OTHER INFORMATION

Onwe reported as auditors to the members of the company on the financial statements prepared under Section 226 of the Companies Act 1985 and our report included the following paragraph:

FUNDAMENTAL UNCERTAINTY REGARDING GOING CONCERN

In forming our opinion we have considered the adequacy of the disclosures made in the financial statements concerning the going concern of the company.

The financial statements have been prepared on a going concern basis, the validity of which is reliant on the continued support of the Holding Company and the Company's Bankers.

The Holding Company have indicated they will continue with their support and, therefore, the financial statements do not include any adjustments that would result if this support were to be discontinued. Details of the circumstances relating to this fundamental uncertainty are described in note 10. Our opinion is not qualified in this respect.

In forming our opinion, we have considered the adequacy of the disclosures made in note 10 of the financial statements concerning the going concern of the company. In view of the significance of this uncertainty we consider that it should be drawn to your attention but our opinion is not qualified in this respect.

5. GOING CONCERN

At the balance sheet date , the company had net liabilities of £63,549.
