Directors' responsibilities

United Kingdom company law requires the Directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Company as at the end of the financial period and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to

- * select suitable accounting policies and then apply them consistently,
- * make judgements and estimates that are reasonable and prudent,
- * state whether applicable accounting standards have been followed, and
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the system of internal control, for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes forming part of the financial statements
for the year ended 31 December 2013

1 Accounting policies

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards

The following principal accounting policies have been applied

Consolidated financial statements

The company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included in the consolidated financial statements of The Manitowoc Company Inc, a company incorporated in Wisconsin USA which prepares publicly available group financial statements. These financial statements therefore present information about the company as an individual undertaking and not about its group.

Cash flow statement

The company has taken advantage of the exemption conferred by Financial Reporting Standard 1 'Cash Flow Statements (Revised 1996)' not to prepare a cash flow statement on the grounds that at least 90% of the voting rights are controlled by the group headed by The Manitowoc Company Inc and the company is included in consolidated financial statements.

Investments

Investments are held at cost less impairment

Financial liabilities and equity

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.

Going Concern

The company has a commitment from its ultimate parent company which confirms that it and its subsidiary companies will not seek repayment of intercompany loans or interest thereon for a period of at least 12 months from the date of this report. As a result, the directors reasonably expect that the company has adequate resources to continue to operate as a going concern for the foreseeable future. Accordingly, the going concern basis is applied in preparing these financial statements.

2 Directors

The directors were not remunerated for their services to the company (2012 - £nil). The company does not have any employees other than the directors (2012 - none).

3 Profit from ordinary activities

The company has not entered into any transaction giving rise to any profit or loss during the current or preceding period and accordingly no profit and loss account has been prepared.
