The director considers that the company is entitled to exemption from the requirement to have an audit under the provisions of section 249A(1) of the Companies Act 1985. Shareholders holding 10% or more of the nominal value of the company's issued share capital have not issued a notice requiring an audit. The director acknowledges his responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985, and for preparing accounts which give a true and fair view of the state of affairs of the company as at 31st March 1995 and of its profit for the year then ended in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to the accounts so far as applicable to the company.

In preparing these abbreviated accounts the director has taken advantage of the exemptions conferred by Schedule 8 Part III A of the Companies Act 1985, and have done so on grounds that, in his opinion, the company qualifies as a small company and is entitled to make use of the exemptions.
