## THE DIRECTORS' REPORT

## YEAR ENDED 31 OCTOBER 2003

The directors present their report and the financial statements of the company for the year ended 31 October 2003.

## PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the company is the co-ordination of the activities of its subsidiaries and associates and property investment.

## **RESULTS AND DIVIDENDS**

The trading results for the year, and the company's financial position at the end of the year are shown in the attached financial statements.

The directors have not recommended a dividend.

## **DIRECTORS**

The directors who served the company during the year were as follows:

R F M Adair N J C Turnbull

The company is a wholly owned subsidiary and the interests of the group directors are disclosed in the financial statements of the ultimate parent company.

## **DIRECTORS' RESPONSIBILITIES**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company at the end of the year and of the profit or loss for the year then ended.

In preparing those financial statements, the directors are required to select suitable accounting policies, as described on page 3, and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The directors must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## THE DIRECTORS' REPORT (continued)

## YEAR ENDED 31 OCTOBER 2003

## **AUDITORS**

A resolution to re-appoint Thompson Taraz as auditors for the ensuing year will be proposed at the annual general meeting in accordance with section 385 of the Companies Act 1985.

Registered office: 1 Portland Place London W1B 1PN Signed by order of the directors

## INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS YEAR ENDED 31 OCTOBER 2003

We have audited the financial statements on pages 6 to 15 which have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets and the accounting policies set out on pages 9 to 10.

This report is made solely to the company's shareholders, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

### RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

## BASIS OF AUDIT OPINION

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

## INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS (continued) YEAR ENDED 31 OCTOBER 2003

## **OPINION**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 October 2003 and of its profit for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

## WESTVIEW INVESTMENTS LIMITED NOTES TO THE FINANCIAL STATEMENTS

## **YEAR ENDED 31 OCTOBER 2003**

## 1. ACCOUNTING POLICIES

## Basis of accounting

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets.

The financial statements present information about the company as an individual undertaking and not about its group. The company is exempt from preparing group accounts under Section 228 of the Companies Act 1985 as it is a subsidiary company of a parent company, which is registered in Scotland.

## Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the company is wholly owned and its parent publishes a consolidated cashflow statement.

### **Turnover**

Turnover represents rental and service charge income excluding value added tax and arises solely in the United Kingdom.

## Investment properties

All completed investment properties are revalued by the Directors annually and by independent valuers' at least every five years, to reflect current market value. Changes in the value of investment properties are disclosed as movements on revaluation reserve, except for permanent diminutions, which are changed to the profit and loss account.

No depreciation or amortisation is provided in respect of freehold investment property in accordance with Statement of Standard Accounting Practice 19 (revised). The Directors consider that this accounting policy results in the financial statements giving a true and fair view. Profit and losses on the sale of investment properties are calculated on the difference between proceeds and net carrying amount, whether at valuation or historical cost.

Investment properties under development are included in the balanced sheet at cost or, in the case of a property which was a previously completed investment property, at book value with subsequent expenditure at cost. Cost includes interest and other attributable direct overheads less rents received where appropriate.

Investment property sales are reflected in the accounts if an unconditional contract is exchanged by the balance sheet date the sale has been completed before the date of approval of the accounts.

## NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 OCTOBER 2003

## 1. ACCOUNTING POLICIES (continued)

## **Deferred** taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold;

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

## Investments in subsidiary undertakings

Investments in subsidiary and associated undertakings are accounted using the equity method whereby the original cost of the investment is adjusted for changes in the value of the underlying net assets. Changes in the net asset value of subsidiaries allocated to a revaluation reserve except permanent diminution in value which are charged to the profit and loss account.

### **Investments**

Fixed asset listed investments are stated at market value.

Listed investments held as current assets are stated at the lower of cost or market value, and unlisted current asset investments are stated at the lower of cost and estimated net realisable value.

## 2. TURNOVER
