SONY INTERACTIVE ENTERTAINMENT UK LIMITED STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2022

The directors present their strategic report on the Company for the year ended 31 March 2022.

REVIEW OF THE BUSINESS AND KEY PERFORMANCE INDICATORS

The principal activities of Sony Interactive Entertainment UK Limited (the Company) are the marketing and distribution of video game hardware and software. The current business of the Company involves the sales, marketing and distribution of video game consoles and related software throughout the UK and Ireland.

The results for the financial year show a profit before taxation of £16,151,000 (2021: £11,161,000), revenue of £502,653,000 (2021: £507,126,000) and total assets less current liabilities of £13,153,000 (2021: £29,419,000).

The primary purpose of the Company is the fulfilment of its role as sole distributor of PlayStation products in the UK. In the previous financial year, the Company was the sole distributor of PlayStation products in UK and Ireland. However, following the conclusion of the Brexit transition period on 31 December 2020, a previously non-trading entity (Sony Interactive Entertainment Ireland Limited) was also appointed distributor for Ireland, and now the majority of the Irish sales no longer go through Sony Interactive Entertainment UK Limited.

The key performance indicators used to monitor the commercial performance of the business is set out below. The Company uses a combination of financial and non-financial measures to assess how successful it has been in achieving its objectives. These measures are:

1. Sales volumes

External sales volumes of consoles, peripherals and software for the Company were 4,296,780 (2021: 5,199,391) across all platforms.

2. Revenue

Revenue remained robust against a competitive market and a challenging economic climate. Revenue for the financial year is £502,653,000 (2021: £507,126,000). The decrease represents the appointment of Sony Interactive Entertainment Ireland as a distributor for Ireland as mentioned above.

S.172 STATEMENT

We have considered the Companies (Miscellaneous Reporting) Regulations 2018 and recognise that Sony Interactive Entertainment UK Limited (the "Company") is required to include a statement within its strategic report describing how the board of directors (the "Board") have had regard to the matters set out in s.172(1)(a) to (f) when performing their duty under s.172.

This statement is set out below and can also be found on the Company website:

<https://www.playstation.com/en-gb/>.

Reference	Requirement	Board Engagement
172(1)	The directors of a Company must act in the way they consider, in good faith, would be most likely to promote the success of the Company for the benefit of its members as a whole, and in doing so have regard (amongst other matters) to:	
(a)	The likely consequences of any decision in the long term	The Board considers how the consequences of any decision in the long term will impact the Company's key stakeholders, being its customers, shareholders and other Sony Interactive Entertainment group companies (the "SIE Group"). SIE Group's business operates at a broad scale and in multiple jurisdictions, therefore strategic direction and decision-making are taken with a view as to how they will impact the SIE Group as a whole.

SONY INTERACTIVE ENTERTAINMENT UK LIMITED
STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2022

S.172 STATEMENT (CONTINUED)

Reference	Requirement	Board Engagement
(b)	The interests of the Company's employees	The Company has no employees.
(c)	The need to foster the Company's business relationships with suppliers, customers and others	The Company has no employees, and it receives support from Sony Interactive Entertainment Europe Limited in its engagement with all key stakeholders. The Company builds and develops its relationships with key stakeholders by maintaining communication and good business practice based on the Sony Group Code of Conduct (the "Code") (available here: https://www.sony.net/SonyInfo/csr_report/) and internal policies. The Company engages with its customers via its contact strategy which has multiple touchpoints from detailed annual planning sessions, regular reviews and updates, and regular communication.
(d)	The impact of the Company's operations on the community and the environment	The impact of the Company's operations on the community and the environment are considered by the Board as part of the impact assessment by the SIE Group.
(e)	The desirability of the Company's maintaining a reputation for high standards of business conduct.	Our reputation for high standards of business conduct is governed by the Code which establishes a framework of the Company's cultural norms and purpose and values to help guide business decision-making and conduct with respect to employees, vendors and other stakeholders. The Code provides guidance for the Company's expectations regarding what is (and is not) ethical and legal behaviour. The Code sets forth the basic internal standards to be observed by all directors, officers, employees (permanent or temporary), contractors, consultants and contingent workers of the Sony Group¹ ("Personnel"). The Sony Group commits itself to be bound by the Code and at the same time requires all Personnel to know, understand and comply with the Code. It ensures a clear priority on maintaining our reputation for high standards of business conduct through a focus on fairness, honesty, integrity, respect and responsibility via honest and ethical business conduct, maintaining stakeholder trust, respect for human rights, conscious recognition of diversity and inclusion, fair labour and employment practices, fair business practices, and ethical personal conduct.
(f)	The need to act fairly as between members of the Company.	The Company is a wholly owned subsidiary of Sony Interactive Entertainment Europe Limited. The ultimate parent undertaking is Sony Group Corporation and as such the Company is a member of the Sony Group. There is no split ownership structure of the Company. All interactions with other companies within the SIE Group are governed by applicable intercompany arrangements.

¹ A 'Sony Group' Company is any Company where 50% or more of the voting rights are directly or indirectly controlled by Sony Group Corporation.

SONY INTERACTIVE ENTERTAINMENT UK LIMITED STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2022

PRINCIPAL RISKS AND UNCERTAINTIES

The key risks for the Company reflect the commercial pressures of a highly competitive market. These include:

- The Coronavirus Disease 2019 ("COVID-19") pandemic has affected, and is expected to continue to affect the Company's business operations, operating results and financial condition.
- The timing and extent to which the pandemic further impacts SIE UK's business could vary greatly depending on future developments, such as the possible further spread of or a resurgence in COVID-19, the timing and extent to which COVID-19 declines as well as the state of lockdowns and other measures in various geographic areas around the EMEA region and their impact on macroeconomic conditions.
- Competition for the PlayStation 4 and PlayStation 5 from alternative next generation consoles resulting in a lower installed base.
- Failure to sustain success of high quality content, required to support revenue generation, promote the console brand and mitigate potential migration to competitor consoles.
- The global economic and political environment in which the Company operates and the economic and political conditions in Company's markets, particularly levels of consumer spending, may negatively impact the business.
- Unauthorised access to the Company's IT environment, or IT failure leads to the misappropriation of confidential information / breach of General Data Protection Regulation (GDPR) and / or prolonged store outage.

Management create and implement effective strategies to control these risks carefully monitoring the outcome of the strategies and the mitigation of these risks.

The Strategic Report was approved by the Board of Directors on 30 November 2022 and was signed on its behalf by:

J Ryan
Director

SONY INTERACTIVE ENTERTAINMENT UK LIMITED DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The directors present their annual report and audited financial statements for the Company for the year ended 31 March 2022.

DIRECTORS

The directors who held office during the year and up to the date of signing the financial statements are given below:

J Ryan
W Light
S Rutter (resigned 17 June 2021)
L Da Cunha E Costa Laporte Barbosa (appointed 2 November 2021)

The Company secretary M Toole resigned 28 February 2022.

FUTURE DEVELOPMENTS

The directors do not expect any significant change to the current strategy and objectives of the Company. The Company will continue to market and distribute PlayStation hardware and software.

FINANCIAL RISK MANAGEMENT

The Company's operations expose it to a variety of risks that include the effects of commercial pricing pressures, credit risk, liquidity risk and interest rate risk. Given the size of the Company, the directors have not delegated the responsibility of monitoring financial risk management to a sub-committee of the board. The policies set by the board of directors, and the Parent Sony Group Corporation are implemented by the Company's finance department. These policies seek to limit the adverse effects on the financial performance of the Company.

Price risk

The Company is exposed to significant price pressure due to the competitive nature of its industry. The Company monitors and reviews prices on a regular basis. Effective strategies are created to manage the exposure to significant price variances.

Credit risk

Credit risk arises primarily from credit exposures to retail customers, including outstanding receivables and committed transactions.

Exposure to credit risk arising from cash and cash equivalents, deposits with banks and other financial institutions is limited to daily working capital requirements. The Company utilises financial facilities provided by another Sony group Company for all investment and borrowing requirements.

The Company assesses the credit quality of customers, taking into account their financial position, past experience and other factors. Individual risk limits are set based on internal and external ratings in accordance with limits set by the board. The utilisation of credit limits is regularly monitored. In addition, the Company purchases credit insurance to minimise the financial impact of any default by customers.

Liquidity risk

The Company's cash flow is regularly monitored. Liquidity risk in the short term is mitigated through access to financing facilities provided by another Sony group Company.

SONY INTERACTIVE ENTERTAINMENT UK LIMITED DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2022

FINANCIAL RISK MANAGEMENT (CONTINUED)

Interest rate risk

The Company has both interest bearing intercompany assets and interest bearing intercompany loans. Interest on intercompany assets is charged at an arm's-length basis and calculated as the London Interbank Bid Rate (LIBID) less 6.25 basis points. Interest on intercompany loans is charged at an arm's length basis and calculated on a monthly basis.

DIVIDENDS

During the year the directors approved the payment of a dividend of £29,402,000 which was paid in the current year (2021: £nil).

POLITICAL AND CHARITABLE CONTRIBUTIONS

The Company made no charitable donations during the financial year (2021: £nil). There were no political donations (2021: £nil).

QUALIFYING THIRD PARTY AND PENSION INDEMNITY SCHEMES

The Company maintains liability insurance for its directors and officers. The Company also provided an indemnity for its directors and the secretary, which is a qualifying third party indemnity provision for the purpose of section 234 of the Companies Act 2006. The indemnity was in force throughout the financial year and at the date of the approval of these financial statements.

GOING CONCERN

The directors believe in the Company's ability to continue as a going concern and will be able to meet its financial obligations as they fall due for the foreseeable future, a period of at least twelve months from the date of signing these financial statements.

STAKEHOLDER ENGAGEMENT STATEMENT

We have considered the Companies (Miscellaneous Reporting) Regulations 2018 and recognise that Sony Interactive Entertainment UK Limited (the "**Company**") is required to summarise how the board of directors (the "**Board**") have had regard to the need to foster the Company's business relationships with suppliers, customers and others, and the effect of that regard, including on the principal decisions taken by the Company during the financial year, in this Directors' report

We understand that, when fulfilling this requirement, the Board is not required to disclose information about impending developments or matters in the course of negotiation if the disclosure would, in the opinion of the Board, be seriously prejudicial to the interests of the Company.

The table below identifies the Company's key stakeholder groups and how the Company has engaged with them throughout the applicable financial year.

STAKEHOLDER ENGAGEMENT STATEMENT (CONTINUED)

Stakeholder Group	Stakeholder Interests i.e. key interests, issues and factors of importance	How the Company and its directors have engaged with this Stakeholder Group and considered its Stakeholder Interests in the applicable financial year
Customers	• Quality of service and products • Value of service and products • Reliability and availability of service and products • Efficiency of service • Integrity of service and productive business relationships including customer service • Market trends	→ Monitors trends and commentary of the video games and console industry; deep industry knowledge and understanding → Responsive and adaptable with business strategy → Timely submission of high quality and accurate documentation and prompt communication when requested and/or required → Direct, open and transparent engagement and communication with customers → Engage collaboratively to enhance customer experience
Shareholders	• Shareholder value	→ The Company is a wholly owned subsidiary of Sony Interactive Entertainment Europe Limited. The ultimate parent undertaking is Sony Group Corporation and as such the Company is a member of the Sony Group.² → The Board of the Company aim to grow the business profitably and works collectively with the entire Sony Group to provide sustained profitable growth for shareholders and other stakeholders.

STREAMLINED ENERGY AND CARBON REPORTING

Sony Interactive Entertainment UK Limited (the "Company") has considered the Companies (Directors' Report) and Limited Liability Partnerships (Energy and Carbon Report) Regulations 2018 and the associated Streamlined Energy and Carbon Reporting and recognises that the Company is required to report on its annual UK energy use and associated greenhouse gas emissions in this Directors Report.

Due to the nature of how the Company operates with other Sony Interactive Entertainment UK companies (the "SIE UK Group") in practice, it is not practical nor representative to separate the energy and carbon information as between the SIE UK Group entities. Therefore all energy and carbon information relating to the Company is included in the detailed Streamlined Energy and Carbon Report that is contained in the accounts of parent Company Sony Interactive Entertainment Europe Limited.

² A Sony Group Company is any Company where 50% or more of the voting rights are directly or indirectly controlled by Sony Group Corporation.

SONY INTERACTIVE ENTERTAINMENT UK LIMITED DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2022

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Directors' confirmations

In the case of each director in office at the date the Directors' Report is approved:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

INDEPENDENT AUDITORS

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at a meeting of the Board of Directors.

The Directors' Report was approved by the Board of Directors on 30 November 2022 and was signed on its behalf by:

J Ryan
Director

Independent auditors' report to the directors of Sony Interactive Entertainment UK Limited

Report on the audit of the financial statements

Opinion

In our opinion, Sony Interactive Entertainment UK Limited's financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report, which comprise: the statement of financial position as at 31 March 2022; the income statement, the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the Company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial

Independent auditors' report to the directors of Sony Interactive Entertainment UK Limited

statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

Strategic report and Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Directors' report for the year ended 31 March 2022 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Directors' report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the statement of directors' responsibilities in respect of the financial statements, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the Company and industry, we identified that the principal risks of non-compliance with laws and regulations related to UK Bribery Act 2010, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as UK tax legislation and the Companies Act 2006. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to management override of controls and posting inappropriate journal entries to increase revenue. Audit procedures performed by the engagement team included:

- Identifying and testing a sample of journal entries posted, such as those with unusual account combinations or those posted by senior management

Independent auditors' report to the directors of Sony Interactive Entertainment UK Limited

- Discussions with management which have included consideration of known or suspected instances of non-compliance with laws and regulations and fraud
- Review of key judgements and provisions
- Review of the latest internal audit reports available
- Incorporating elements of unpredictability into our audit approach

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the Company's directors as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the Company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

SONY INTERACTIVE ENTERTAINMENT UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1 GENERAL INFORMATION

The Company is a private limited Company limited by shares and incorporated in the United Kingdom under the Companies Act 2006, England and Wales. The Company is a private Company and is incorporated and domiciled in England. The address of its registered office is 10 Great Marlborough Street, London, W1F 7LP.

The Company is a wholly owned subsidiary Company of a group headed by Sony Group Corporation, and is included in the consolidated financial statements of that Company, which are publicly available.

Sony Group Corporation is registered in Japan and copies of their financial statements can be obtained from Sony Global Treasury Services Plc, 15th Floor, Commercial Union Tower, 1 Undershaft, London, EC3A 8EE.

2 SUMMARY OF ACCOUNTING INFORMATION AND POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

The financial statements of Sony Interactive Entertainment UK Limited have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS101).

FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in FRS 101, which addresses the financial reporting requirements and disclosure exemptions in the financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted International Financial Reporting Standards ("IFRS").

The Company is a qualifying entity for the purposes of FRS 101. Note 17 gives details of the Company's parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained.

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 as applicable to companies using FRS 101.

The presentation currency used is sterling and amounts have been presented in round thousands ("£000s").

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- IFRS 7, 'Financial Instruments: Disclosures'
- Paragraphs 38 of IAS, 'Presentation of financial statements' comparative information requirements in respect of:
 - Paragraph 79(a)(iv) of IAS 1;

2 SUMMARY OF ACCOUNTING INFORMATION AND POLICIES (CONTINUED)

- The following paragraphs of IAS 1, 'Presentation of financial statements':
 - 10(d) (statement of cash flows),
 - 16 (statement of compliance with all IFRS),
 - 38A (requirement for minimum of two primary statements, including cash flow statements),
 - 38B-D (additional comparative information),
 - 111 (cash flow statement information), and
 - 134-136 (capital management disclosures).
- IAS 7, 'Statement of cash flows'.
- Paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an Paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective).
- Paragraph 17 of IAS 24, 'Related party disclosures' (key management compensation).
- The requirements in IAS 24, 'Related party disclosures' to disclose related party transactions entered into with other wholly owned members of the group headed by Sony Group Corporation.

In addition, and in accordance with FRS 101, further disclosure exemptions have been adopted because equivalent disclosures are included in the consolidated financial statements of Sony Group Corporation. These financial statements do not include certain disclosures in respect of:

- IFRS 7 Financial instruments (other than certain disclosures required as a result of recording financial instruments at fair value);
- IFRS 13 Fair value measurement (other than certain disclosures required as a result of recording financial instruments at fair value); and
- IAS 36 Impairment of assets

Going concern

The directors have a reasonable expectation that the Company has adequate resources to continue operations for the foreseeable future. For this reason, the directors continue to adopt the going concern basis in preparing the financial statements.

New standards, amendments and IFRIC interpretations

No new accounting standards, or amendments to accounting standards, or IFRIC interpretations that are effective for the year ended 31 March 2022, have had a material impact on the Company.

Revenue recognition

In line with IFRS 15 the Company recognises revenue when performance obligations have been satisfied and for the Company this is when the goods have been transferred to the customer and the customer has control of these. Revenues are stated net of sales tax and when collectability is reasonably assured. The Company's activities are described in detail below.

2022

2 SUMMARY OF ACCOUNTING INFORMATION AND POLICIES (CONTINUED)

Sales of goods

Revenue comprises sales of goods after the deduction of discounts, sales taxes and estimated returns. The estimated amount of returns is reassessed at each reporting date for their validity. Revenue is recognised when the performance obligations have been satisfied and the control of the products have been transferred to the customers.

Dividend income and distribution

Dividend income is recognised when the right to receive payment is established. Dividend distributions to the Company's shareholders are recognised as a liability in the Company's financial statements in the period in which the dividends are approved by the Company's shareholders.

Current and deferred income tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in the income statement, except to the extent that it relates to items recognised in other comprehensive income or directly in shareholders' funds. In this case, the tax is also recognised in other comprehensive income or directly in shareholders' funds, respectively.

The current income tax charge is calculated on the basis of the UK tax laws enacted or substantively enacted at the reporting date. Management periodically evaluate positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income tax assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

Foreign currency translation

Functional and presentation currency

The financial statements have been presented in Sterling (£) as the directors are of the opinion that this is the functional currency of the Company. The functional currency is the currency of the primary economic environment in which the Company operates.

2 SUMMARY OF ACCOUNTING INFORMATION AND POLICIES (CONTINUED)

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. The exchange rate at 31 March 2022 was £1= €1.1762 (2021: £1 = €1.1727). Monetary assets and liabilities expressed in foreign currencies are translated into sterling at the rates of exchange ruling at the end of the financial year. Differences on exchange arising from trading are dealt with in arriving at the result for the financial year, and are recognised in the income statement.

Financial assets

Classification

The Company classifies its financial assets at amortised cost.

Regular way purchases and sales of financial assets are recognised on trade date, being the date on which the group commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership.

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVPL), transaction costs that are directly attributable to the acquisition of the financial asset.

Financial assets at amortised cost

The Company classifies its financial assets as at amortised cost only if both of the following criteria are met (and are not designated as FVTPL):

- the asset is held within a business model whose objective is to collect the contractual cash flows, and
- the contractual terms of the financial asset give rise to cash flows that are solely payments of principal and interest.

Subsequent to initial recognition these are measured at amortised cost using the effective interest method. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other (expenses)/income together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the profit or loss under 'net impairment losses on financial and contract assets'.

Inventory

Inventory is stated at the lower of cost and net realisable value and is valued using a weighted average method. Net realisable value is the price at which the inventory can be sold in the normal course of business after allowing for the costs of realisation and the cost of conversion to a finished condition. Provision is made where necessary for obsolete, slow moving and defective inventory.

Trade and other receivables

Trade and other receivables are amounts due from customers for goods sold or services performed in the ordinary course of business.

SONY INTERACTIVE ENTERTAINMENT UK LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

2 SUMMARY OF ACCOUNTING INFORMATION AND POLICIES (CONTINUED)

Trade and other receivables are recognised initially at fair value and the Company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

Called up share capital

Ordinary shares are classified as equity.

Creditors

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers.

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

Employee benefits

Pension obligations

A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. The Company has no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

For defined contribution plans, the Company pays contributions to publicly or privately administered pension insurance plans on a mandatory, contractual or voluntary basis. The Company has no further payment obligations once the contributions have been paid. The contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

The group participates in two defined contribution schemes. Contributions are charged in the income statement as they become payable in accordance with the rules of the scheme. The scheme's assets are held in separately administered funds.

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical Accounting Estimates and Assumptions

The Company makes estimates and assumptions concerning the future. Actual results may differ from these estimates. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

3 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (CONTINUED)

(a) Stock compensation accruals

The Company records an accrual for changes in the wholesale price of products held by retailers as at the balance sheet date. Stock compensation accruals rely on estimates of the stock held by retailers.

(b) Promotion accruals

The Company records an accrual for committed promotional spend related to previous sales. The accrual relies on an estimate of the cost of the promotional activity.

Critical Judgements

The Company does not make any key judgements in applying the accounting policies.

10 INCOME TAX EXPENSE (CONTINUED)

Factors affecting current and future tax charges

The Finance Act 2021, which was substantively enacted on 24 May 2021, included provisions to increase the rate of UK corporation tax to 25% with effect from 1 April 2023 from 19%. Deferred taxation is measured at tax rates that are expected to apply in the periods in which temporary timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted at the balance sheet date. Accordingly, tax rates of 19% (deferred tax balances less than one year) and 25% (deferred tax balances more than one year) have been applied when calculating deferred tax assets and liabilities at 31 March 2022 (19% at 31 March 2021).

11 INVENTORY

The inventory value as at 31 March 2022 of £5,997,000 relates solely to finished goods (2021: £3,294,000). No provision was recognised against the inventory balance. During the financial year ending 31 March 2022 £471,269,000 (2021: £466,645,000) of inventories were recognised as cost of sales.
