Directors' Report

For the year ended 24 December 2011

The Directors' present herewith their annual report, together with the financial statements for the year ended 24 December 2011.

Statement of Directors' responsibilities

Company Law requires the directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The directors acknowledge their responsibility for complying with the requirements of the Act with respect to accounting records and for the preparation of the accounts.

Results and Dividends

The profit for the period after taxation and extraordinary items was £ 15.00 (£15.00 2010). This has been transferred to the maintenance Reserve. The directors do not recommend the payment of a dividend.

Fixed assets

The company holds no fixed assets.

Research and Development

There was no research and development carried on in the period.

Future Developments

There are no future developments planned for the company.

Events since the end of the financial year

There have been no significant events since the end of the financial year.
