**2 Accounting policies**

**Basis of preparation**

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

The financial statements are prepared in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006. Instances in which advantage of the FRS 101 disclosure exemptions have been taken are set out below.

The financial statements have been prepared under the historical cost convention. Historical cost is generally based on the fair value of the consideration given in exchange for the assets.

**Profit and loss**

No profit and loss account has been presented as the company has had no significant accounting transactions, as defined by Companies Act 2006, during the accounting period.

**Debtors**

Trade and other debtors are initially recognised at fair value and subsequently measured at amortised cost and discounted as appropriate. The Company calculates the expected credit loss for debtors based on lifetime expected credit losses under the IFRS 9 simplified approach.

**Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

**Creditors**

Trade and other creditors are initially recognised at fair value and subsequently measured at amortised cost and discounted as appropriate.
