### **Directors' Responsibilities Statement**

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and Company and of the profit or loss of the Group and Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- · make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures
  disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group's and the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Group and the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### 2 Accounting policies

### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

### Statement of compliance

The financial statements have been prepared in accordance with the small entities regimes of both the Companies Act 2006 and FRS 102 'The Financial Reporting Standard Applicable in the UK and Republic of Ireland'.

### Basis of preparation

The financial statements have been prepared under the historical cost convention except for any derivative financial instruments which are stated at their fair values.

The primary economic environment in which the Company operates is governed by the Great British Pound, and as such the Company financial statements have been prepared in this currency.

### Going concern

The financial statements are prepared on a going concern basis. In reaching their view on the preparation of the financial statements on a going concern basis, the Directors are required to consider whether the Company can continue in operational existence for at least 12 months from the date of signing this report. The continuing uncertain economic conditions present increased risks for all businesses, including those posed by the Coronavirus pandemic. Currently, there is a significant increase in economic uncertainty which is, for example, evidenced by more volatile asset prices and currency exchange rates.

In response to such conditions the Directors have carefully considered these risks, including an assessment of any uncertainty on the viability of the Company's business model and the extent to which they may affect the preparation of the financial statements on a going concern basis. Based on this assessment, the Directors consider that the Company maintains an appropriate level of capital and liquidity, sufficient to meet the demands of the business and the requirements which might arise in stressed circumstances. In addition, the Company's assets are assessed for recoverability on a regular basis and provision is made where appropriate. The Directors consider that the Company is not exposed to losses on these assets which would affect their decision to adopt the going concern basis.
