- (b) the making, at any time, by any Obligor of a disposal of any Eligible Investment charged pursuant to clause 4.8 of the Pubmaster Deed of Charge,

the Security Trustee shall, if so requested by and at the sole cost and expense (on a full indemnity basis) of the relevant Obligor, as the case may be, but without being responsible for any loss, costs, claims or liabilities whatsoever occasioned by so acting upon such request, release, reassign or discharge from the Encumbrances constituted by or pursuant to the Pubmaster Deed of Charge:

- (i) the relevant assets or property which are the subject of the relevant Permitted Disposal and/or Permitted Transaction; or

- (ii) the relevant Eligible Investments, provided that in the case of a disposal of an Eligible Investment, the proceeds of such disposal are paid by the relevant Obligor into the relevant Bank Account from which the funds to acquire the relevant Eligible Investments were withdrawn; or
- (iii) any moneys standing to the credit of the relevant Fixed Account which are permitted to be withdrawn in accordance with clause 16 of the Issuer/Borrower Facility Agreement or as otherwise provided in the Pubmaster Deed of Charge,

Covenants

- 6.1 By clause 7.2 of the Pubmaster Deed of Charge and without prejudice to clause 10.2 of the Pubmaster Deed of Charge, each Obligor thereby acknowledged the assignments, standard securities, assignments, charges and other security interests made or granted by the provisions of the Pubmaster Deed of Charge and has undertaken to the Security Trustee (save as permitted therein or in any other Transaction Document) not to do anything inconsistent with the security given under or pursuant to the Pubmaster Deed of Charge or to prejudice the security granted to the Security Trustee pursuant to the Pubmaster Deed of Charge or the Pubmaster Charged Property or the Security Trustee's interest therein.
- 6.2 By clause 11.2 (f) of the Pubmaster Deed of Charge, each Obligor has jointly and severally undertaken that, for so long as any Pubmaster Secured Amount remains outstanding, it shall without the prior written consent of the Security Trustee, not waive or vary nor permit to be waived or varied the terms of any of the documents relating to or affecting its freehold, heritable or leasehold property, and not in any manner or by any means to lessen the value of the relevant Obligor's interest in any of the freehold, heritable or leasehold property for the time being owned by the relevant Obligor and not to part with possession (otherwise than on determination of any tenancy or licence) of any of its freehold, heritable or leasehold property, in each case other than pursuant to the provisions of the Issuer/Borrower Facility Agreement.
- 6.3 By clause 18.1 of the Pubmaster Deed of Charge, each Obligor has jointly and severally covenanted with and undertaken to the Pubmaster Secured Parties and the Security Trustee, as a continuing security for the payment or discharge of the Pubmaster Secured Amounts at the cost of the relevant Obligor if the Security Trustee so requires following the occurrence of a Potential Pubmaster Event of Default or Pubmaster Event of Default which is subsisting, promptly to execute a first or subsequent fixed mortgage, standard security or charge (as the Security Trustee may require) in terms specified by the Security Trustee of all or any part of the Pubmaster Charged Property of the relevant Obligor which is for the time being subject to the floating charge contained in the Pubmaster Deed of Charge.

- 6.4 Pursuant to clause 16.2 of the Issuer/Borrower Facility Agreement, for the benefit of each of the Pubmaster Secured Parties, the relevant Obligor shall not without the prior written consent of the Security Trustee, create (or agree to create) or permit to subsist any Encumbrance over all or any of its present or future revenues or assets or undertaking other than a Permitted Encumbrance.
