### STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF ACCOUNTS

The Companies Act 1985 requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss for that year. In preparing the accounts, the directors are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the accounts comply with the Companies Act 1985. They have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

### Independent auditors' report to the members of CAMAS Overseas Investments Limited

We have audited the accounts on pages 4 to 9.

## Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

### Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

### Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 2001 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

### NOTES TO THE ACCOUNTS

### 1. ACCOUNTING POLICIES

### Basis of Accounting

The accounts are prepared under the historical cost convention and in accordance with applicable UK accounting standards.

### Basis of Preparation

Group accounts have not been prepared as the Company is a wholly owned subsidiary of another company incorporated in Great Britain for which consolidated accounts are prepared. Therefore, the accounts present information about the Company as an individual undertaking and not about its group.

### Investments

Investments in group undertakings and other investments are stated at cost less amounts written off. The cost of overseas investments is restated to reflect foreign exchange fluctuations between the date of acquisition and the balance sheet date.

### Income from Investments

Income from shares in subsidiary undertakings and other investments is included in the profit and loss account in the period in which it is receivable.

### Foreign Currencies

Transactions in foreign currency are recorded at the rate of exchange ruling at the date of the transaction. Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the date of the balance sheet.

All exchange differences are taken to the profit and loss account with the exception of differences on foreign currency borrowings, to the extent that they finance or provide a hedge against foreign equity investments, which are taken directly to reserves together with the exchange difference on the carrying amount of the related investments.

### 2. TAXATION

### a) Tax on profit on ordinary activities

	2001	2000
	£000	£000
UK corporation tax credit/(charge) on the loss for the year	-	2
Adjustment in respect of prior years	3	-

### b) Deferred taxation

Provision has not been made for additional tax which would arise in the event of distributions being made out of retained profits of overseas subsidiary undertakings as there are no plans to make such distributions.

# NOTES TO THE ACCOUNTS (CONTINUED)

### 3. EMPLOYEES AND DIRECTORS

- a) The Company employed no personnel during the year and the previous year.
- b) No director received any emoluments during the year in respect of services rendered to the Company. (2000: £nil).

### 4. FIXED ASSETS

### Investments in associated undertakings

£000
34,079
860
34,939

The associated undertakings at 31 December 2001 were:-

Undertaking	Country of incorporation and operation	Proportion held	Nature of business
Aggregate Industries Inc.	USA	38 %	Holding Company
Halsvik Aggregates AS	Norway	50 %	Quarrying

In the opinion of the Directors of the Company the aggregate value of the assets of the Company, consisting of shares in or amounts owing (whether on account of a loan or otherwise) from each of the Company's associated undertakings is not less than the amounts at which those assets are stated in the balance sheet.
