Report of the Trustees for the Year Ended 31 March 2019

OBJECTIVES AND ACTIVITIES

Significant activities

During the past year Hardwick in Partnership Ltd has continued to work towards achieving its Aims and Objectives by developing and delivering a range of services and initiatives for the benefit of the community; targeting the key issues which affect an area which suffers from high levels of deprivation the services have been aimed at addressing the economic, financial and social exclusion that is evident amongst the local population and are reflective of the needs identified within local and national priorities. The community led organisation is a locally based resource which provides training, education, life skills and youth projects with an emphasis on raising aspirations, attainment and employability, encouraging healthy lifestyles, addressing crime and anti-social behaviour and building community cohesion.

The HYPE Youth Project has continued to be pro-active in developing young people led activities, building links which facilitate multi-agency service delivery and forming relationships which help breakdown barriers and address the disadvantage suffered by local young people; to further this aim during the year the organisation has attracted additional funding to supplement its Children in Need Project and the Youth United Stockton delivery programme with specific targeted topical projects. The Hardwick Job Club has actively supported and assisted local unemployed residents with their search for training and employment in an effort to address the economic disadvantage that is suffered by many households in our area of benefit.

The emphasis on promoting the benefits that an active lifestyle has on the health and wellbeing of local residents was supported by the securing of an extension of the funding which had provided physical and social engagement activity opportunities under the Health Initiatives Project.

Hardwick in Partnership continues its drive to build successful partnerships with other organisations, local groups, service delivery agents and social housing providers who have similar objectives, to introduce initiatives which benefit the Hardwick area. This includes providing an outreach post for various agencies to deliver and make available specialist projects, activities, advice and guidance to residents in their local community. In August 2014 the organisation entered into a three year lease agreement for Hardwick Community Centre with Stockton Borough Council and a programme of activity intended to improve and develop the facility and the services provided from it commenced; this development programme has been ongoing ever since and, to ensure that the development and service delivery within the local area continues, in August 2017 the organisation committed to renew the lease for a further period of three years up to August 2020.

The charity organises, provides and promotes a wide range of activities and services for the residents of the Hardwick area. This year these have included:

- Office/Administration Services provided an administration, advice and guidance service to residents, groups and organisations;
- Employability Services provided a Job Club service to unemployed residents, supporting and assisting them to raise employability and secure meaningful employment;
- Joinery Workshop provided a weekly supported drop-in facility for adults in a fully equipped facility with a qualified tutor;
- HYPE Youth Project delivered an integrated youth work project including a range of support services and activities both on-site and off-site to young people from the age of nine. Worked in partnership with other agencies to develop youth service provision on Hardwick and in the wider area, in direct response to young peoples' needs. Worked alongside other agencies and partners to engage with young people who are not in education, employment or training;
- Book Swap Library provided a free book swap facility to encourage literacy within the community;
- Hardwick Today Newspaper compiled, edited and distributed free of charge targeted editions of the community paper to households in the Hardwick & Salters Lane Ward area;
- Health & Wellbeing delivered projects and activities within the local community to address social isolation with a particular emphasis on the health & wellbeing of those over the age of 50; developed partnership working to expand the delivery of other organisations and agencies services within the local area;
- Community Development worked alongside local residents to increase community empowerment and establish new social groups and community led activities;
- Exercise & Fitness Developed and introduced a range of activities to help address health inequalities, highlighting the link between diet and exercise and health and wellbeing to support ill-health prevention;

The organisation actively encourages continual professional development amongst its employees; during the year members of staff undertook varied internal and external training to ensure that the services and training delivered met standard requirements. Organisational development also continues through an ongoing programme of work to upgrade our premises, this is aimed at providing improved facilities for the community to use and at enhancing the organisations carbon footprint in line with our environmental policy.

The trustees confirm that they have complied with the duty set out in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charities Commission in respect of public benefit.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year the organisation has continued to seek and secure funds to sustain existing services and to develop and provide new services and projects that are responsive to our local community needs. In particular the focus has been on projects and initiatives aimed at supporting the residents of an already socially and financially deprived area who suffered further marginalisation as a result of the recent lengthy national and global recession and the austerity measures that were introduced which have contributed to an increase in debt related problems and had a negative impact on the health and wellbeing of local residents. Targeted services have been provided to encourage healthier lifestyles and help reduce the high number of emergency hospital admissions evidenced locally and to support unemployed members of our community during the restructuring of the benefits system and the roll out of Universal Credit. The organisation has worked throughout the year to develop lasting partnerships with other service providers and organisations, both locally and borough wide, to ensure that the residents of Hardwick have access to advice and information in their local community on a wide range of services which offer help and support to deprived areas and their communities.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Hardwick in Partnership Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, JBC Accountants Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Report of the Trustees for the Year Ended 31 March 2019

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Cllr N Cooke - Trustee

Report of the Independent Auditors to the Trustees of Hardwick in Partnership Limited

Opinion

We have audited the financial statements of Hardwick in Partnership Limited (the 'charitable company') for the year ended 31 March 2019 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 16 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Report of the Independent Auditors to the Trustees of Hardwick in Partnership Limited

Responsibilities of trustees

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Funding from the BBC's Children in Need charity is into the second year and has been used to fund the costs of a senior youth project worker, sessional staff, plus associated overheads and supervision costs.

Hardwick in Partnership Limited is a partner of Youth United Stockton (YUS), together with Corner House and Five Lamps and provides the Open Access Youth Provision in Stockton. Funding has been provided and used in full to deliver free youth sessions across the Borough for young people aged 10-19 years old.

Also, within the HYPE activity, £2,516 has been provided by Stockton B.C. to fund a school holiday enrichment programme, encouraging a range of healthy activities for families in the area. This has been spent in full during the year.

Funds brought forward from the Thirteen Group, together with further grants from the Thirteen Group, Awards 4 All and the Hospital of God have been used to finance a sessional tutor and related costs in the continued project to deliver a range of activities to support adults in their search for work and tackle the problems of long term unemployment. There are funds of £5,663 available to be carried forward to meet costs arising in 2019/20.

Funding has been provided by Catalyst Stockton to deliver a range of activities and initiatives within the 'Lighten Your Life' project. This has been introduced to combat social isolation and loneliness amongst local residents by providing social, fitness and digital skill activities with health and wellbeing benefits.

£1,000 was received from the Tees Valley Community Foundation towards the cost of a new fire alarm and burglar alarm. £540 of this has been spent in the year, with the remaining £460 to be carried forward to 2019/20.
