Notes to the Abbreviated Accounts

For the year ending 30 November 2010

1 **Accounting policies**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Going concern

At 30 November 2010 the company had net liabilities of £15,660. However, the going concern basis for the preparation of the financial statements is considered appropriate in view of the fact that the company will continue to have financial support of the directors for the foreseeable future.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Computer equipment 33% on cost
