- 5.3 Notwithstanding the above, the Joint Liquidators have complied with their statutory obligations under the Company Directors Disqualification Act 1986 and the appropriate report has been submitted to the relevant authority.

## **6 JOINT LIQUIDATORS’ REMUNERATION, EXPENSES AND DISBURSEMENTS, AND CREDITORS’ RIGHTS**

### **Remuneration**

- 6.3 No resolution has been proposed to creditors in respect of the Joint Liquidators’ remuneration. Based on present information, the Company has insufficient assets to enable the payment of any Joint Liquidators’ remuneration from the estate.

### **Expenses**

- 6.4 A summary of the Joint Liquidators’ expenses from 22 December 2020 to 22 October 2021 is attached at Appendix B. To assist creditors’ understanding of this information, it has been separated into the following two categories:
- *Standard Expenses*: this category includes expenses payable by virtue of the nature of the Liquidation process and / or payable in order to comply with legal or regulatory requirements.
  - *Case Specific Expenses*: this category includes expenses likely to be payable by the Joint Liquidators in carrying out their duties in dealing with issues arising in this particular Liquidation. Included within this category are costs that are directly referable to the liquidation but are not paid to an independent third

party (and which may include an element of allocated costs). These are known as ‘category 2 expenses’ and they may not be drawn without creditor approval.

- 6.5 With effect from 1 April 2021, the Joint Liquidators are also required to disclose to those responsible for approving Joint Liquidator remuneration whether any payments they intend to make from an insolvency estate are to associates of Leonard Curtis. Payments to associates are subject to the same level of approval as the office holder’s fees and category 2 expenses.
- 6.6 No resolution was proposed to creditors with regard to either payments to associates or the Joint Liquidators’ category 2 expenses.
- 6.7 Attached at Appendix C is additional information in relation to the firm’s policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade. Please be aware that the firm’s charge out rates have been amended with effect from 1 March 2021.

**LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS**

The following Leonard Curtis policy information is considered to be relevant to creditors:

**Staff Allocation and Charge Out Rates**

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders’ remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to request and obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	<b>6 Jan 2014 onwards</b>		<b>1 Aug 2019 onwards</b>		<b>1 March 2021 onwards</b>	
	Standard	Complex	Standard	Complex	Standard	Complex
	£	£	£	£	£	£

Administrator 4	150	187	165	206	175	219
Support	0	0	0	0	0	0

Office holders’ remuneration may include costs incurred by the firm’s in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

**Use of Associates**

We are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to Associates of Leonard Curtis. The term “Associate” is defined in s435 of the Insolvency Act 1986 but we are also required to consider the substance or likely perception of any association between the appointed insolvency practitioner, their firm (LC) or an individual within the firm and the recipient of a payment. Payments to Associates are subject to the same level of approval as the office holder’s fees and category 2 expenses (see table below).

Whilst we are not aware of any third parties who meet the legal definition of “Associate” we are aware that there is a perceived association between LC and Pelstar Limited. Pelstar Limited provides insolvency case management software and document hosting facilities to LC. LC employs an individual who is married to a director of Pelstar Limited. Pelstar Limited’s costs are set out in the tables below.

**Use of Professional Advisors**

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

### Use of Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

### Categorisation of Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

- a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:
