Notes to the Financial Statements

Year ended 31 December 2011

1 Dormant status

The company was dormant (within the meaning of Section 480 of the Companies Act 2006) throughout the year ended 31 December 2011. The company has not traded during the year or during the preceding financial year. During these periods, the company received no income and incurred no expenditure and therefore made neither profit nor loss.

2. Accounting policies

A summary of the principal accounting policies is set out below. All accounting policies have been applied consistently, unless noted below.

Basis of accounting

The financial statements have been prepared under the historical cost convention in accordance with the Companies Act 2006, and applicable UK accounting standards.

Group accounts

The company has taken advantage of the exemption from preparing group accounts afforded by Section 400 of the Companies Act 2006 because it is a wholly owned subsidiary of another company incorporated in the United Kingdom which prepares group accounts (see note 6). These financial statements therefore present information about the company as an individual undertaking and not about its group.

Investments

Investments are recorded at cost, less provision for impairment as appropriate. The company assesses at each reporting date whether there is an indication that an investment may be impaired. If any such indication exists, the company makes an estimate of the asset's recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. A previously recognised impairment loss is reversed only if there was an event not foreseen in the original impairment calculations, such as a change in use of the assets or a change in economic conditions. The reversal of impairment loss would be to the extent of the lower of the recoverable amount and the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years.
