## **INTRODUCTION**

The Company was placed into creditors' voluntary Liquidation on 27 July 2012. Brendan Doyle of Doyle Davies was appointed Liquidator.

This is the fourth annual progress report of the Liquidator to creditors and members pursuant to section 104A of the Insolvency Act 1986.

The information provided in this report is to fulfil the requirements imposed on the Liquidator under the Insolvency Act 1986 and the Insolvency Rules 1986 and is not to be relied upon by any party for any other purpose.

## **BACKGROUND**

The Company was incorporated in 1993 to provide various construction and design services and traded from Construction House, Dumballs Road, Cardiff.

I was first approached by the Directors of the Company in May 2011 for advice concerning the Company's financial position. After conducting an enquiry of the Company's affairs, it was apparent that it was insolvent and that there was no alternative but to place it into a formal insolvency process. The Company was advised that Administration was the appropriate process with a view to selling the business and assets as a going concern in order to preserve the goodwill of the business and offer a better return to creditors.

The Company applied to the High Court for an Administration Order, which was granted on 5 August 2011. The Company exited administration on 27 July 2012 via Creditors Voluntary Liquidation.

## **RECEIPTS AND PAYMENTS**

A copy of the Liquidator's receipts and payments account for the period of this report is enclosed at Appendix A.

## **ASSET REALISATIONS**

A pre-packaged sale of the Company's business and certain assets was negotiated prior to the Administration and details of this have been provided in my previous reports.

The sum of £2,391.67 was transferred to the Liquidation account from the Administration.

During the course of the reporting period, the sum of £1,000 has been recovered in respect of the consideration due to the Company from Denvall Co Limited ("Denvall"), who purchased the business and assets of the Company during the Administration.

A total of £14,500 has now been realised.

Denvall has requested further time to discharge the asset purchase consideration. Having met with Denvall on several occasions to negotiate payment, it has been agreed that small monthly instalments will be paid until the financial position of the company improves. We are conducting a review of its finances and hope to agree an improved payment plan in due course.

## **CREDITORS**

### **Secured Creditors**

There are no secured creditors

### **Preferential Creditors**

I have received a claim of £38,017.79 from the Redundancy Payments Service ("RPS") in respect of employees' holiday pay and arrears of pay

Subject to future realisations, a dividend may be declared to preferential creditors in due course

### **Prescribed Part**

Under the provisions of Section 176A of the Insolvency Act 1986 the Administrator must state the amount of funds available to unsecured creditors in respect of the prescribed part. This provision only applies when a Company has granted a floating charge after 15th September 2003.

On the basis that there was no floating charge claim against the Company, there was no requirement to set aside a prescribed part for creditors.

### **Unsecured Creditors**

Unsecured creditor claims from 33 creditors totalling £512,973.33 have been received.

## **DIVIDENDS**

There is a prospect of distribution to preferential creditors.

There does not appear to be a prospect of a distribution to unsecured creditors.

## **LIQUIDATOR'S REMUNERATION AND DISBURSEMENTS**

Pursuant to a resolution passed by correspondence on 24 August 2012, it was agreed that the Liquidator's remuneration be fixed by reference to the time properly spent by him and his staff in attending to matters arising in the Liquidation to be drawn as and when incurred.

An analysis of the costs incurred during this reporting period is summarised at Appendix B. In addition, there are unpaid costs from the Administration totalling £14,676.

To date the Liquidator has not drawn any remuneration. However, his remuneration will be defrayed out of the assets of the Company in due course.

A copy of "A Guide for Unsecured Creditors", issued by the Association of Business Recovery Professionals, is available on our website at [www.doyledavies.com](http://www.doyledavies.com). Please click on the section "R3 Insolvency Guides".

Creditors and members have a right to request further information in respect of the Liquidator's remuneration and expenses in accordance with Rule 4.49E of the Insolvency Rules 1986 and have the right to challenge the amounts drawn under Rule 4.131. Copies of these rules are available on request.

This firm does not charge category 2 disbursements to this case

### **STATUTORY**

### **INVESTIGATIONS**

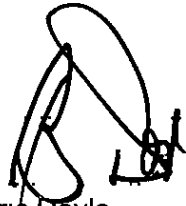

In accordance with statutory requirements, the Liquidator has submitted a conduct report to the Insolvency Services Section of the Department for Business, Innovation and Skills pursuant to the Company Directors Disqualification Act 1986
