DIRECTORS' REPORT

The Directors submit their annual report and the audited financial statements for NLC Name No 2 Limited (the 'Company') for the year to 31 December 2011

1. Results and dividends

The profit on ordinary activities for the year after taxation was £3,000 (2010 £1,952,000 profit). The Directors paid an interim dividend in the current year of £nil (2010 £1,981,000)

2. Principal activities

The Company's principal activity was formerly that of insurance underwriting as a corporate member of the Society of Lloyd's. The Company commenced underwriting on 1 January 1994. The Company ceased underwriting on 31 December 1999 and all of the syndicate participations were closed on 31 December 2009 by way of reinsurance.

3. Review and developments

(a) Results and performance

The Company no longer trades and does not have any performance objectives. The Board do not consider it appropriate to report on key performance indicators.

(b) Principal risks and uncertainties

Given the nature of the operations the Directors do not consider there are any significant risks and uncertainties facing the Company.

(c) Future developments

The Directors consider that the Company is now dormant and do not expect any change in this status in the future.

4. Directors and their interests

The present members of the Board and the members who served during the year are listed on page 2.

5. Basis of preparation

The financial statements of the Company are presented using International Financial Reporting Standards as adopted in the European Union. As the Company has ceased participation in Lloyd's syndicates and the intention of Management is not to recommence any such activity, or any other trading activity, in the foreseeable future, the financial statements have not been prepared on a going concern basis.

6. Accounting presentation

The Directors rely heavily on information provided by Lloyd's. Whilst the Directors have overseen the reconciliation of the balance on the statement of comprehensive income at 31 December 2011 with a calculation of the amounts due from the syndicates, the Directors have not been able to check the consistency and accuracy of the accounting information to the degree which is possible for the Company's own transactions.

7. Parent company

The Company is a wholly owned subsidiary of Liverpool Victoria General Insurance Group Limited. The ultimate parent company is Liverpool Victoria Friendly Society Limited (LVFS), an incorporated Friendly Society registered under the Friendly Societies Act 1992.

8. Employees

The Company did not directly employ any staff, instead it utilised the staff and premises of LVFS in carrying out its activities in 2011.

DIRECTORS' REPORT

9. Charitable and political donations

No charitable or political donations have been made during 2011 (2010 £nil)

10. Disclosure of information to the auditor

Each Director at the date of this report confirms that

- so far as he is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information

11. Directors' responsibilities statement

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards ('IFRSs') as adopted by the European Union. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable IFRSs (IFRS) as adopted by the European Union have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report and financial statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2011 and of its profit and cash flows for the year then ended,
- have been properly prepared in accordance with IFRSs as adopted by the European Union, and

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2011

1. General information

NLC Name No 2 Limited is registered as a Corporate Name at Lloyd's, but is now dormant. The Company is limited by shares, domiciled and incorporated in United Kingdom.

2. Accounting policies

BASIS OF PRESENTATION

The Company's financial statements have been prepared in accordance with International Financial Reporting Standards ('IFRS'), as endorsed by the European Union ('EU') and the International Financial Reporting Interpretations Committee ('IFRIC') and also with those parts of the Companies Act 2006 applicable to companies reporting under IFRS.

As the Company has ceased participation in Lloyd's syndicates and the intention of Management is not to recommence any such activity, or any other trading activity, in the foreseeable future, the financial statements have not been prepared on a going concern basis. However, at the 31 December 2011, all remaining assets are either fully recoverable or supported by the ultimate parent Company and therefore there has been no impact of this change on the valuation of the Company's statement of financial position. Consequently the accounting policies listed below remain relevant. This change is purely presentational to meet the requirements of IAS 1 and does not represent any uncertainty in the Company's ability to meet its remaining obligations as they fall due.

The preparation of the financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The Company has not used any significant estimates or judgements in preparing the financial statements in conformity with IFRS. The principal accounting policies adopted are listed below. These policies have been consistently applied to all years presented, unless otherwise stated.

Trade and other payables

Trade and other payables are recognised when due and include amounts due to group undertakings and accruals. They are initially recognised at fair value and subsequently held at amortised cost.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated to the functional currency of the company at rates of exchange ruling at the end of the year. Purchases and sales of investments denominated in foreign currencies are translated at the rates prevailing at the dates of the respective transactions. Exchange gains and losses are recognised within the statement of comprehensive income.

Dividends

Dividends on ordinary shares are recognised in equity in the period in which they are paid.

Income taxes

The income tax expense reflects the movement in current and deferred income tax in respect of income, gains, losses and expenses.

Current income tax

Current income tax liabilities and assets are measured at the amount expected to be paid to or recovered from the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the statement of financial position date.
