PROGRESS IN THE LIQUIDATION

Asset realisations

Receipts and payments accounts for the Companies are attached at Appendix C. There have not been any realisations in the period.

HMRC

As a matter of course we obtain clearances from the corporation tax office, and the Enforcement & Insolvency Service ('EIS') which deals with VAT and PAYE and issues HMRC's claim for all taxes.

The original Joint Liquidators obtained corporation tax clearances during their period of appointment. They also made application to remove the Companies from VAT groups, however, the submissions coincided with the UK's first lockdown resulting from the COVID-19 pandemic. As a result, the applications were not considered for some months.

In the interim, the Companies' parent group took advantage of the deferral of VAT payments that was made available by HMRC. As a consequence, the Companies, being part of the VAT groups, were jointly and severally liable for the deferred VAT, and HMRC refused to confirm that the Companies have been removed from the VAT groups or issue clearances.

We have now been informed by the Companies' parent group that the deferred VAT has been settled, and final clearances have been obtained from EIS.

Creditors

There are no known creditors in the Liquidations.

Return on capital

First and final distributions in specie of the intercompany debtor balances owed to the Companies were made to their respective members on 11 May 2022.

Other matters

In addition to the above matters, we have dealt with all statutory matters required by legislation and administrative work incidental to our duties as Joint Liquidators in this Liquidation.

Joint Liquidators' remuneration

The Joint Liquidators' remuneration was approved on a time cost basis by the members.

Time costs to date of £17,764 have been incurred over 44 hours at an average rate of £404 per hour. Since our previous progress report, time costs of £11,338 were incurred over 33 hours at an average rate of £344 per hour.

As the Companies do not have any cash assets, the costs of liquidation, including expenses, will be met by a group company.

A detailed report of the time incurred and a narrative of the work done since our previous progress report is attached in Appendix D.

Joint Liquidators' expenses

A breakdown of expenses incurred and paid during the Liquidations is set out in Appendix E.

Release of the Joint Liquidators

The Joint Liquidators have not received any objections to their release from office and, therefore, will vacate office and be released from liability on the delivery of the Final Account to the Registrar of Companies.
