### Statement of Directors' Responsibilities

The Directors are responsible for preparing the financial statements in accordance with applicable United Kingdom law and regulations.

Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising Financial Reporting Standards 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' ("FRS 102") and applicable law).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that financial period. In preparing these financial statements, the directors are required to:

- state whether applicable United Kingdom Accounting Standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements;

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. Under applicable law and regulations, the directors are also responsible for preparing a Directors' Report, that complies with that law and those regulations.
