DIRECTORS' REPORT

The directors present their report and accounts for the nine month period ended 31 December 2000.

RESULTS AND DIVIDENDS

The company did not trade during the period ended 31 December 2000 or the year ended 31 March 2000. The directors do not recommend payment of a dividend (year ended 31 March 2000 – £nil).

PRINCIPAL ACTIVITIES, REVIEW OF THE BUSINESS AND FUTURE DEVELOPMENTS

The principle activity of the company continues to be that of a parent undertaking.

The directors believe the company's future prospects to be satisfactory.

On 26 July 1999, Cable and Wireless plc, NTL Incorporated and ntl (CWC) Limited (formerly Cable & Wireless Communications Limited) announced that they had agreed to propose a restructuring of ntl (CWC) Limited to the shareholders of ntl (CWC) Limited.

As part of the restructuring, ntl (CWC) Limited, previously a 52.8% owned subsidiary of Cable and Wireless plc, was separated into its residential cable, business cable, indirect residential telephony, residential internet and digital television development and services businesses, referred to as CWC ConsumerCo, (which includes the company) and its corporate, business, internet protocol and wholesale operations, referred to as CWC DataCo.

On 30 May 2000, the restructuring was completed and NTL Incorporated indirectly acquired all of CWC ConsumerCo and Cable and Wireless plc indirectly acquired the interest in CWC DataCo which was not already attributable to it, thereby achieving 100% ownership of CWC DataCo.

Following completion, NTL Incorporated, a company incorporated in the USA, became the ultimate parent undertaking of the company.

On 13 June 2000, the company changed its name to ntl Streetusual Services Limited.

REPORT OF THE AUDITORS

to the members of ntl Streetusual Services Limited (formerly Cable & Wireless Communications (N) Streetusual Services Limited)

We have audited the accounts on pages 7 to 11, which have been prepared under the historical cost convention and on the basis of the accounting policies set out on pages 8 and 9.

Respective responsibilities of directors and auditors

As described on page 4, the company's directors are responsible for the preparation of the accounts in accordance with applicable United Kingdom law and accounting standards. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you. Our responsibilities, as independent auditors, are established in the United Kingdom by Statute, the Auditing Practices Board and by our profession's ethical guidance.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Fundamental uncertainty – going concern

In forming our opinion, we have considered the adequacy of the disclosures made in note 1 of the accounts concerning the fundamental uncertainty as to whether or not the company is a going concern. The company is dependent on continuing finance being made available to enable it to meet its liabilities as they fall due. To date, this finance has been provided by NTL Incorporated (its ultimate parent undertaking) and certain of its subsidiaries (collectively the "NTL Group") and bank facilities available to the company and certain other UK incorporated members of the NTL Group. NTL Incorporated has announced that it has appointed advisers with the intention of commencing a financial restructuring that will involve negotiations with the NTL Group's providers of finance with the aim of reducing its debt burden substantially. Such a restructuring may include the raising of additional finance through further injections of debt and equity. Should agreement on the financial restructuring of the NTL Group not be reached and should financial support no longer be available to the company, the company would not be able to continue as a going concern.

The accounts do not include any adjustments that would result from a failure of the process of refinancing and other matters described in note 1 and it is not practical to quantify the adjustments that might be required. In view of the significance of this fundamental uncertainty we consider that it should be drawn to your attention but our opinion is not qualified in this respect.

Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the company as at 31 December 2000 and have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE ACCOUNTS
at 31 December 2000

1. ACCOUNTING POLICIES

Accounting convention

The principal accounting policies, which have been applied consistently throughout the current period and preceding year in the preparation of the accounts, are as follows:

Fundamental accounting concept

The accounts have been prepared on the assumption that the company is a going concern. At the date of approving these accounts, there exists a fundamental uncertainty concerning the company's ability to continue as a going concern.

The company is dependent on continuing finance being made available by NTL Incorporated, its ultimate parent undertaking, and certain of its subsidiaries (collectively the "NTL Group") and under the terms of bank facilities available to the company and certain other UK incorporated members of the NTL Group (see note 8), to enable it to continue to meet its liabilities as they fall due.

To date none of NTL Incorporated, the company and other members of the NTL Group are in default under those facilities. However, the NTL Group's ability to provide continuing finance to the company and the availability of continuing finance under bank and other debt facilities depends on a restructuring of some or all of the NTL Group's debt.

NTL Incorporated announced on 31 January 2002 that it has appointed advisers with the intention of commencing a financial restructuring that will involve negotiations with the NTL Group's bondholders, lenders and other providers of finance with the aim of reducing its debt burden substantially. Such a restructuring may include the raising of additional finance through further injections of debt and equity.

The restructuring proposals are all at their preliminary stages and it will be several months before the outcome can be seen with any certainty. When assessing the foreseeable future the directors have been unable to look to a period of twelve months from the date of approval of the accounts. The directors consider that the material uncertainties referred to above cast substantial doubt upon the company's ability to continue as a going concern for the foreseeable future. Nevertheless, because of the actions currently being taken by the NTL Group, the directors of the company consider that it is appropriate to prepare the company's accounts on a going concern basis, which assumes that the company is to continue in operational existence for the foreseeable future.

The accounts do not include any adjustments that would result should agreement on the financial restructuring of the NTL Group not be reached and should financial support no longer be available to the company. It is not practical to quantify the adjustments that might be required, but should any adjustments be required they may be significant.

Basis of preparation

The accounts are prepared in accordance with applicable accounting standards in the United Kingdom on the historical cost basis. The company has taken advantage of the exemption from preparing consolidated accounts offered by section 228 of the Companies Act 1985 because it is a wholly owned subsidiary of another company incorporated in Great Britain which prepares group accounts (see note 10).

Investments

Investments in subsidiary companies are held at cost less provisions for impairment.

Cash flow statement

Under the provisions of Financial Reporting Standard No. 1 (revised), the company has not prepared a cash flow statement because it is a wholly owned subsidiary of a company for which consolidated accounts are publicly available (see note 10).
