10. PROCEEDINGS AT GENERAL MEETINGS

No business shall be transacted at any general meeting unless a quorum of members is present throughout the meeting. 14. NUMBER OF DIRECTORS

Regulation 64 of Table A shall not apply to the Company.

15. ALTERNATE DIRECTORS

15.1 An alternate director shall be entitled to receive notice of all meetings of the directors and of all meetings of committees of the directors of which his appointor is a member (subject to his giving to the Company an address within the United Kingdom at which notices may be served on him), to attend and vote at any such meeting at which the director appointing him is not personally present and generally to perform all the functions of his appointor at such meeting as a director in his absence. An alternate director shall not be entitled to receive any remuneration from the Company, save that he may be paid by the Company such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct. Regulation 66 of Table A shall not apply to the Company.

15.2 A director, or any such other person as is mentioned in regulation 65 of Table A, may act as an alternate director to represent more than one director, and an alternate director shall be entitled at any meeting of the directors or of any committee of the directors to one vote for every director whom he represents in addition to his own vote (if any) as a director, but he shall count as only one for the purpose of determining whether a quorum is present and the final sentence of regulation 88 of Table A shall not apply to the Company.

15.3 Save as otherwise provided in the regulations of the Company an alternate director shall be deemed for the purposes specified in Article 15.1 to be a director and shall alone be responsible for his own acts and defaults and he shall not be deemed to be

the agent of the director appointing him. Regulation 69 of Table A shall not apply to the Company.

16. APPOINTMENT AND RETIREMENT OF DIRECTORS

16.1 The number of Directors of the Company shall not be less than two. If and for so long as the Virgin Group holds more than 37.5% of the issued Ordinary Shares then Virgin shall have right to appoint and remove three directors who shall be called A directors, and shall have the right to appoint (from the Board) and remove, the Chairman of the Company.

If Virgin transfers (a) any Shares to IC or any member of the IC Group or (b) any Shares to IC or any member of the IC Group which transfers together with any transfers to any other person at the same time or approximately the same time as the transfers to the IC Group or members of the IC Group has the effect of or result in any "A" Director resigning or the Chairman resigning in accordance with this Article 16.4 then the right to appoint the Chairman shall be that of IC and IC shall be entitled to appoint additional "B" Directors up to the same number of "A" Directors as are required to resign pursuant to this Article 16.4 from time to time.

16.5 If at any time and from time to time the IC Group holds:

(a) 37.5 per cent or less but more than 25 per cent of the issued Ordinary Shares then IC's right to appoint the Deputy Chairman shall cease and the Deputy Chairman shall resign and IC shall procure such resignation and the Deputy

Chairman's rights under Clause 11.2 of the Subscription Agreement shall also cease;

- (b) 25 per cent or less but more than 12.5 per cent of the issued Ordinary Shares then IC shall forthwith procure that there shall only be one "B" Director and to the extent that there is more than one "B" Director(s) shall procure the resignation of such additional director(s); and
- (c) 12.5 per cent or less of the issued Ordinary Shares IC shall forthwith procure that there shall not be any "B" Directors and IC shall forthwith procure that all "B" Directors shall resign and the quorum for any meeting of the Board or any meeting of the board of any subsidiary of the Company shall cease to require a "B" Director to be present and any requirement that any resolution shall require the approval of any "B" Director shall cease (if any).

If IC transfers (a) any Shares to Virgin or any member of the Virgin Group or (b) any Shares to Virgin or any member of the Virgin Group which transfers together with any transfers to any other person at the same time or approximately the same time as the transfers to the Virgin Group or members of the Virgin Group has the effect of or result in any "B" Director resigning or the Deputy Chairman resigning in accordance with this Article 16.5 then the right to appoint the Deputy Chairman shall be that of Virgin and Virgin shall be entitled to appoint additional "A" Directors up to the same number of "B" Directors as are required to resign pursuant to this Article 16.5 from time to time.

16.7 At any meeting of the directors:

17.5 he shall for more than six consecutive months have been absent without permission of the directors from meetings of directors held during that period and the directors resolve that his office be vacated;

17.6 if he is named in a notice of removal served in accordance with Article 18.1

References to paragraphs in this Schedule are references to the relevant paragraphs in this Schedule.

1. TRANSFER OF SHARES

- 1.1 Any person (hereinafter called "the proposing transferor") proposing to transfer any Shares shall give notice in writing (hereinafter called "the transfer notice") to the Company that he desires to transfer the same and specifying the price per Share at which he is willing to transfer them. The transfer notice shall constitute the Company the agent of the proposing transferor for the sale in Units of all (but not some only) Shares (of whatever class) specified in the transfer notice together with all rights then attached thereto to any member or members of the IC Group or the Virgin Group (other than the proposing transferor or its associates) holding Ordinary Shares and willing to purchase the same (hereinafter called "purchasing class members") at the price specified therein or (where appropriate) at the fair value certified in accordance with paragraph 1.3 (whichever shall be the lower). A transfer notice shall not be revocable except with the sanction of the Board in favour of which at least one "A" Director and one "B" Director shall have consented.
- 1.2 The Shares comprised in any transfer notice shall be offered to the members of the IC Group or the Virgin Group (other than the proposing transferor or its associates) holding Ordinary Shares (hereinafter called "class members") in Units, such Units to be offered to class members subject to holders of the same class of Ordinary Shares as the proposed transferor having priority over the holders of any other class of Ordinary Shares: "A" Ordinary Shares and "B" Ordinary Shares being treated for this purpose as separate classes. Such offer shall be made by notice in writing (hereinafter called "the pre-emptive notice") within seven days after the receipt by the Company of the transfer notice. The pre-emptive notice shall:-

- (a) state the identity of the proposing transferor the number and class of Shares comprised in the transfer notice and in each Unit and the price per Unit ("the price") and inform the class members that Units are offered to them in accordance with the provisions of this paragraph 1.2;
- (b) contain a statement to the effect that the Units are offered in the first instance in proportion to the number of Ordinary Shares of the same class as those comprised in the Units held by the recipients of the pre-emptive notice but go on to invite each other class member to state in his reply whether he wishes to purchase more or less Units than his proportionate entitlement (if any) and if so what number;
- (c) subject as provided in paragraph 1.3 contain a statement of the right of each class member to request (i) a certificate of fair value under paragraph 1.3, the form of such statement to be as near as circumstances permit to that of the first sentence of that paragraph or, (ii) (as the case may be) evidence of a third party independent valuation obtained by the proposing transferor valuing the Shares subject to the transfer notice at a price no less than the price specified in the transfer notice;
- (d) contain a statement to the effect that the Shares comprised in each Unit are either being offered to class members at the lower of the price specified by the proposing transferor and (if applicable) its fair value certified in accordance with paragraph 1.3 or, as the case may be, determined by the proposing transferor but only if the proposing transferor has received a bona fide arms length independent offer valuing the shares subject to the transfer notice(s) at a price no less than the price specified in the transfer notice;
- (e) state the period in which the offer may be accepted if no such certificate of fair value is appropriate because the proposing transferor has received a bona fide arms length valuation from an independent third party and is requested (not being less than twenty-two days or more than forty-two days after the date of the pre-emptive notice and subject to being extended pursuant to paragraph 1.3);

- (f) contain a statement to the effect that, if such a certificate of fair value is appropriate and is requested, the offer will remain open for acceptance until the expiry of a period of fourteen days commencing on the date of the notice of the certified fair value given to class members pursuant to paragraph 1.3 or until the expiry of the period referred to in paragraph 1.2(e) whichever is the later; and
- (g) contain a statement that the offer is conditional upon acceptance of the offer in respect of all the Units comprised or deemed as provided for in paragraph 1.11 to be comprised in the transfer notice.

For the purpose of this paragraph an offer shall be deemed to be accepted on the day on which the acceptance is received by the Company and may, if so specified in the acceptance, be accepted by a class member in respect of a lesser number of Units than his full proportionate entitlement. If all the class members do not accept the offer in respect of their respective proportions in full the Units not so accepted shall be used to satisfy any claims for additional Units (notified in response to the invitation referred to in paragraph 1.2(b)) as nearly as may be in proportion to the number of Ordinary Shares already held by the class members claiming additional Units, provided that no class member shall be obliged to take more Units than he shall have applied for and after satisfaction of such claim any remaining Shares shall be used to satisfy claims from holders of Ordinary Shares of a class other than that specified in the transfer notice in proportion to the number of Shares held by such persons of that other class of Shares. If any Units shall not be capable of being offered to the class members in proportion to their existing holdings, except by way of fractions the same shall be offered to the class members, or some of them, in such proportions as the Board may think fit.

- 1.3 Any class member may, not later than eight days after the date of the pre-emptive notice, serve on the Company a notice in writing requesting that an Independent Accountant certify in writing the sum which in his opinion represents the fair value of each of the Shares comprised in the transfer notice as at the date of the transfer notice and the resulting fair value per Unit.

Provided that the Company shall not be required to comply with such notice if the proposing transferor has already received and notified the Company at the time of serving the transfer notice(s) of a bona fide arms length independent third party offer valuing the Shares the subject of the transfer notice(s) at a price no less than the price specified in the transfer notice unless and until it is established that the proposing transferor has not received a bona fide arms length independent third party offer valuing the Shares the subject of the transfer notice(s) at a price no less than the price specified in the transfer notice. The proposing transferor shall make available on request by the Board or any class member or any resolution of the "A" Directors or the "B" Directors such evidence as may be reasonably requested by them to verify such offer and so that the time period referred to in paragraph 1.2(e) shall be deemed to be extended by the time between such request being made and such evidence being produced.

Forthwith upon receipt of such notice and agreement as to the Independent Accountant the Company shall instruct the Independent Accountant to certify as aforesaid. In certifying the fair value as aforesaid the Independent Accountant shall be entitled to obtain professional valuations in respect of any of the Company's assets and shall undertake such valuations on the following assumptions and bases or as otherwise required by this Agreement:-

- (a) he shall value the Shares comprised or deemed to be comprised in a transfer notice as on an arms length sale between a willing vendor and a willing purchaser;
- (b) if the Company is carrying on business as a going concern, on the assumption that it will continue to do so;
- (c) that the Shares comprised or deemed to be comprised in a transfer notice are capable of being transferred without restriction; and
- (d) they shall value the Shares:-

- (i) in the case of "A" Ordinary Shares and "B" Ordinary Shares as a rateable proportion of the total value of the Company after deduction of the Preference Share Value (as defined below) which proportion shall not be discounted or enhanced by reference to the number of Shares transferred and treating each "A" Ordinary Share and each "B" Ordinary Share as having the same value;
- (ii) in the case of Preference Shares as a rateable proportion of the aggregate nominal value of the Preference Shares plus the amount of any unpaid or accrued dividends or interest thereon (the "Preference Share Value") or in the event that the total value of the Company is less than the Preference Share Value the value of the Company.

Forthwith upon receipt of the certificate of the Independent Accountant, the Company shall by notice in writing inform all class members of the certified fair value of each Share and the resulting price per Unit (being the lower of the price specified in the transfer notice and the certified fair value of each Unit) at which the Shares comprised in the transfer notice are offered for sale.

- 1.4 If purchasing class members shall be found for all the Units comprised in the transfer notice within the appropriate period specified in paragraph 1.2, the Company shall not later than seven days after the expiry of such appropriate period give notice in writing (hereinafter in this Schedule called "the sale notice") to the proposing transferor specifying the purchasing class members and the proposing transferor shall be bound upon payment of the price due in respect of all the Units comprised or deemed to be comprised in the transfer notice to transfer the Units to the purchasing class members.
- 1.5 If the Company shall not give a sale notice to the proposing transferor within the time specified in paragraph 1.4 or if at the date of the transfer notice there is no member other than the proposing transferor who holds Ordinary Shares, the transfer notice shall thenceforth be deemed to constitute the Company the agent of the proposing transferor for the sale in Units of all (but not some only) Shares (of whatever class) (and whether or not specified in the transfer notice) held by the proposing transferor together with

all rights then attached thereto to any member or members willing to purchase the same (whether or not a class member) at the price or at the fair value certified in accordance with paragraph 1.3 (whichever shall be the lower). In any such case the provisions of paragraphs 1.2 to 1.4 (inclusive) shall apply mutatis mutandis as if references therein to class members were to members (of whatever class) and references to purchasing class members were to purchasing members (of whatever class) and as if the period for service of the pre-emptive notice referred to in paragraph 1.2 was the period of seven days immediately following the expiry of the appropriate period for service of a sale notice on purchasing class member without such a sale notice being served. Provided that where fair value has already been determined in accordance with paragraph 1.3 no shareholder shall be entitled to exercise their rights under paragraph 1.3 for a further valuation of the Units.

- 1.6 Notwithstanding the provisions of paragraph 1.5 but subject to the provisions of paragraph 1.8, if purchasing class members shall have been found for some only of the Units comprised in the transfer notice pursuant to paragraph 1.2 the claims of such purchasing class members made pursuant to paragraph 1.2 shall first be satisfied in preference to the claims of members of any other class made pursuant to paragraph 1.5.
- 1.7 If in any case the proposing transferor after having become bound in accordance with the provisions of this paragraph 1 to transfer Units makes default in transferring any such Units the Company may receive the purchase money on his behalf and may authorise some person to execute a transfer of such Units on behalf of and as attorney for the proposing transferor in favour of the purchasing class members or purchasing members as the case may be. The receipt of the Company for the purchase money shall be a good discharge to the purchasing class members or purchasing members as the case may be. The Company shall pay the purchase money into a separate bank account and shall hold the same on trust for the proposing transferor.
- 1.8 If the Company shall not give a sale notice to the proposing transferor within the time specified for that purpose (by virtue of paragraph 1.5) in paragraph 1.4 in respect of sales to purchasing members of whatever class, he shall, during the period of one

hundred and twenty days next following the expiry of the time so specified, be at liberty to transfer in Units all but not some only of the Units comprised or deemed to be comprised in the transfer notice to any person or persons PROVIDED THAT the price per Unit obtained upon such transfer shall in no circumstances be less than the price or as certified in accordance with paragraph 1.3 (whichever shall be the lower) and provided further that in the event that the proposing transferor has notified the Company pursuant to paragraph 1.3 of such third party offer, such sale may only be to such third party so notified and the proposing transferor shall upon request by the Board or any class member or upon a resolution of either the "A" Directors or the "B" Directors furnish such information to the person making the request as they shall require (with copies to the Board if it has not made the request) in relation to the price per Unit obtained as aforesaid. The Board shall be satisfied that such Units are being transferred in pursuance of a bona fide sale for the consideration stated in the transfer without deduction, rebate or allowance whatsoever to the purchaser, and if not so satisfied, shall refuse to register the instrument of transfer.

- 1.9 No transfer shall be made (whether or not pursuant to paragraph 1.15) unless and until a Supplemental Deed has been executed in accordance with this Agreement. Further no member shall transfer any Shares (whether or not pursuant to paragraph 1.15) nor permit any of the matters in paragraph 1.12 (a) to 1.12 (c) (inclusive) if the effect thereof, after notification to or from and consultation with the appropriate authorities would constitute a breach of the terms of or would be likely to give rise to the revocation or, to the extent the same has any material adverse consequences, variation or modification of any licence or consent granted to or refusal of any application for a licence or consent made by the Company or any subsidiary of the Company under the Broadcasting Act 1990, the Telecommunications Act 1984, the Cable and Broadcasting Act 1984 and remaining in force pursuant to the Broadcasting Act 1990 or the Wireless Telegraphy Acts 1949-1967 (or any statutory modifications or re-enactments thereof) or under any enactment or regulation now or hereafter (as applicable) in respect of the business of the Company or any subsidiary of the Company, whether such effect is occasioned by reason of the identity of the recipient or by reason of the number of Shares involved or for any other reason.

1.10 Any transfer or purported transfer of a Share (other than upon transmission of a Share pursuant to requisition 29 of Table A upon the death of a member or upon a person becoming entitled to a Share in consequence of the bankruptcy of a member) made otherwise than in accordance with the foregoing provisions of paragraphs 1.1 to 1.9 (inclusive) or paragraph 1.15 (subject to the provisions of paragraph 1.9) shall be null and void and of no effect.

1.11 If and when required by notice in writing by the holder or holders of (in aggregate) a majority in nominal value of the other Shares in the Company so to do (the "call notice"):-

(a) a member who transfers or purports to transfer any Share in the Company in breach of the foregoing provisions of these paragraphs shall be bound to give a transfer notice in accordance with paragraph 1.1; or

(b) a member who causes or permits any of the events specified in paragraph 1.12 or with regard to whom any of the events specified in paragraph 1.12 (d) occurs shall be bound to give a transfer notice in accordance with paragraph 1.1;

unless and to the extent that a valid transfer has been made pursuant to paragraph 1.15 and has been lodged for registration. In the event of such member failing to serve a transfer notice pursuant to paragraph 1.11 (a) or 1.11 (b) within thirty days of the date of the call notice such member shall be deemed to have given a transfer notice at the expiration of such period of thirty days and to have specified therein as the price per Share the fair value of each Share to be certified in accordance with paragraph 1.3. The provisions of paragraphs 1.2 to 1.8 (inclusive) and paragraph 1.13 shall *mutatis mutandis* apply.

1.12 The events specified for the purposes of paragraph 1.11 (b) are:-

(a) any direction (by way of renunciation nomination or otherwise) by a member entitled to an allotment or transfer of Shares to the effect that such Shares or any of them be allotted or issued or transferred to some person other than himself;

- (b) any sale, dealing with or other disposition of any beneficial interest in a Share (whether or not for consideration or otherwise but excluding any transmission of a Share to any person becoming entitled to such Share in consequence of the death or bankruptcy of a member) by whomsoever made and whether or not effected by an instrument in writing save where the disposition is by service of a transfer notice in accordance with this Schedule;
- (c) the holding of a Share as a bare nominee for any person;
- (d) in the case of a corporate member, such member entering into liquidation (except a members' voluntary liquidation for the purpose of reconstruction or amalgamation) or suffering an administrative receiver to be appointed over all or any of its assets or suffering an administration order to be made against it or anything analogous to any of the foregoing under the law of any jurisdiction occurs in relation to that corporate member;

1.13 The Board may, in their absolute discretion and without assigning any reason therefor, decline to register any transfer which would otherwise be permitted under the foregoing provisions of this Schedule if it is a transfer of a Share on which the Company has lien or of a Share (not being a fully paid Share) to a person who is not already a member and of whom they shall not approve and shall refuse registration if it is a transfer prohibited by paragraph 1.9. The Board may also refuse to register a transfer unless:-

- (a) it is lodged at the office or at such other place as the Board may appoint and is accompanied by the certificate for the Share to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and
- (b) it is in respect of only one class of Shares; and
- (c) it is in favour of not more than four transferees.

The Board shall register a transfer of Shares made pursuant to paragraphs 1.1 to 1.8 (inclusive) or paragraph 1.15 subject to the provisions of this paragraph 1.13. Regulation 24 of Table A shall not apply to the Company.

1.14 The provisions of paragraphs 1.1 to 1.11 (inclusive) may be waived in any particular case if all the members give their consent in writing.

1.15 Notwithstanding any other provisions contained in these paragraphs the restrictions on transfer contained in this Schedule shall not apply to any transfer of all or part of a shareholder's Shares (of whatever class):-

- (a) by a corporate member to an associate or by a member of the Virgin Group to a member of the Virgin Group provided always that if the transferee subsequently ceases to be an associate of the transferor's ultimate holding company or a member of the Virgin Group (as the case may be) the transferee shall, within thirty days of the date of a notice in writing given by the holder or holders of a majority in nominal value of the other Shares (of whatever class) in the Company requiring it so to do, serve a transfer notice. In the event of such transferee failing to serve a transfer notice where required to do so within such thirty day period it shall be deemed at the end of such thirty day period to have given a transfer notice in respect of all Shares so transferred and to have specified therein as the price per Share the fair value of each Share to be certified in accordance with paragraph 1.3 and the provisions of paragraphs 1.2 to 1.8 (inclusive) and paragraph 1.13 shall mutatis mutandis apply;
- (b) by a corporate member to a company incorporated in and resident in the United Kingdom formed to acquire the whole or substantially the whole of the undertaking and assets of such corporate member as part of a scheme of amalgamation or reconstruction;
- (c) resulting from the exercise of rights under or in accordance with clauses 10, 14.6, 14.7, 14.8, 17.6 and 19 of the Subscription Agreement;

(d) resulting from the exercise of rights or in accordance with this Schedule.

provided that (i) it is proved to the satisfaction of the Board that the transfer bona fide falls within one of these exceptions; and (ii) except where the transfer is by IC to any associate of it resident outside the UK for tax purposes the transfer of the Shares to the transferee shall not cause the Company to cease to be owned by a consortium for the purposes of Section 402 or 247 ICTA; and (iii) except where the transfer is by IC to any associate of it resident outside the UK for tax purposes the transferee at the time of the transfer is resident in the UK for UK tax purposes and receives the Shares as an investment.

- 1.16 Notwithstanding any other provision of this Schedule any member who in relation to any transfer or purported transfer of Shares is in breach of this Schedule or who has caused or permitted any of the events specified in paragraphs 1.12(a) to 1.12(c) (inclusive) shall cease to be entitled to the rights attaching to all Shares held by him in the Company until such time as the breach has been rectified.
2. If any Share of any class is transferred pursuant to any of the provisions of this Schedule to a member holding Shares of a different class, such Share shall at the time of registration of the transfer of that Share in the register of members of the Company be ipso facto redesignated as a Share of the same class as those already held by that member.
3. For the purposes of ensuring that a transfer of Shares is permitted pursuant to the provisions of these paragraphs or that no circumstances have arisen whereby a transfer notice may be required to be given, the Board may from time to time require any member or any person named as transferee in any transfer lodged for registration to furnish to the Company such information and evidence as the Board may think fit regarding any matter which they may deem relevant to such purpose. Failing such information or evidence being furnished to the satisfaction of the Board within a reasonable time after request, the Board shall be entitled to refuse to register the transfer in question or (in case no transfer is in question) to require by notice in writing that a transfer notice be given in respect of the Shares concerned. In any case where

the Board have duly required by notice in writing a transfer notice to be given in respect of any Shares and such transfer notice is not duly given within a period of thirty days from such notice such transfer notice shall be deemed to have been given at the end of the period of thirty days and such transfer notice shall be deemed to specify as the price per Share the fair value of each Share to be certified in accordance with paragraph 1.3 and the provisions of paragraphs 1.2 to 1.8 (inclusive) and paragraph 1.13 shall mutatis mutandis apply.
