Directors' report

The directors present their report and audited financial statements for the year ended 31 December 2012.

Principal activities

The principal activity of the Company is that of a holding company for subsidiaries involved in the manufacture and supply of anionic, nonionic and cationic polyacrylamides, for use in the mining, paper, water treatment and oilfield industries, for the manufacture and distribution of composites and adhesives for use, primarily, in the aerospace and leisure industries and for distribution of Coating, Bonding and Printing Chemicals to the Automotive and General Construction Industry

Results and dividends

The directors do not recommend the payment of a dividend (2011 £nil) which leaves a loss of £5,044,000 to be retained (2011 loss £1,618,000)

Directors

The directors who held office during the year were as follows

DM Drillock (Chairman)
RD Smith
M Hülligan
A Schiebroek

Disclosure of information to auditor

The directors who held office at the date of approval of the financial statements confirm that, in so far as they are aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all steps that they ought to have taken as director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of Cytec UK Holdings Limited

We have audited the financial statements of Cytec UK Holdings Limited for the year ended 31 December 2012 set out on pages 5 to 14. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its loss for the year then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report to the members of Cytec UK Holdings Limited *(continued)*

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes

(forming part of the financial statements)

1 Accounting policies

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards

The Company is exempt from the requirements of Financial Reporting Standard 1 to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of Cytec Industries Inc, and its cash flows are included within the consolidated cash flow statement of that company

As the Company is a wholly-owned subsidiary of Cytec Industries Inc, the Company has taken advantage of the exemptions contained in Financial Reporting Standard 8 and has therefore not disclosed transactions or balances with entities which form part of the Group

Going concern

As detailed in the Directors' Report the Company operates as a holding company within Europe for Group subsidiaries and the Company has net current liabilities of £287,472,000 at the balance sheet date. The financing of these investments is made through a long term loan with another Group company which was renewed at the end of the financial year. The financial statements have been prepared on a going concern basis, notwithstanding the net current liabilities, which the directors believe to be appropriate because the Company has received confirmation from another group company that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the Company and in particular will not seek repayment of the amounts currently made available. The directors consider that this should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

After making enquiries of and assessing the responses from, Cytec Industries Inc, its ultimate parent, the directors have no reason to believe a material uncertainty exists that may cast doubt over the ability of the company to continue to adopt the going concern basis of accounting in preparing the financial statements.

Exemption from consolidation

These financial statements present information about the Company as an individual undertaking and not about its group. The Company is an intermediate UK Parent Company owned by a parent undertaking incorporated outside the European Union and its results are included in the consolidated accounts of that Non-EU parent. Management have considered the conditions set out in UITF Abstract 43 and the Companies Act 2006 and have concluded these conditions are met. Therefore for the year ended 31 December 2012 the Company has taken advantage of the exemption from preparing consolidated financial statements afforded by s401 of Companies Act 2006 because it is a wholly-owned subsidiary of Cytec Industries Inc which prepares consolidated financial statements that are publicly available, see note 16.

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements, except as noted below.

Investments

Fixed asset investments are stated at cost. Provision is made for any impairment in the value of fixed asset investments.

Foreign currencies

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.

Assets, liabilities and results of overseas subsidiaries are translated at the rate ruling at the balance sheet date. Exchange differences arising are dealt with through reserves.

Notes (continued)

1 Accounting policies (continued)

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the group's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Factors affecting tax charge for the year

The tax assessed for the year is lower (2011 lower) than the standard rate of corporation tax in the UK of 24.5% (2011 26.5%). The differences are explained below

| | 2012 £000 | 2011 £000 |
|--|--------------|--------------|
| Loss on ordinary activities before tax | (6,642) | (2,947) |
| | <hr/> | <hr/> |
| Loss on ordinary activities multiplied by standard rate of corporation tax in the UK of 24.5% (2011 26.5%) | (1,627) | (781) |
| Effects of | | |
| Non taxable income | 29 | (226) |
| Creation of tax losses | 1,598 | 1,007 |
| | <hr/> | <hr/> |
| Current tax charge for the year | - | - |
| | <hr/> | <hr/> |

A reduction in the UK corporation tax rate from 26% to 25% (effective from 1 April 2012) was substantively enacted on 5 July 2011, and further reductions to 24% (effective from 1 April 2012) and 23% (effective from 1 April 2013) were substantively enacted on 26 March 2012 and 3 July 2012 respectively. This will reduce the company's future current tax charge accordingly. The deferred tax asset at 31 December 2012 has been calculated based on the rate of 23% substantively enacted at the balance sheet date.

The March 2013 Budget announced that the rate will further reduce to 20% by 2015 in addition to the planned reduction to 21% by 2014 previously announced in the December 2012 Autumn Statement. It has not yet been possible to quantify the full anticipated effect of the announced further 3% rate reduction, although this will further reduce the company's future current tax charge and reduce the company's deferred tax asset accordingly.
