WestBridge Fund Managers Limited

Directors' Report For the Year Ended 31 October 2020

The directors present their report and the audited financial statements for the year ended 31 October 2020.

Principal activity

The principal activity of WestBridge Fund Managers Limited ("the company") is to provide fund management services and operational support to funds investing in profitable, growing SMEs. The company is regulated by the Financial Conduct Authority.

Results and business review

The operating profit for the year amounted to £5,000 (2019 - £5,000).

Together with associated co-invest monies, WestBridge II has a total of £140 million to deploy in around 10-12 transactions.

The year to 31 October 2020 saw a continuing of the progress made in prior years in respect of both the development of WestBridge itself, as well as making new investments and adding value to existing investments in WestBridge II LP ("WestBridge II") and the continuing divestment of companies in WestBridge SME Fund LP ("WestBridge I").

We have made a significant investment in the team over the last two to three years and this has continued in the current year with the appointment of a specialist Investor Relations Director. I am delighted to be able to report that the investment team has now been fully integrated and is working extremely well together, as evidenced by a number of complex transactions completed within the constraints of Covid. A strong platform exists which should position the business well for future growth.

The key highlights by fund are as follows:

WestBridge II (targeting to invest in UK SME's with an enterprise value of up to £50m):

Two further investments were completed during the year as follows:

- The £28 million MBO of Aptus Utilities Ltd, a leading multi-utility services provider, designing, building and installing gas, water, electricity and street lighting infrastructure for customers in the housebuilding sector.
- The £22 million "Buy and Build" platform institutional purchase of Bespoke Healthcare Ltd, a leading provider of at home care for high acuity physical disabilities, learning disabilities and autism.

Since the year end, we have completed the £46 million MBO of Eque2 Ltd, a leading construction ERP vendor which has consistently outperformed the market in recent years. In addition the first acquisition by Bespoke, an £8 million acquisition was completed in mid-January 2020.

WestBridge I:

Two further investments were sold during the period, leaving just two remaining investments in the Fund. To date, 159% of total investment cost has been returned from six realisations and this is expected to increase to over 200% when the penultimate investment is realised during 2021. It is anticipated that the final unrealised investment will be sold during 2022.

WestBridge Fund Managers Limited

Directors' Report (continued) For the Year Ended 31 October 2020

Going Concern

The company is financed by management fees received from private equity partnerships which WestBridge operates. These partnerships are funded via legally binding contracts with its investors, which taken with the existing cash resources of the company, are sufficient for the company to settle its fixed costs and obligations as they fall due for a period of at least twelve months from the date of signing these accounts. Despite the risks of the Covid-19 pandemic the company believes the investors will continue to honour their commitments as required. The directors have assessed the impact of Covid-19 on the company's cash flows and specifically the impact on management fees received from the two main private equity partnerships; WestBridge SME Fund LP and WestBridge II LP. In both cases management fee income was not impacted by market fluctuations as these fees were based on acquisition costs in the case of WestBridge SME Fund LP and on commitments in the case of Westbridge II LP. It was determined that any potential impact on operating performance was minimal. Consequently, the company continues to prepare its financial statements on a going concern basis.

Directors

The directors who served during the year were:

G Davies
J C Wakefield
V C Kendall
T P G Whittard (appointed 7 December 2020)

Disclosure of information to auditor

Each of the persons who are directors at the time when this directors' report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Auditor

The auditor, BDO LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board on 22 February 2021 and signed on its behalf by:

J C Wakefield
Director

WestBridge Fund Managers Limited

Directors' Responsibilities Statement For the Year Ended 31 October 2020

The directors are responsible for preparing the directors' report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare audited financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

WestBridge Fund Managers Limited

Independent Auditor's Report to the Members of WestBridge Fund Managers Limited

Opinion

We have audited the financial statements of WestBridge Fund Managers Limited ("the company") for the year ended 31 October 2020 which comprise the statement of comprehensive income, the statement of financial position, the statement of changes in equity and related notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 October 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

WestBridge Fund Managers Limited

Independent Auditor's Report to the Members of WestBridge Fund Managers Limited (continued)

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us: or
- the financial statements are not in agreement with the accounting records and returns: or
- certain disclosures of directors' remuneration specified by law are not made: or
- we have not received all the information and explanations we require for our audit: or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

WestBridge Fund Managers Limited

Independent Auditor's Report to the Members of WestBridge Fund Managers Limited (continued)

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

WestBridge Fund Managers Limited

Notes to the Financial Statements For the Year Ended 31 October 2020

1. General information

WestBridge Fund Managers Limited is a private company limited by shares and incorporated in England and Wales under the Companies Act 2006. The address of the registered office is given on the company information page and the nature of the company's operations and its principal activities are set out in the directors' report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of FRS 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with Section 1A of FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Turnover

Turnover comprises fees for services attributable to the provision of investment management services, corporate directors' fees, fund management fees and recovery of fundraising costs in the UK and are stated exclusive of VAT. Management fees and directors' fees are recognised when the service is provided. Negotiation fees are recognised when there is reasonable probability that the cost will be recovered.

2.3 Going concern

The company is financed by management fees received from private equity partnerships which WestBridge operates. These partnerships are funded via legally binding contracts with its investors, which taken with the existing cash resources of the company, are sufficient for the company to settle its fixed costs and obligations as they fall due for a period of at least twelve months from the date of signing these accounts. Despite the risks of the Covid-19 pandemic the company believes the investors will continue to honour their commitments as required. The directors have assessed the impact of Covid-19 on the company's cash flows and specifically the impact on management fees received from the two main private equity partnerships; WestBridge SME Fund LP and WestBridge II LP. In both cases management fee income was not impacted by market fluctuations as these fees were based on acquisition costs in the case of WestBridge SME Fund LP and on commitments in the case of Westbridge II LP. It was determined that any potential impact on operating performance was minimal. Consequently, the company continues to prepare its financial statements on a going concern basis.

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

2. Accounting policies (continued)

2.4 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Fixtures and fittings	- 4 years
-----------------------	-----------

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the statement of comprehensive income.

2.5 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.7 Financial instruments

Financial liabilities are classified according to the substance of the financial instrument's contractual obligations, rather than its legal form.

The company's cash at bank and in hand and trade and other debtors and its trade and other creditors and bank overdrafts are measured initially at transaction price, including transaction costs, and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

2.8 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

2. Accounting policies (continued)

2.9 Finance costs

Finance costs are charged to the statement of comprehensive income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

2.10 Operating leases: the company as lessee

Rentals paid under operating leases are charged to the statement of comprehensive income on a straight line basis over the lease term.

2.11 Provisions for liabilities

Provisions are made where an event has taken place that gives the company a legal or constructive obligation that probably requires settlement by a transfer of economic benefit, and a reliable estimate can be made of the amount of the obligation.

Provisions are charged as an expense to the statement of comprehensive income in the year that the company becomes aware of the obligation, and are measured at the best estimate at the statement of financial position date of the expenditure required to settle the obligation, taking into account relevant risks and uncertainties.

When payments are eventually made, they are charged to the provision carried in the statement of financial position.

2.12 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the statement of comprehensive income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the statement of financial position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

3. Judgements in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, the members have made the following judgements:

- Determine whether leases entered into by the group either as a lessor or lessee are operating or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from a lessor to the lessee on a lease by lease basis.
- Determine whether there are indicators of impairment of the group's tangible fixed assets. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

Other key sources of estimation uncertainty

- Tangible fixed assets (see note 9)

Tangible fixed assets, other than investment properties, are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.

- Bad debts

The company invoices non-executive directors' fees to its portfolio companies in line with investment agreements. Where these have remained unpaid for more than six months, the company has used its judgment to assess the likely recoverability of these fees and has made specific provisions in the statement of comprehensive income.

4. Turnover

All turnover arose within the United Kingdom.

5. Other operating income

	2020 £	2019 £
Other operating income	<u>59,108</u>	<u>61,775</u>

Income from the recharge of expenses to portfolio companies, which are owned by funds managed by the company.

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

6. Operating profit

The operating profit is stated after charging:

	2020 £	2019 £
Fees payable to the company's auditor and associates for the audit of the company's annual financial statements	7,000	6,500
Fees payable to the company's auditor and associates for non-audit services	22,516	30,000
Depreciation of tangible fixed assets owned by the company	5,760	4,590
Operating leases - plant and machinery	-	-
Operating leases - property	<u>16,871</u>	<u>17,301</u>

7. Employees

The average monthly number of employees, including directors, during the year was 10 (2019 - 8).

8. Taxation

	2020 £	2019 £
Corporation tax		
Current tax on profits for the year	8	5,108
Adjustments in respect of previous periods	-	1,441
Total current tax	<u>8</u>	<u>6,549</u>
Deferred tax		
Origination and reversal of timing differences	4,525	(2,166)
Adjustments in respect of prior periods	-	(1,289)
Effect of tax rate change on opening balance	(160)	-
Total deferred tax	<u>4,365</u>	<u>(3,455)</u>
Taxation on profit on ordinary activities	<u><u>4,373</u></u>	<u><u>3,094</u></u>

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

8. Taxation (continued)

Factors affecting tax charge for the year

The tax assessed for the year is higher than (2019 - higher than) the standard rate of corporation tax in the UK of 19.00% (2019 - 19.00%). The differences are explained below:

	2020 £	2019 £
Profit on ordinary activities before tax	<u>5,000</u>	<u>5,000</u>
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 19.00% (2019 – 19.00%)	950	950
Effects of:		
Expenses not deductible for tax purposes	3,583	1,737
Adjustments to tax charge in respect of previous periods	-	1,441
Adjustments to deferred tax	(160)	(1,034)
Total tax charge for the year	<u><u>4,373</u></u>	<u><u>3,094</u></u>

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

9. Tangible fixed assets

	Fixtures and fittings £
Cost or valuation	
At 1 November 2019	64,311
Additions	7,398
	<u>71,709</u>
At 31 October 2020	<u>71,709</u>
Depreciation	
At 1 November 2019	50,124
Charge for the year	5,760
	<u>55,884</u>
At 31 October 2020	<u>55,884</u>
Net book value	
At 31 October 2020	<u>15,825</u>
At 31 October 2019	<u>14,187</u>

10. Debtors

	2020 £	2019 £
Trade debtors	74,151	31,897
Amounts owed by group undertakings	446,763	815,936
Other debtors	-	-
Prepayments and accrued income	103,673	85,392
	<u>624,587</u>	<u>933,255</u>

Impairment losses are recognised in the statement of comprehensive income for the year in respect of bad and doubtful trade debtors.

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

11. Creditors: amounts falling due within one year

	2020 £	2019 £
Trade creditors	27,955	151,659
Amounts owed to group undertakings	283,093	380,917
Corporation tax	8	5,108
Other creditors	-	-
Accruals and deferred income	455,315	378,266
	<u>766,371</u>	<u>915,950</u>

12. Deferred taxation

	2020 £	2019 £
At beginning of year	1,358	(2,097)
Charged to profit or loss	(4,365)	3,455
At end of year	<u>(3,007)</u>	<u>1,358</u>

The provision for deferred taxation is made up as follows:

	2020 £	2019 £
Accelerated capital allowances	(3,007)	(2,269)
Short term timing differences	-	3,627
	<u>(3,007)</u>	<u>1,358</u>

13. Share capital

	2020 £	2019 £
Allotted, called up and fully paid		
55,000- ordinary shares of £1 each	<u>55,000</u>	<u>55,000</u>

WestBridge Fund Managers Limited

Notes to the Financial Statements (continued) For the Year Ended 31 October 2020

14. Reserves

The company's capital and reserves are as follows:

Called up share capital

Called up share capital represents the nominal value of the shares issued.

Profit and loss account

The profit and loss account represents cumulative profits or losses, net of dividends paid and other adjustments.

15. Commitments under operating leases

At 31 October 2020 the company had future minimum lease payments under non-cancellable operating leases as follows:

	2020 £	2019 £
