STRATEGIC REPORT

The directors present their strategic report for Herald Investment Management Limited (the Company) for the year ended 31st March 2018.

PRINCIPAL ACTIVITY AND FUTURE DEVELOPMENTS

The principal activity of the Company during the year was that of investment management and related advisory services from which it derives its income. The directors consider that the operations of the Company will remain substantially unchanged for the foreseeable future.

BUSINESS REVIEW

The overall performance of the Company has been satisfactory with turnover increasing to £10.1m (2017: £8.5m) and profit on ordinary activities before taxation increasing to £5.4m (2017: £4.9m). At year end, assets under management have increased in value versus the prior year end.

The directors regard a key performance indicator for the Company as being the turnover from investment management and related advisory services. Turnover from investment management and related advisory services increased by £1.6m to £10.1m due to increases in the net asset value of funds advised, caused by the upwards move in global stock markets and prices.

RESULTS AND DIVIDENDS

The results for the year to 31 March 2018 are set out on page 9 of the financial statements and the movement in reserves is shown in note 15. The profit for the financial year was £4,332,215 (2017, £4,134,820).

An interim dividend of 100p per share was paid on 3rd October 2017. A second interim dividend of 100p per share was paid on 16th January 2017. A final dividend of 150p per share was paid on 28th March 2018. Total dividends paid amounted to £3,304,613 or 350p per share (2017: £4,248,784 or 450p per share).

PRINCIPAL RISKS AND UNCERTAINTIES

The principal risk facing the Company is that clients may find the performance of the investment vehicles managed unsatisfactory and withdraw the Company's mandate. The Company's largest investment vehicle managed has a one year notice period and the role of investment manager is subject to a continuation vote every three years.

The fee income for investment vehicles managed by the Company is calculated as a percentage of funds managed and hence is subject to the price risk of the underlying investments in those funds. Credit risk is considered low on the fee income receivable, as assets held by the investment vehicles advised could be realised to provide funds sufficient to settle any amounts receivable by the Company.

Credit risk also arises from the investments in debt securities and cash and deposits at banks and financial institutions. This is monitored on an ongoing basis by the Company.

In relation to the assessment and monitoring of economic, political and regulatory risks, the Company will keep Brexit developments under review but currently believes that the UK's decision to leave the EU will not present a significant threat to the Company's business model or its ability to continue producing accounts on a going concern basis.

DIRECTORS' REPORT

The directors present the report and financial statements of Herald Investment Management Limited (the 'Company') for the year ended 31st March 2018. The Company is FCA regulated and is a subsidiary undertaking of HIML Holdings Limited (the 'Group').

In accordance with section 414C(11) of the Companies Act 2006, the following Directors' Report information has been included in the Strategic Report - Principal Activity; Business Review; Results and Dividends and Principal Risks and Uncertainties.

DIRECTORS

The directors of the Company are listed on page 3. K J Potts, J D S Booth and V J Donegan held office throughout the period, D T A Boyle resigned and J G K Matterson was appointed during the year.

DIRECTORS' INDEMNITY

The Group provides a deed of indemnity to directors to the extent permitted by UK law whereby the Group is able to indemnify a director against any liability incurred in proceedings in which the director is successful, and against the cost of successfully applying to the court to be excused for breach of duty where the director acted honestly and reasonably.

DIRECTORS' STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITOR

The directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information (as defined in Section 418(2) of the Companies Act 2006) of which the Company's auditors are unaware; and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

AUDITOR

Pursuant to section 487 of the Companies Act 2006, a resolution to re-appoint KPMG LLP as the auditor of the Company is to be proposed at the forthcoming Annual General Meeting.

By order of the Board

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE STRATEGIC REPORT, THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and detect fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HERALD INVESTMENT MANAGEMENT LIMITED

We have audited the financial statements of Herald Investment Management Limited ("the Company") for the year ended 31 March 2018 which comprise the profit and loss account and other comprehensive income, balance sheet, statement of changes in equity and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

Other information

The directors are responsible for the Other information which comprises the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and accordingly we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusions thereon.

Our responsibility is to read the Other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the Other information;
- in our opinion the information given in the Other information for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 6, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements

BASIS OF PREPARATION

The Company is a company limited by shares and incorporated and domiciled in the United Kingdom.

These financial statements have been prepared on a going concern basis and in accordance with FRS 102 (the Financial Reporting Standard applicable in the UK and Republic of Ireland) under the historical cost convention as modified to include the revaluation of financial instruments classified at fair value through the profit or loss. The presentation currency of these financial statements is sterling.

CONSOLIDATION

The Company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to present group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

TANGIBLE ASSETS AND DEPRECIATION

All tangible assets are initially recorded at cost and reviewed for impairment annually. Any impairment is recognised in the profit and loss account in the year in which it occurs.

Depreciation is provided on all tangible assets other than antiques, at rates calculated to write off the cost of each asset over its expected useful life as follows:

- Fixtures and fittings 3 years straight line
- · Computer equipment is written off immediately on purchase.

INVESTMENTS AND FINANCIAL ASSETS

Financial assets within the scope of FRS 102 are classified as either financial assets at fair value through profit or loss or loans and receivables. When financial assets are recognised initially, they are measured at fair value, plus, in the case of investments not at fair value through profit or loss, directly attributable transaction costs.

The Company determines the classification of its financial assets after initial recognition and, where allowed and appropriate, re-evaluates this designation at each financial year end. All purchases and sales of financial assets are recognised on the trade date, which is the date that the Company commits to purchase the asset.

Following the adoption of FRS 102 all financial assets held by the Company, except loans and receivables, are held at fair value through profit or loss.

Gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss are included in the profit and loss account for the period.

Investments in subsidiaries and associates are held at the lower of cost and net realisable value.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash balances.

TAXATION

The charge for taxation is based on the result for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 102.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

LEASING COMMITMENTS

Rentals payable under operating leases are charged to the profit and loss account on a straight line basis over the term of the lease.

CASH FLOW STATEMENT

Under FRS 102 the Company is exempt from the requirement to prepare a cashflow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements which are publicly available.

DIVIDENDS ON SHARES PRESENTED WITHIN EQUITY

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the Company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

PENSIONS

The Company operates a work place pension scheme on behalf of its employees and in addition makes payments to several employees' personal pension plans. The pension charge represents the amounts payable by the Company to these plans in respect of the year.

REVENUE RECOGNITION

Turnover is recognised on an accruals basis and is stated net of VAT and any discounts or rebates. It is primarily derived from the provision of investment management and advisory services. Other operating income and interest receivable are calculated on an accruals basis.

BASIC FINANCIAL INSTRUMENTS

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of interest for a similar debt instrument.

2. TURNOVER

Turnover is entirely attributable to the principal activity of the Company, which is conducted wholly in the United Kingdom.

3. NOTES TO THE PROFIT AND LOSS ACCOUNT

The fair value through profit or loss-quoted investments are listed debt and fund investments held at fair value calculated using the quoted bid price at the year end date. The fund investments include an interest in the Herald Investment Fund plc which is acting as a hedge to a Company long term bonus scheme. If the listed investments had been sold at market value there would have been a liability to tax of £324,086 (2017 - £269,578). The loans and receivables and investments in subsidiaries and associates are unlisted and held at cost.
