Report of the Directors

The Directors present their report and financial statements for the year ended 31 December 2010

Masthead Insurance Underwriting Limited

Registered Number 2863362

Principal activities and review of the business

Corporate member's of Lloyd's are required to hold capital at Lloyd's or procure capital for the benefit of Lloyd's The capital, or acceptable indemnity is held in trust and known as Funds at Lloyd's ("FAL") This FAL is intended primarily to cover circumstances where syndicate assets prove insufficient to meet participating members' underwriting liabilities. The company's principal activity is the holding of assets to support FAL.

During 2010 the Company ceased providing FAL for Brit UW Limited in respect of its participation in syndicate 2987. The Company continues to provide FAL for Brit UW Limited in respect of its participation in run-off Life syndicate 389 and for the for the benefit of other Group corporate members in respect of historic externally managed syndicate participations. This remaining FAL is provided in the form of cash deposits.

As at 31 December 2010 the investments were held in cash

During 2010, the majority of the income of the Company derives from foreign exchange gains

In the opinion of the Directors, the state of affairs of the Company at the end of the year was satisfactory

Principal risks and uncertainties

The principal risks confronting the Company are credit risk, interest rate risk, price risk and currency risk

Credit risk is the risk that one party to a financial arrangement will fail to discharge an obligation and cause the other party to incur a financial loss. The Company manages this risk by having guidelines that specify the maximum percentage of the portfolios that can be invested in any single counterparty. At the end of the year Company held investments classified according to the credit ratings of the counterparties as follows.

Report of the Directors continued

P1	-	89,361,338
Not rated	-	35,323,903
Total	•	434,636,252

Interest rate risk is the risk that the value and future cash flows of an investment will fluctuate because of changes in interest rates. The Company manages this risk by setting the maximum duration of investments which is an indicator of the sensitivity of the assets to changes in current interest rates.

Price risk is the risk that the value of investments will decrease as a result of changes in market prices. The Company manages this risk by diversifying equity portfolios across sectors and by daily monitoring of the interest rate movements, the credit spreads and the liquidity of each group of fixed income securities.

As at 31 December 2010, US dollar assets exceeded US dollar liabilities by USD 2,313,920 and therefore the Company had an exposure to currency risk at that date

Employees

All staff in the United Kingdom are employed by the Group services company, Brit Group Services Limited, and full staff cost disclosures are included in the notes to those accounts. Further information on the Group's employment policies can be found in the accounts of Brit Group Services Limited.

Result and dividend

The profit for the year, after taxation is £1,895,351 (2009 £130,760,725) During the year the Company paid an interim dividend of £87,081,509

The Directors do not recommend a final dividend for the year ended 31 December 2010 (2009 £nil)

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit of the company for that period. In preparing these financial statements, the directors are required to

- · select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure of Information to Auditors

- So far as each Director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- Each Director has taken all the steps that ought to have been taken in order to make themselves aware of any relevant audit information and to establish that the Company's Auditors are aware of that information

Masthead Insurance Underwriting Limited

Independent Auditor's Report

To the Member of Masthead Insurance Underwriting Limited

We have audited the financial statements of Masthead insurance Underwriting Limited for the year ended 31 December 2010 which comprise the profit and loss account and the balance sheet and the related notes 1 to 19 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its profit
 for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Notes to the Financial Statements

1. Accounting policies

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention as modified by the revaluation of fixed asset investments and in accordance with applicable accounting standards

(b) Fixed assets

The Company has designated its other fixed asset investments ("investments") at fair value through profit and loss (FVTPL) which is in accordance with the Company's documented investment strategy Information relating to investments is provided internally to the Company's Directors on this basis

The holding of investments is an integral part of the strategic operations of the company and therefore they are disclosed as fixed assets

The fair values of quoted financial investments are based on current bid prices. If the market for an investment is not active, the Group establishes fair value by using valuation techniques such as recent arm's length transactions, reference to similar listed investments, discounted cash flow models or option pricing models.

Unquoted equity investments are initially carried at fair value where this can be reliably determined. Where fair value can not be reliably determined, cost is used as the best estimate of fair value. This is subsequently adjusted whenever events or changes in circumstances indicate that cost may not approximate to fair value. The fair value of an unquoted equity is calculated using the most appropriate valuation technique, such as reference to current fair values of another instrument that is substantially the same, discounted cash flow analysis or option pricing models.

Gains and losses on investments designated as FVTPL are recognised through the income statement

Subsidiary undertakings are stated at cost less provisions for any permanent diminution

(c) Income from other fixed asset investments

Interest income is recognised using the effective interest method. Dividend income is recognised when the shareholders' right to receive the payment is established.

Realised gains and losses on the disposal of investments arise from the difference between proceeds and cost. Unrealised gains and losses arise from the marking to market of investments.

The holdings of investments is an integral part of the strategic operations of the company and therefore dividends receivable, interest receivable and realised and unrealised gains and losses relating to these investments are therefore shown as a part of operating activities

(d) Expenses

All expenses are accounted for on an accruals basis. Expenses which are incidental to the acquisition or disposal of an investment are treated as part of the cost or proceeds of the investment.

Notes to the Financial Statements continued

(e) Foreign Currencies

Transactions in foreign currencies other than Sterling, United States dollars, Canadian dollars and Euros are translated at the rate of exchange ruling at the date the transaction is processed. Unless otherwise stated, transactions in United States dollars, Canadian dollars and Euros are translated at the average rates of exchange for the period. Assets and liabilities in currencies other than Sterling are translated at the rate of exchange ruling at 31 December of each year. Exchange differences arising on translation are dealt with in the profit and loss account.

(f) Cash flow statement

The Company is exempt from preparing a cash flow statement under FRS 1. Brit Insurance Holdings N V, the ultimate parent company during the year, has prepared a consolidated cash flow statement
