NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 31 October 2019

1. **STATUTORY INFORMATION**

Mossnook Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going Concern

The company is dependent on the continuing support both financial and management of its directors and shareholders, who have confirmed their intention to do so for the coming 12 months.

Turnover

Turnover represents income receivable from the operating of a bar and restaurant, excluding Value Added Tax. Sales of goods and services provided in the restaurant and bar are recognised at the point of sale.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Freehold property	- 2% straight line (excluding land)
Short leasehold property	- 20 years
Plant and machinery	- 20 years
Fixtures and fittings	- 15% on reducing balance

Tangible fixed assets are stated at cost less depreciation and impairment.

Impairment of assets

At each reporting date assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the profit and loss.

Where an impairment loss subsequently reverses, the carrying amount of each asset is increased to the revised estimate of its recoverable amount, to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised as income immediately.

Stocks

Stocks are valued at the lower of cost and estimated selling price less costs to complete and sell.

Financial instruments

Short term financial assets, including cash and bank balances, are measured at the transactions price. Financial assets that have no stated interest rate and recoverable within one year shall be measured at the undiscounted amount due.

Short term financial liabilities, including trade and other creditors, are measured at the transaction price. Financial liabilities that have no stated interest rate and payable within one year shall be measured at the undiscounted amount due.

The directors and shareholders loans have no stated interest rate, are repayable on demand and are measured at the undiscounted amount due.

NOTES TO THE FINANCIAL STATEMENTS - continued
for the Year Ended 31 October 2019

2. ACCOUNTING POLICIES - continued**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Leases

Rentals payable under operating leases are charged to the profit or loss on a straight-line basis over the lease term. The aggregate benefit of lease incentive are recognised as a reduction to the expense recognised over the lease term on a straight line basis.

Short term employee benefits

Short-term employee benefits are recognised as an expense in the period in which they are incurred.

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the income statement.

**INDEPENDENT CHARTERED ACCOUNTANTS' REVIEW REPORT TO THE DIRECTORS OF
MOSSNOOK LIMITED**

The following reproduces the text of the report prepared for the directors in respect of the company's annual unaudited financial statements. In accordance with the Companies Act 2006, the company is only required to file a Statement of Financial Position. Readers are cautioned that the Income Statement and certain other primary statements and the Report of the Directors are not required to be filed with the Registrar of Companies.

We have reviewed the financial statements of Mossnook Limited for the year ended 31 October 2019, which comprise the Statement of Income and Retained Earnings, Statement of Financial Position and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's directors, as a body, in accordance with our terms of engagement. Our review has been undertaken so that we might state to the directors those matters that we have agreed with them in our engagement letter and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body for our work, for this report or the conclusions we have formed.

Directors' responsibility for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page ten, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Accountants' responsibility

Our responsibility is to express a conclusion based on our review of the financial statements. We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400 (Revised), 'Engagements to review historical financial statements' and ICAEW Technical Release TECH 09/13AAF 'Assurance review engagements on historical financial statements'. ISRE 2400 also requires us to comply with the ICAEW Code of Ethics.

Scope of the assurance review

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. We have performed additional procedures to those required under a compilation engagement. These primarily consist of making enquiries of management and others within the entity, as appropriate, applying analytical procedures and evaluating the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (UK and Ireland). Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements have not been prepared:

- so as to give a true and fair view of the state of the company's affairs as at 31 October 2019 and of its loss for the year then ended;
- in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- in accordance with the requirements of the Companies Act 2006.
