## **Servefix Limited**

### **Statement of Directors' Responsibilities**

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to :

- ✧ select suitable accounting policies and apply them consistently;
- ✧ make judgements and estimates that are reasonable and prudent;
- ✧ state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- ✧ prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Auditors' Report**  
**To the Members of Servefix Limited**  
**For the year ended 30 September 1997**

We have audited the accounts on pages 5 to 12 which have been prepared under the historical cost convention as modified by the revaluation of land and buildings and the accounting policies set out on page 8.

**Respective responsibilities of directors and auditors**

As described on page 3, the company's directors are responsible for the preparation of accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes an examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

**Opinion**

In our opinion the accounts give a true and fair view of the state of the company's affairs at 30 September 1997 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

## **Servefix Limited**

### **Notes to the accounts for the year ended 30 September 1997**

#### **1 Principal accounting policies**

The accounts have been prepared in accordance with applicable accounting standards. Compliance with Statement of Standard Accounting Practice 19 (SSAP 19) "Accounting for Investment Properties" requires departure from the requirements of the Companies Act 1985 relating to depreciation and an explanation for the departure is given below. A summary of the more important accounting policies, which have been consistently applied, is given below.

##### **Accounting convention**

The accounts have been prepared under the historical cost convention as modified by the revaluation of investment properties.

##### **Investment properties**

In accordance with SSAP 19, investment properties are revalued annually and the surplus or deficit is transferred to the revaluation reserve. No depreciation is provided in respect of investment properties. The Companies Act 1985 requires all properties to be depreciated. However, this requirement conflicts with SSAP 19 and the director considers that to depreciate would not give a true and fair view.

##### **Turnover**

Turnover comprises rental income. It all arose in the United Kingdom and is stated net of value added tax.

##### **Deferred tax**

Deferred tax is provided using the liability method in respect of all material timing differences to the extent that the director considers that a liability will crystallise in the foreseeable future.

##### **Cash flow statement**

The company has taken advantage of the exemption permitted by Financial Accounting Standard 1 whereby a cash flow statement need not be prepared by a small company as defined in the Companies Act 1985.
