Amount secured by the mortgage or charge

By clause 2.1 of the Debenture the Company:

(a) covenants that it will on demand made on it by the Security Trustee pay to the Security Trustee for the account of the relevant Beneficiary all moneys and discharge all obligations and liabilities whether actual or contingent now or hereafter due, owing or incurred to the Agent, the Security Trustee, the Arrangers, the Banks (or any of them) by it under or pursuant to the Agreement and/or the Debenture and/or the Security Trust Deed and/or any of the other Security Documents;

(b) guarantees that it will on demand made on it by the Security Trustee pay to the Security Trustee for the account of the relevant Beneficiaries all moneys and discharge all obligations and liabilities whether actual or contingent now or hereafter due, owing or incurred to the Agent, the Arrangers, the Security Trustee, the Banks (or any of them) by any other Chargor under or pursuant to the Agreement and/or the Debenture and/or the Security Trust Deed and/or any of the other Security Documents;

in each case when the same become due for payment or discharge whether by acceleration or otherwise, and whether such moneys, obligations and liabilities are express or implied; present, future or contingent; joint or several; incurred as principal or surety; denominated in Sterling or in any other currency; or incurred on any banking account or in any other manner whatsoever.

By clause 2.2 of the Debenture, as a separate and independent stipulation, the Company agrees that if any purported obligation or liability of any Chargor which would have been the subject of the Guarantee had it been valid and enforceable is not or ceases to be valid or enforceable against such Chargor on any ground whatsoever whether or not known to any of the Beneficiaries or the Security Trustee (including, without limitation, any irregular exercise or absence of any corporate power or lack of authority of, or breach of duty by, any person purporting to act on behalf of such Chargor or any legal or other limitation, any disability or Incapacity or any change in the constitution of such Chargor) the Company shall nevertheless be jointly and severally liable (with the other Chorgors) to the relevant Beneficiaries in respect of that purported obligation or liability as if the same were fully valid and enforceable and the Company were the principal debtor in respect thereof. The Company jointly and severally agrees to keep the Security Trustee and the Beneficiaries fully indemnified on demand against all damages, losses, costs and expenses arising from any failure of a Chargor to perform or discharge any such purported obligation or liability.

By clause 2.5 of the Debenture the Company agrees to pay interest on each amount duly demanded of it under the Debenture from the date of such demand until payment (after as well as before judgment) at the default rate. Such interest shall be compounded monthly in the event of it not being paid when demanded but without prejudice to the Security Trustee's rights to require payment of such interest.

Clause 2.7 of the Debenture provides that if at any time the Company is required to make any deduction or withholding in respect of Taxes from any payment due under the Debenture for the account of any Beneficiary or the Security Trustee (or if the Security Trustee is required to

Amount secured by the mortgage or charge

make any such deduction or withholding from a payment to any Beneficiary), the sum due from the Company in respect of such payment shall, subject to clause 2.8 of the Debenture, be increased to the extent necessary to ensure that, after the making of such deduction or withholding, each Beneficiary and the Security Trustee receives on the due date for such payment (and retains, free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received had no such deduction or withholding been required to be made and the Company shall indemnify each Beneficiary and the Security Trustee against any losses or costs incurred by any of them by reason of any failure of the Company to make any such deduction or withholding or by reason of any increased payment not being made on the due date for such payment. The Company shall promptly deliver to the Security Trustee copies of (or, where required, originals of) any receipts, certificates or other proof evidencing the amounts (if any) paid or payable in respect of any deduction or withholding as aforesaid.

Clause 2.8 of the Debenture provides that if any Bank is not or ceases to be a Qualifying Bank, then (save in circumstances where such Bank has ceased to be a Qualifying Bank by reason of any change in law or in its application or interpretation, in each case taking effect after the date of the Agreement) the Company shall not be liable to pay to that Bank or to the Security Trustee for the account of such Bank under clause 2.7 any sum in excess of the sum it would have been obliged to pay if that Bank had been, or had not ceased to be, a Qualifying Bank.

Clause 3.14 of the Debenture provides that the Prior Charges shall rank together with interest thereon and costs, in priority to the charges created by the Debenture as a continuing security for repayment of all moneys, obligations and liabilities thereby secured. Such priority shall not be affected by any fluctuations in the amount from time to time due or by the existence at any time of a credit balance on any current or other account.

By clause 5.1(i) of the Debenture the Company undertakes with the Security Trustee that it will (subject to the obligations of the Company under the Senior Facility Documents) punctually pay, or cause to be paid (unless the same is being contested in good faith and by appropriate means by the Company), and indemnify the Security Trustee and any Receiver (on a several basis) against, all present and future rent, rates, taxes, duties, charges, assessments, impositions and outgoings whatsoever (whether imposed by agreement, statute or otherwise) now or at any time during the continuance of this security property payable in respect of the Properties or any part thereof or by the owner or occupier thereof.

Clause 5.2 of the Debenture provides that if the Company at any time defaults in complying with any of its obligations contained in the Debenture, the Security Trustee shall, without prejudice to any other rights of the Security Trustee arising as a consequence of such default, be entitled (but not bound) to make good such default and the Company irrevocably authorises the Security Trustee and its employees and agents by way of security to do all such things (including, without limitation, entering the Company's property having given such notice as is reasonable in the circumstances) necessary or desirable in connection therewith. Any moneys so expended by the Security Trustee shall be repayable by the Company to the Security Trustee within 30 days of demand together with interest at a default rate from the date being 30 days after the date of demand until such repayment, both before and after judgment. No exercise by the Security Trustee of its powers under such clause shall make it or any of the Beneficiaries liable to account as a mortgagee in possession.

Clause 10.3 of the Debenture provides that the Beneficiaries, the Security Trustee and any Receiver, attorney, agent or other person appointed by the Security Trustee under the

Amount secured by the mortgage or charge

Debenture and the Security Trustee's officers and employees (each an "Indemnified Party") shall be entitled to be indemnified out of the Charged Assets in respect of all costs, losses, actions, claims, expenses, demands or liabilities whether in contract, tort, delict or otherwise and whether arising at common law, in equity or by statute which may be incurred by, or made against, any of them (or by or against any manager, agent, officer or employee for whose liability act or omission any of them may be answerable) at any time relating to or arising directly or indirectly out of or as a consequence of:

- (a) anything done or omitted in the exercise or purported exercise of the powers contained in the Debenture; or
- (b) any breach by a Chargor of any of its obligations under the Debenture; or
- (c) an Environmental Claim made or asserted against an Indemnified Party which would not have arisen if the Debenture had not been executed and which was not caused by the negligence or wilful default of the relevant Indemnified Party,

except in the case of fraud, wilful misconduct or gross negligence on the part of an Indemnified Party.

Clause 14.2 of the Debenture provides that no payment to the Security Trustee (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of any Chargor in respect of which it was made unless and until the Security Trustee shall have received payment in full in the currency in which such obligation or liability was incurred. To the extent that the amount of any such payment shall on actual conversion into such currency fall short of such obligation or liability expressed in that currency the Security Trustee shall have a further separate cause of action against such Chargor and shall be entitled to enforce the charges created by the Debenture to recover the amount of the shortfall.

Clause 15 of the Debenture provides that the Company and the Security Trustee acknowledge that the covenants of the Company contained in the Debenture and the security and other rights, titles and interests constituted by the Debenture and the Charged Assets and all other moneys, property and assets paid to the Security Trustee or held by the Security Trustee or received or recovered by the Security Trustee pursuant to or in connection with the Debenture are held by the Security Trustee subject to and on the terms of the trusts declared in the Security Trust Deed.

By clause 3.2 of the Debenture the Company, subject to the Senior Security Documents, assigns absolutely to the Security Trustee (but, save as provided in clause 13.4 of the Debenture, subject to redemption upon payment and discharge of the Secured Obligations) with full title guarantee and (to the extent set out below) all its right, title, benefit and interest whatsoever present and future in and under the Licences granted to or in which the Company has an interest at any relevant time or is a party to the extent that the terms of the relevant Licence or any Telecommunications or Cable Law (as the case may be) do not prohibit the granting of such assignment as a continuing security for the payment and discharge of the Secured Obligations.

By clause 3.3 of the Debenture the Company, subject to the Senior Security Documents, assigns absolutely to the Security Trustee (but, save as provided in clause 13.4 of the Debenture) subject to redemption upon payment or discharge of the Secured Obligations) with full title guarantee all its right, title, benefit and interest whatsoever present and future in and under the Non-Guaranteed Switch Leases entered into by the Company at any relevant time including, for the avoidance of doubt, sub-leases entered into by the Company with a Restricted Person in relation to a Switch Finance Lease entered into by that Restricted Person.

By clause 3.4 of the Debenture, the Company, subject to the Senior Security Documents, assigns absolutely to the Security Trustee (but, save as provided in clause 13.4 of the Debenture, subject to redemption upon payment or discharge of the Secured Obligations) with full title guarantee all its rights, title, benefit and interest whatsoever present and future to all monies from time to time payable to the Company under or pursuant to the Insurances (to the extent that such monies are not payable to (a) a third party under third party liability insurance or (b) (i) lessors of assets to any member of the TCN Group or Telewest or (ii) lenders to any member of the TCN Group or Telewest, by reason of any Encumbrance over the Insurances where the relevant borrowing is a permitted borrowing (or a borrowing of Telewest not prohibited under the Deed of Subordination) and is either a Finance Lease or secured by Permitted Encumbrances) including, without limitation, the refund of premiums as a continuing security for the payment and discharge of the Secured Obligations.

By clause 3.5 of the Debenture the Company charges to the Security Trustee by way of floating charge ranking as a floating charge behind only the floating charges created by the Senior Security Documents with full title guarantee and as a continuing security for the payment and discharge of the Secured Obligations its undertaking and all its property, assets and rights whatsoever and wheresoever both present and future, other than any property or assets from time to time effectively charged by way of legal mortgage or fixed charge or assigned pursuant to clauses 3.1, 3.2, 3.3 or 3.4 or otherwise of the Debenture but including (without limitation whether or not so effectively charged) any of its property and assets situated in Scotland provided that, for the avoidance of doubt, the floating charge shall not attach to any plant or machinery, or any lease interest therein, which is the subject of a lease where the title thereto rests on the relevant lessor and not the Company.

By clause 3.6 of the Debenture the Company undertakes with each of the Beneficiaries and the Security Trustee from the date of the Debenture and so long as any monies are owing under the Debenture or the Agreement that, save as otherwise provided by the Debenture, without the prior consent in writing of the Security Trustee:

Short particulars of all the property mortgaged or charged

- (a) it will not enter into any arrangements involving disposal of the Debts, including (without limitation) factoring or securitisation;
- (b) it will not permit any Encumbrance by the Company to subsist, arise or be created or extended over all or any part of the Charged Assets to secure or prefer any present or future Indebtedness of the Company, any of its Subsidiaries, any of its Associated Partnerships or any other person other than Permitted Encumbrances; or
- (c) it will not dispose of or cease to exercise control over the whole or any part of the Charged Assets whether by one or a series of transactions related or not other than (i) Permitted Disposals and (ii) in accordance with the First Guarantee and Debenture,

Provided that the Company shall, until the Enforcement Date, be entitled to withdraw, deal with or dispose of the Earnings for the purpose of (i) paying or discharging any costs, charges and expenses properly incurred by the Company in carrying on the business of constructing, installing, operating and utilising cable television and cable telecommunications systems in the area covered by the relevant Licences and in any directly related business which is reasonably considered to be financially beneficial to such business or (ii) making any permitted intra-TCN Group transaction, permitted investment or permitted payment in accordance with the terms of the Agreement.

By clause 3.7 of the Debenture notwithstanding anything expressed or implied in the Debenture, if any Chargor creates or attempts to create any Encumbrance over all or any of the Floating Charge Assets without the prior consent in writing of the Security Trustee or otherwise as permitted by the Agreement or if any person levies or attempts to levy any distress, execution, sequestration or other process against any of the Charged Assets or does or attempts to do any diligence in execution against any of the Floating Charge Assets, the floating charge created by clause 3.5 of the Debenture over the property or asset concerned shall thereupon automatically without notice be converted into a fixed charge.

By clause 3.8 of the Debenture notwithstanding anything expressed or implied in the Debenture, the Security Trustee shall be entitled at any time by giving notice in writing to that effect to the relevant Chargor to convert the floating charge over all or any part of the Floating Charge Assets into a fixed charge as regards the assets specified in such notice being assets which the Security Trustee reasonably considers may be in danger of being seized or sold under or pursuant to any form of distress of execution or may otherwise be in jeopardy.

By clause 3.9 of the Debenture if any Beneficiary receives notice of any subsequent Encumbrance affecting the Charged Assets or any part thereof, such Beneficiary may open a new account for the Chargor but if it does not do so then unless such Beneficiary gives express written notice to the contrary to the Chargor concerned it shall nevertheless be treated as if it had opened a new account at the time when it received such notice and as from that time all payments made by or on behalf of the Chargor concerned to such Beneficiary shall be credited or be treated as having been credited to the new account and shall not operate to reduce the amount due from that Chargor to such Beneficiary at the time when it received such notice.

By clause 3.11 of the Debenture the Company irrevocably and unconditionally agrees that at any time after the Enforcement Date if there shall from time to time be any credit balance on any of its accounts with any of the Beneficiaries, such Beneficiary shall have the absolute right to refuse to permit such credit balance to be utilised or withdrawn by the Company whether in whole or in part if and to the extent that at that time there are outstanding any of the Secured

Obligations.

Clause 3.14 of the Debenture provides that the Prior Charges shall rank, together with interest thereon and costs, in priority to the charges created by the Debenture as a continuing security for repayment of all moneys, obligations and liabilities thereby secured. Such priority shall not be affected by any fluctuations in the amount from time to time due or by the existence at any time of a credit balance on any current or other account.

By clause 3.15(a) of the Debenture notwithstanding clauses 3.1 and 3.5 of the Debenture:

(i) unless and until the relevant Chargor has obtained the consent of the relevant landlord and any other relevant party (each being a "Consent") the floating charge granted pursuant to clause 3.5 of the Debenture shall not extend to such Chargor's rights over the properties listed in Part I of schedule 9 of the Debenture (the "Restricted Leases"); and

(ii) unless and until the relevant Chargor has obtained a certificate from the Capstan Centre Management Company Limited (the "Certificate") the floating charge granted pursuant to clause 3.5 of the Debenture shall not extend to such Chargor's rights over the freehold property listed in Part II of schedule 9 of the Debenture (the "Restricted Freehold");

By clause 3.15(b) of the Debenture unless the relevant Chargor has received written confirmation from the Security Trustee that the Certificate or a particular Consent is not required, the relevant Chargors undertake to use their reasonable endeavours to obtain the Certificate or the Consents. On obtaining the Certificate and each Consent:

(A) the relevant Restricted Lease and/or the Restricted Freehold, as the case may be, shall thereupon automatically become subject to the floating charge created pursuant to clause 3.5 of the Debenture; and

(B) the relevant Chargor shall immediately produce the Certificate or evidence of such Consent to the Security Trustee.

By clause 4.1 of the Debenture the Company agrees that after the Enforcement Date the Security Trustee and/or each of the Banks may at any time without notice, notwithstanding any settlement of account or other matter whatsoever, combine or consolidate all or any of its then existing accounts wheresoever situate (including accounts in the name of the Security Trustee, such Bank or of the Company jointly with others), whether such accounts are current, deposit, loan or of any other nature whatsoever, whether they are subject to notice or not and whether they are denominated in Sterling or in any other currency, and set off or transfer any sum standing to the credit of any one or more such accounts in or towards satisfaction of the Secured Obligations owed to the Security Trustee and/or such Bank which, to the extent not then payable, shall automatically become payable to the extent necessary to effect such set-off.

Clause 5.1(a) of the Debenture contains an undertaking by the Company with the Security Trustee that during the continuance of the security the Company will (subject to the obligations of the Company under the Senior Facility Documents) collect its Debts in the ordinary course of its business in a proper and efficient manner and, after the Enforcement Date pay into its account with the Security Trustee or such other account as the Security Trustee may from time to time specify all moneys which it may receive in respect of the Debts forthwith on receipt and, save in the ordinary course of business, not, without the prior written consent of the Security Trustee, seek to compromise, compound, vary, discharge, postpone or release any of the Debts or waive its right of action in connection therewith.

Short particulars of all the property mortgaged or charged

By clause 5.1(j) of the Debenture the Company undertakes with the Security Trustee that during the continuance of the security created by the Debenture the Company (without prejudice to the generality of clause 3.6(c) of the Debenture), will (subject to the obligations of the Company under the Senior Facility Documents) not, without the prior consent in writing of the Security Trustee grant any lease, dispose of, or part with possession of the whole or any part of any of the Properties or grant any licence or permission to assign, underlet or part with possession of the same or any part thereof (save for Permitted Disposals or Permitted Encumbrances) or permit any person:

(i) to be registered (jointly with the Company or otherwise) as proprietor under the Land Registration Acts of any of the Properties nor create or permit to arise any overriding interest affecting the same within the definition in those Acts which overriding interest would have, or is reasonably likely to have, in the opinion of the Security Trustee, a Material Adverse Effect; or

(ii) to become entitled to any right, easement, covenant, interest or other title encumbrance in relation to any of the Properties if the same would have, or is reasonably likely to have, in the opinion of the Security Trustee, a Material Adverse Effect.

By clause 5.1(k) of the Debenture the Company undertakes with the Security Trustee that during the continuance of the security created by the Debenture the Company, save as expressly permitted pursuant to the terms of the Agreement or the Debenture, will (subject to the obligations of the Company under the Senior Facility Documents) not without the prior consent in writing of the Security Trustee vary, surrender, cancel or dispose of, or permit to be forfeit, (i) any leasehold interest in any of the Properties or (ii) any credit sale, hire purchase, leasing, rental, licence or like agreement for any equipment used in its business save (in the case of either (i) or (ii) above) if the same would have, or is reasonably likely to have, in the opinion of the Security Trustee, a Material Adverse Effect or a material adverse effect on the construction, installation, use of operation of the Cable Systems.

Clause 6.1 of the Debenture contains a covenant by the Company that at any time if and when required by the Security Trustee to execute such further Encumbrances and assurances in favour of the Security Trustee and/or the Beneficiaries and do all such acts and things as the Security Trustee shall from time to time reasonably require over or in relation to all or any of the Charged Assets to secure the Secured Obligations or to perfect or protect the security intended to be created by the Debenture over the Charged Assets or any part thereof or to facilitate the realisation of the same.

Clause 6.2 of the Debenture provides that such further Encumbrances and assurances shall be prepared by or on behalf of the Security Trustee at the expense of the Borrower (such expense to be reasonable and properly incurred) and shall contain (a) an immediate power of sale without notice, (b) a clause excluding section 93 Law of Property Act 1925 and the restrictions contained in section 103 Law of Property Act 1925 and (c) such other clauses for the benefit of the Beneficiaries as the Security Trustee may reasonably require.

By clause 6.3 of the Debenture the Company covenants with the Security Trustee (i) forthwith following the later of the entering into of the Debenture or the Company acquiring an interest under a contract or policy of insurance (other than a life policy) to give notice in the form set out in schedule 8 of the Debenture to the relevant insurer of the assignment of the Insurances contained in the Debenture and will use its reasonable endeavours to procure that such insurer acknowledges receipt of such notice in the manner provided, (ii) after the

Enforcement Date if and when required by the Security Trustee to give notice in a form acceptable to the Security Trustee to the Lessors under the Non-Guaranteed Switch Leases of the assignment of rights under the Finance Leases and (iii) after the Enforcement Date if and when required by the Security Trustee to give notice in a form acceptable to the Security Trustee to such persons as the Security Trustee may require of the assignment and/or charge of all or any part of the Charged Assets contained in the Debenture or made pursuant to clause 6.1. For the avoidance of doubt the Company shall not be obliged to give notice of the charge over the Earnings contained in the Debenture to any third party nor may the Security Trustee give any such notice prior to such time.

Clause 6.4 of the Debenture provides that the Company shall, if and when required by the Security Trustee acting on the instructions of the Majority Banks at any time after the Enforcement Date and to the extent that the same would not be contrary to any Telecommunications and Cable Law which is binding on the Company, execute such assignments in favour of the Security Trustee and/or the Beneficiaries of all or any its rights and benefits under the Principal Agreements and Licences (including, but not limited to, the giving of any notices to any party to a Principal Agreement) as the Security Trustee (acting on the instructions of the Majority Banks) may require.

Clause 9 of the Debenture provides that with the exception of those moneys (i) which relate to a particular claim and do not exceed £2,500,000, (ii) are paid under third party liability insurance to the relevant third party, or (iii) which relate to (a) Insurances taken out by any relevant landlord or superior landlord referred to in clause 5.1(h)(i)(B) of the Debenture, (b) Insurances of leasehold property or leasehold equipment in cases where either the relevant lessor is named as loss payee or naming the Security Trustee as loss payee would be contrary to the terms of the lease, and (c) Insurances in favour of lenders to any member of the TCN Group or Telewest where the relevant borrowing is (i) permitted borrowing (or a borrowing of Telewest not prohibited under the Deed of Subordination) and (ii) either a Finance Lease or secured by a Permitted Encumbrance and (iii) either the relevant lender is named as loss payee or naming the Security Trustee would be contrary to the terms of the relevant borrowing) all moneys receivable by virtue of any of the Insurances shall be paid to the Security Trustee (or if not paid by the insurers directly to the Security Trustee shall be held on trust for the Security Trustee) and shall, at the option of the Security Trustee, be (i) applied in replacing, restoring or reinstating the property or assets destroyed, damaged or lost (any deficiency being made good by the Chargor which owned the same) or (ii) (except where the Chargor concerned is obligated (as landlord or tenant) to lay out such moneys under any lease of any of the Charged Assets) credited (for a period not exceeding 30 days at the end of which period such moneys shall, at the option of the Security Trustee, be applied in accordance with either (i) above or (iii) below) to an account charged to the Security Trustee (on behalf of the Beneficiaries) in a manner acceptable to the Security Trustee and at the cost of the Chargor concerned as a continuing security for the payment and discharge of the Secured Obligations or (iii) (except where the Chargor concerned is obliged (as landlord, tenant, lessor or lessee) to lay out such insurance moneys under the provisions of any lease of any of the Charged Assets) applied in reduction of the Secured Obligations. Without prejudice to the foregoing provisions of clause 9 of the Debenture the Security Trustee agrees to negotiate with the Chargor concerned in good faith as to the application of any insurance proceeds paid to or held on trust for the Security Trustee.

Clause 11.2 of the Debenture provides that no purchaser or other person shall be bound or concerned to see or enquire whether the right of the Security Trustee or any Receiver to exercise any of the powers conferred by the Debenture has arisen or not or be concerned with

notice to the contrary or with the propriety of the exercise or purported exercise of such powers.

Clause 13.1 of the Debenture provides that the Debenture and the obligations of the Company under the Debenture shall:

- (a) secure the ultimate balance from time to time owing to the Beneficiaries and/or the Security Trustee by the Company notwithstanding the dissolution, bankruptcy, liquidation or other Incapacity or any change in the constitution of the Company or in the name or style thereof and shall be a continuing security notwithstanding any settlement of account or other matter whatsoever;
- (b) be in addition to, and shall not merge with or otherwise prejudice or affect, any present or future Collateral Instrument, Encumbrance, right or remedy held by or available to the Beneficiaries or any of them and/or the Security Trustee and may be enforced notwithstanding the same; and
- (c) not merge with or be in any way prejudiced or affected by the existence of any such Collateral Instruments, Encumbrance, rights or remedies or by the same being or becoming wholly or in part void, voidable or unenforceable on any ground whatsoever or by the Beneficiaries or any of them and/or the Security Trustee dealing with, exchanging, releasing, varying or failing to perfect or enforce any of the same, or giving time for payment or indulgence or compounding with any other person liable.
