10.1 All monies received, recovered or realised by us of our enforcement powers under this Assignment will be applied in the following order, subject to claims having priority to the security created by this Assignment:

10.1.1 in payment to us of the Debt; and

10.1.2 in payment of any surplus to you or any other person entitled to it.

11. The Power of Attorney you grant us

You, by way of security, irrevocably appoint us and anyone we transfer our rights and/or obligations to under this Assignment to act on your behalf as your attorney and take any steps that we consider necessary in connection with (i) any interest conferred or intended to be conferred on us by or (ii) any of our rights, powers or remedies under, this Assignment and you ratify, or agree to ratify, and confirm whatever an attorney does under this clause.

12. Our powers

We may exercise any right or power under this Assignment without prior notice to you.

13. Delegation

We can delegate to any person all or any of our rights or powers.

14. We can redeem prior interests

We can redeem any prior interest or arrange the transfer of it to us and settle and pass the accounts to any third party concerned. We can do this at any time after this Assignment has become enforceable; or after any power given by any interest having priority to the security created by this Assignment has become exercisable.

15. Consolidation

The restriction on the right of consolidating mortgages in section 93 of the Law of Property Act 1925 or section 17 of the Conveyancing and Law of Property Act 1881 (as applicable) will not apply to this Assignment.

16. Our power to remedy

We may (but we don't have to) do all things which in our reasonable opinion are required to remedy any breach by you of this Assignment.

17. Representations

17.1 Each of you confirm that at all times:

17.1.1 immediately before assigning the Rights to us you were the sole legal and beneficial owner of the Rights and have the right to assign Rights to us;

17.1.2 the Agreement is in full force and effect and has not been amended, the Rights are free from any type of security (other than the security under this Assignment);

17.1.3 you are not aware of any dispute, claim or current or threatened proceedings which might materially affect the Rights;

17.1.4 if you are a company, this Assignment does not breach your memorandum or articles of association; and

17.1.5 this Assignment is not liable to be avoided or otherwise set aside in the event of your insolvency.

18. Indemnity

18.1 You must indemnify us on demand against any costs, losses or liabilities we or any receiver incur:

18.1.1 because of a breach by you of this Assignment; or

18.1.2 in exercising any powers or purported powers under or in connection with this Assignment.

19. Protection of purchasers

19.1 No purchaser or other person dealing with us or a receiver or any delegate needs to:

19.1.1 ask whether any power or authority being exercised has arisen and is exercisable or be concerned with any notice suggesting otherwise;

19.1.2 see whether any authority or delegation has lapsed or been revoked; or

19.1.3 ask how any money they pay is going to be used.

20. Costs and expenses

20.1 If we think we might, or if we have to, enforce or preserve our rights under, this Assignment or have to investigate any breach of this Assignment, you will promptly on demand pay us on a full indemnity basis our costs and expenses associated with us taking such action.

20.2 We will charge you interest in accordance with any agreement between you and us or (if there is no agreement) at a rate of 3% per year above the Bank of England base rate (as such base rate may change, and whenever such base rate is less than zero it shall be deemed to be zero), from the date the demand is made until the date on which you make payment, if you fail to pay us such costs and expenses on demand.

21. Additional security, rights and remedies

This Assignment is in addition to and independent of any other guarantee or security which we may hold at any time for any of the Debt. Our rights and remedies under this Assignment are in addition to, and not in substitution for, any rights or remedies provided by law.

22. Effectiveness of security

22.1 The security created under this Assignment and your obligations under it shall remain in full force and effect until we discharge it in writing even if any of the following or any other matter or thing occurs:

22.1.1 you or any other person:

(a) lacks capacity, power or authority or is subject to any insolvency or similar proceedings in any jurisdiction;

(b) undergoes a change in members or status (legal or otherwise);

22.1.2 we:

- (a) accept intermediate payment or discharge in whole or in part of the Debt;
- (b) make any new facility available to you or extend, increase, amend, renew or otherwise vary or waive the Debt or the terms of any facility (including the Agreement) or this Assignment in any such case, however fundamentally and whether or not resulting in the Debt or this Assignment becoming more onerous;
- (c) take any action (or do not take any action) against you or any other person in respect of any assets which you might hold;
- (d) agree to release any guarantee or security which we may hold from time to time or to enter into a payment plan with you or any other person;
- (e) grant time, waiver or consent to you or any other person;
- (f) transfer any of our rights under this Assignment or the Debt;
- (g) do, or fail to do, anything which might affect the enforceability of this Assignment;

22.1.3 any other agreement or security granted by you or any other person is not enforceable.

22.2 You waive any right you may have of first requiring us to proceed against or enforce any other rights or security or claim payment from any person before claiming from you under this Assignment.

22.3 Until the Debt has been unconditionally and irrevocably paid and discharged in full and no further Debt is capable of being outstanding you will not exercise any rights which you may have as a result of performing your obligations under this Assignment:

22.3.1 to be indemnified by any other party providing security under this Assignment;

22.3.2 to claim any contribution from any other party providing security under this Assignment;

22.3.3 to take the benefit of any of our rights under this Assignment or of any other guarantee or security taken by us pursuant to, or in connection with, this Assignment;

22.3.4 to bring legal or other proceedings for an order requiring any party providing security under this Assignment to make any payment, or perform any obligation, in respect of which any guarantee, undertaking or indemnity has been given by any other party providing security under this Assignment;

22.3.5 to exercise any rights of set-off against any other party providing security under this Assignment;

22.3.6 to claim or prove as a creditor of any other party providing security under this Assignment in competition to us.

If you receive any benefit, payment or distribution in relation to such rights you shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to us under or in connection with this Assignment to be repaid in full on trust for us and you shall promptly pay or transfer it to us.

23. New accounts

23.1 We may open a new account or accounts for you if we receive notice of any subsequent charge or other interest affecting the Rights.

23.2 If we do not open a new account then (unless we tell you in writing otherwise) any payment received by us after the date of the notice, will be treated as being paid into a new account and not in reduction of the Debt.

23.3 We may credit any payment we receive to a suspense account where it will remain for as long as we decide without reducing the Debt.

24. Payments made by you

24.1 You must make all payments without any set-off, deduction or withholding.

24.2 You will promptly pay to us additional sums that will make the net sum received by us equal to the full sum payable, had there been no deduction or withholding, if you are required by law to make any deduction or withholding from a payment.

24.3 You waive any present or future right of set off you have in respect of the Debt or payments under or in connection with this Assignment.

25. Calculations and certificates

Any rate or amount under this Assignment or in relation to the Debt that we certify or define will, unless there is a manifest error, be conclusive evidence of the relevant matter.

26. Currency conversion

26.1 Payments to us should be made in the currency in which they are due. If we receive any money which is in a different currency or if we need to convert any of the Debt or any order, judgment or award given in relation to a payment due from you into a different currency, we may convert this at the HSBC Exchange Rate. You must indemnify us on demand against any costs or losses that we incur because of that conversion.

26.2 You waive any rights you may have in any jurisdiction to pay any amount to us in a different currency or currency unit to the currency in which such amount is payable.

What's the HSBC Exchange Rate?

This is the rate we use to convert payments to and from currencies other than the currency of your payment. It's based on the foreign currency market for each currency we offer so changes constantly. The rate will depend on the size of the payment and whether we are buying currency (because you are receiving a payment) or selling currency (because you are making a payment).

27. Arrangements with others

We may grant time, vary, release or make any other arrangement in respect of the Debt or any security or guarantee in respect of it. It will not affect this Assignment or your liability for the Debt.

28. Set-off

We may use any money you have in any account with us (except for trust or client accounts) to pay off any amount owed to us under this Assignment.

29. Release of this Assignment

29.1 We shall at your request and cost do whatever is necessary to release and reassign to you our rights under this Assignment and the Rights from the security created under this Assignment once the Debt has been unconditionally and irrevocably paid and discharged in full and no further Debt is capable of being outstanding.

29.2 Any release of this Assignment or the Rights from this Assignment is conditional upon any payment or security received by us in respect of the Debt not being avoided, reduced or ordered to be refunded under any law relating to insolvency. We shall be entitled to recover from you the value or amount of any security or payment avoided, reduced or ordered to be refunded as if such release had not occurred.

30. Transfer of rights

30.1 You can't transfer any of your rights and obligations under this Assignment.

30.2 We can transfer any of our rights and obligations under this Assignment to anyone. You agree to sign any additional documents that are required to carry out any such transfer as soon as possible after we ask.

31. Sharing of information

You consent to us sharing any information about ¹ you, this Assignment, the Agreement, the Rights and/or the Debt with:

31.1 any person that we might transfer or have transferred our rights to under this Assignment or the Debt;

31.2 any person that we might enter into or have entered into any sub-participation with or any other transaction under which payments are to be made or may be made by reference to any of the documents detailing the Debt or any person who might or does invest in or finance such a transaction;

31.3 any company within the HSBC Group;

31.4 any rating agency so it can carry out its normal rating activities;

31.5 any person that we have to share that information with in connection with any litigation or similar proceedings;

31.6 any person that we are required or requested to share that information with by any court, regulatory authority or similar body, the rules of any stock exchange or under any applicable law or regulation;

¹. Insert if there are multiple parties to this Assignment

- 31.7 any insurer who is or who proposes to provide insurance to us in respect of the Debt; and
- 31.8 any affiliates or professional advisers of any of the above persons.

32. This Assignment

If any part of this Assignment is unenforceable, unlawful or void in any relevant jurisdiction, then that part will be separated from the rest of this Assignment in respect of the relevant jurisdiction. The rest of this Assignment will continue to be valid and enforceable.

33. Notices

33.1 Communication by post

33.2 Communication by electronic channel

If we send an email to you or use a platform or other electronic channel, the email will be deemed to be received at the time it is received in a legible format by you or, as applicable, at the time the notice of demand is notified to you on the relevant platform or electronic channel.

34. Counterparts

This Assignment may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Assignment.

35. Third party rights

35.1 Unless expressly provided to the contrary in this Assignment, a person who is not a party to this Assignment has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce, or enjoy the benefit of, any term of this Assignment.

35.2 The consent of any person who is not a party to this Assignment is not required to rescind or vary this Assignment at any time.
