DIRECTORS' RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

The directors are required to prepare accounts for each accounting period that comply with the relevant provisions of the Companies Act 1985 and the applicable Accounting Standards recognised in the United Kingdom, and which present fairly the financial position, financial performance and cash flows of the Company at the end of the accounting period. A fair presentation of the accounts in accordance with the applicable Accounting Standards requires the directors to:

- select suitable accounting policies and verify they are applied consistently in preparing the financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in the applicable Accounting Standards is
 insufficient to enable users to understand the impact of particular transactions, other events and conditions on the
 Company's financial position and financial performance; and
- state that the Company has complied with applicable Accounting Standards

The directors are responsible for maintaining proper accounting records which are intended to disclose with reasonable accuracy, at any time, the financial position of the Company. They are also ultimately responsible for the systems of internal control maintained for safeguarding the assets of the Company and for the prevention and detection of fraud and other irregularities.

We have audited the company's financial statements for the year ended 31st March 2006 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet, the Cash Flow Statement, and the related notes 1 to 17. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and Accounting Standards (United Kingdom Generally Accepted Accounting Practice) as set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view, are properly prepared in accordance with the Companies Act 1985 and that the information given in the Directors' Report is consistent with the financial statements.

We also report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

In our opinion:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2006

1. ACCOUNTING POLICIES

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared under the historical cost convention and are in accordance with applicable Accounting Standards

In the year to 31st March 2004 Herald Investment Management Limited reduced the share premium element when contingent nil paid shares were cancelled. In the year to 31st March 2005 this treatment was changed and a prior year adjustment was made for the shares cancelled in the year to March 2004.

FIXED ASSETS

All fixed assets are initially recorded at cost.

DEPRECIATION

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost of each asset over its expected useful life as follows: -

Fixtures and fittings – 33 1/3% straight line.

Computer equipment is written off immediately on purchase.

Depreciation is not provided on assets with an indefinite useful life, such as decorative items. Impairment is considered annually and the amount is immaterial.

Intangible assets $-33 \frac{1}{3}\%$ straight line.

DEFERRED TAXATION

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred taxation is provided using the liability method on all timing differences which are expected to reverse in the future without being replaced, calculated at the rate at which it is anticipated the timing differences will reverse.

A deferred tax asset is only recognised when, on the basis of available evidence, it is more likely than not that there will be taxable profits in the future against which the asset can be offset.

LEASING COMMITMENTS

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the term of the lease.

PENSIONS

The Company makes payments to several employees' personal pension plans. The pension charge represents the amounts payable by the Company to these plans in respect of the year.

INVESTMENTS

Investments held for the long term are shown at cost. Permanent impairments in value are written off to the profit and loss account. Realised profits and losses are accounted for in the profit and loss account of the period in which the disposal occurs.

CONSOLIDATION

The Company does not publish consolidated financial statements, being exempt from the requirement under S228 of the Companies Act 1985, because the Company is included in audited financial statements of HIML Holdings Ltd.
