not be practicable to re-market the business, which had ceased to trade, and that proceeding with the existing offer was the only viable option to achieve value from the goodwill and client book.

On 21 February 2018 the Joint Liquidators agreed and completed a sale to Howdens of the goodwill and client book for £65,000.

#### 1.1.2 Trade debtors

The Company's accounting records indicate trade debtors with a book value of £1,032,804. The majority of this balance comprises of a single ledger balance with a book value of £1,077,653, which dates back several years. The director has advised that this is a historical adjustment input by a former accountant, which he is unable to explain further. We have been unable to obtain further substantive information from the current or former accountants. The Company has operated an Employer Financed Retirement Benefits Scheme ("EFRBS"). The Joint Liquidators consider that this historical debtor balance has some connection to the EFRBS and / or the directors. The Joint Liquidators' investigations in this regard are ongoing.

The Company had ceased to trade prior to the Company being wound up and insurance premiums were generally paid in advance. No realisations are anticipated in respect of the residual book debts.

#### 1.1.3 Void dispositions

A review of the accounting records has highlighted various payments amounting to approximately £450,000 were made after the date of the presentation of the winding up petition on 12 October 2017. A validation order was not obtained by the Company and as such these payments are void pursuant to Section 127 of the Insolvency Act 1986. Of the total void dispositions of c. £450,000, c. £280,000 relates to payments made to connected parties. The remaining void dispositions comprise of a large volume of smaller transactions with a variety of unconnected counterparties.

To date the Joint Liquidators have recovered £2,886 in respect of void dispositions.

Isadore Goldman LLP has been instructed to pursue the remaining void dispositions.

#### 1.1.4 Potential claim for compensation for mis-selling of interest rate hedging product

We are not aware of any interest rate hedging product having been sold to the Company.

#### 1.1.5 Insurance premium account

The Joint Liquidators have received £14,783 in respect of monies held in a designated insurance premium account. The Joint Liquidators are seeking to reconcile these monies and to the extent that they are found to be funds held on trust shall be returned to the beneficiaries.

#### 1.1.6 Fixtures and fittings and computer equipment

The Company's books and records showed the fixtures and fittings and computer equipment had an original cost of £869,707 and a net book value of £291,415.

The Joint Liquidators instructed Proudley Associates Limited ("the Agent"), to value the items that were located onsite at the Company's former trading premises.

Upon review the Agent confirmed that it was not commercially viable to uplift, remove and sell the items located at the former trading premises, which comprised of sundry office equipment and furniture.

To date it has not been possible to reconcile the nature and extent of the assets per the Company's accounting records to those that have been physically located at the Company's trading premises. The Joint Liquidators' investigations in this regard are ongoing.

#### 1.1.7 Leasehold property

The Company traded from leasehold premises at Mulberry House, Lamport Drive, Heartlands Business Park, Daventry NN11 8YH ("the Property").

The Company entered into a lease on 7 September 2017 with Neil and Sally Holloway as General Trustees of The Mulberry Insurance Retirement Benefit Scheme ("the Landlord").

As a result of the Company entering into liquidation, the Landlord re-entered the property and under the terms of the lease forfeit the same.

On 15 May 2018 the Joint Liquidators issued a Notice of Disclaimer in respect of the Company's interest in the Property.

#### 1.1.8 Directors' loan account

The Director has advised that he considers that he is a creditor of the Company. However, the Joint Liquidators' analysis of the Company's accounting records indicate a number of transactions that require further investigation, as re-analysis of the same could give rise to a balance being due from the directors to the Company. The Joint Liquidators' investigations in this regard are ongoing.

#### 1.1.9 Bank interest

Bank interest of £188 has been realised.

#### 1.2 Investigations

I can advise you that, following our initial assessment, further investigations were undertaken in relation to the potential realisation of void dispositions and potential antecedent transactions as stated above.

The work undertaken in this regard included the following: -

- Bank statement analysis;
- Review of books, records and papers;
- Obtain and review accountant's working papers;
- Enquires with directors, creditors and other stakeholders;
- Enquiries with Companies House, HM Land Registry and other information resources;
- Obtain and review documents regarding EFRBS;
- Prepare detailed files for solicitors instructed by the Joint Liquidators.

I would confirm that these enquires are currently ongoing.

#### 1.3 Administration and planning

Certain aspects of the work that the Joint Liquidators undertake are derived from the underlying legal and regulatory framework for cases of this nature. This work, which does not usually result in any direct financial benefit to creditors, is a necessary aspect of ensuring that the Joint Liquidators are complying with both of their legislative and best practice responsibilities, and ensuring that the case is managed efficiently and effectively. It includes matters such as:

- Periodic case reviews, ongoing case planning and strategy
- Maintaining and updating computerised case management records
- Dealing with routine correspondence not attributable to other categories of work
- · Ongoing consideration of ethical and anti-money laundering regulations
- · General taxation matters
- Preparation of receipts and payments accounts, maintenance of cashiering records
- 2 Details of what remains to be done and matters preventing closure

#### 2.1 Other outstanding matters

Investigations into the realisation of the Void Dispositions and other potential antecedent transactions remain ongoing. If sufficient recoveries are made this will enable a distribution to one or more classes of creditor.

#### 3 Creditors' claims

Details of the dividends paid to creditors, including the amount under the prescribed part, if any are shown in Appendix B.

The Joint Liquidators are obliged to deal with a number of matters in relation to creditors to comply with both the legislative and best practice requirements and to ensure creditors are kept informed. Creditors will only derive an indirect financial benefit from this work on cases where a dividend has been paid or is due to be paid.

- Preparation and issue of progress reports and associated documentation
- Maintenance of schedules of preferential and unsecured creditors' claims
- Dealing with correspondence and telephone calls

In accordance with the relevant legislation no dividend will be distributed as the funds realised have already been either distributed or allocated for defraying the expenses of the estate.

#### 3.1 Prescribed part

The 'Prescribed Part' is a statutory amount, calculated as a percentage of net floating charge realisations, which entitles unsecured creditors to a share of realisations. This is calculated on a sliding scale up to maximum of £600,000 before costs.

There are no creditors secured by charges over the assets and undertakings of the Company. There is therefore no requirement to estimate the amount of the prescribed part of the assets under Section 176A of the insolvency Act 1986 (as amended).

#### 4 Receipts and payments summary

We attach as Appendix C a summary of our receipts and payments for the period from 19 January 2018 to 18 January 2019.

The Liquidation funds are held in an interest bearing Insolvency Service Account.

#### 4.1 VAT basis

Receipts and payments are shown net of VAT. As the Company was not VAT registered, VAT is shown as irrecoverable.

#### 5 Joint Liquidators' remuneration, disbursements and expenses

#### 5.1 Approval for remuneration, disbursements and expenses

The Joint Liquidators are seeking approval for their post-appointment remuneration to be drawn on a time-cost basis in accordance with the attached estimate. Please therefore find attached:

- Detailed time cost analysis of time incurred in the period
- Statement of expenses incurred in the period from 19 January 2018 to 18 January 2019
- Joint Liquidators' fee estimate
- Estimate of expenses likely to be incurred

The Joint Liquidators' fee estimate has been prepared based on the assumptions stated thereon. Should these prove to be inaccurate, or the circumstances change, the Joint Liquidators may need to seek approval to increase their fees.

# 5.1.1 Remuneration and expenses incurred in the period from 19 January 2018 to 18 January 2019

The Joint Liquidators have incurred time costs of £63,116 in respect of work done in the current period, a summary of which is attached.

Details of the sums drawn during the period covered by this report are set out in the attached receipts and payments account.

#### 5.2 Expenses and disbursements

Attached are the Joint Liquidators' charging, expenses and disbursement policy statement, together with the current rates. Details of the expenses (including category 1 and category 2 disbursements) that the Joint Liquidators have incurred in the period of the report are attached.

#### 5.2.1 Other professional costs

Whilst professional costs are not subject to approval by the relevant approving body, all professional costs are subject to review before being paid.

Shakespeare Martineau LLP, solicitors, has been retained as legal advisors in view of their general experience and expertise in these matters. They have advised the Joint Liquidators on the sale of, and the completion of, the Company's business. I have agreed their remuneration on the basis of their standard hourly charge-out rates, plus VAT and disbursements, and their agreed fees of £11,510 plus VAT have been paid.

Pitmans Law LLP, solicitors, has been retained as legal advisors in view of their general experience and expertise in these matters. They have advised the Joint Liquidators in respect of their duties to report to the Financial Conduct Authority in relation to the storage, retention, and destruction of the Company's books and records. I have agreed and paid their fees of £1,500, plus VAT.

Verisona Law LLP, solicitors, has been retained as legal advisors in view of their general experience and expertise in these matters. They have advised the Joint Liquidators on the Section 127 claim(s) and other matters. Section 127 of the Insolvency Act 1986 ("IA 1986") provides that any disposition of the Company's property made after the commencement of the winding up is void.

Following the presentation of a winding up petition (but prior to the making of the order), the Company made various payments to third parties. The Joint Liquidators are seeking to recover these payments on the basis that they were void under section 127 IA 1986.

I have agreed their remuneration on the basis of their standard hourly charge-out rates, plus VAT and disbursements, and their agreed fees of £5,010 plus disbursements and VAT have been paid.

Isadore Goldman LLP has been instructed to assist in the recovery of void dispositions. It is envisaged that the work undertaken in this regard will be on conditional fee basis. Further details will be provided once the agreement has been confirmed.

Proudley Associates Limited was retained as valuing agents to execute a desktop valuation of the Company's chattels. I have agreed that they be remunerated on the basis of their standard commission rates, plus disbursements and VAT. An invoice for £250 has been received and paid.

One E Consulting Limited has been instructed to assist with collating information relating to an EFRBS connected to the Company. I have agreed and paid their fees of £500 plus VAT.

#### 6 Notice of Qualifying Decision Procedure

The Joint Liquidators are requesting creditors to agree, by means of a postal vote, the basis upon which they are to be remunerated and may draw category 2 disbursements. The resolutions being sought are set out in the notice attached to this report at Appendix J, together with all other relevant documentation and guidance.

If so approved, the maximum amount that the Joint Liquidators will be able to draw in relation to their post-appointment fees will be £122,234 (plus VAT). They will not be allowed to draw more than that amount unless they obtain further approval.

Accordingly, you are requested to complete and return the enclosed Voting Form (Appendix K), together with a completed Proof of Debt form to Highfield Court, Tollgate, Chandlers Ford, Eastleigh, Hampshire SO53 3TY by no later than the decision date stated in the notice attached. Documents sent by fax are acceptable, if sufficiently clear. If you have previously submitted a proof of debt form in these proceedings there is no requirement to submit a further form unless your claim has changed.

#### 7 Creditors' right to information and ability to challenge remuneration and expenses

In accordance with the provisions of rule 18.9 Insolvency (England and Wales) Rules 2016 creditors have a right to request further information about remuneration or expenses and to challenge such remuneration or expenses under rule 18.34.

A request for further information must be made within 21 days of receipt of this report in writing by any secured creditor or an unsecured creditor with the concurrence of at least 5% in value of the unsecured creditors.

Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the unsecured creditors (including that creditor) or the permission of the court, may apply to court on the grounds that the remuneration charged, the basis fixed or expenses incurred by the Joint Liquidators are in all the circumstances excessive.

Any such challenge must be made no later than eight weeks after receipt of the report which first discloses the charging of remuneration or incurring of the expenses in question.

A Creditors' Guide to Liquidators' Fees, which provides information for creditors in relation to the remuneration of a Liquidator, can be accessed at http://rsm.insolvencypoint.com under 'general information for creditors'. A hard copy can be requested from my office by telephone, email or in writing.

Should you have any queries please do not hesitate to contact James Prior.

Yours faithfully

Alexander Kinninmonth

CREDITORS whose debts are treated as a SMALL DEBT in accordance with Rule 14.31(1) of the Insolvency (England and Wales) Rules 2016 must still deliver a proof if they wish to vote. Rule 14.31(1) states that Office Holders may treat a debt, which is a small debt according to the accounting records or the statement of affairs of the company, as if it were proved for the purposes of paying a dividend. Small debts are defined in Rule 14.1(3) as a debt (being the total amount owed to a creditor) which does not exceed £1,000).

The decisions on the matters above will be deemed to have been made at 23.59 hours on the decision date unless the threshold for requisitioning a physical meeting is met or exceeded within the requisite time scale.

A creditor who disagrees with the manner in which they are treated in relation to the above decision procedure may appeal to the Court within 21 days of the decision date.

#### Request for Physical Meeting

Creditors may request that a physical meeting of creditors should be held to consider the proposed decisions by completing the attached Request for a Physical Meeting of Creditors form (together with a completed proof of debt) and returning them on or before 27 March 2019 to:

James Prior

RSM Restructuring Advisory LLP, Highfield Court, Tollgate, Chandlers Ford, Eastleigh, Hampshire SO53 3TY

Tel: 023 8064 6520

Email: james.prior@rsmuk.com

A physical meeting will be held if requisitioned by either 10% in value of the company's creditors, or 10% in number of the company's creditors or 10 of the company's creditors (collectively "the requisition threshold"). If the threshold is met or exceeded, the proposed decision procedure will be terminated (and the proposed decisions will not be deemed to have been made) and a physical meeting of creditors will then be held.
