The Director is satisfied that the Company is entitled to exemptions under section 249A(1) of the Companies Act 1985 and that no members have requested an audit pursuant to section 249B(2) of the Act.

The Director acknowledges her responsibilities for:

- (i) ensuring that the Company keeps proper accounting records which comply with section 221 of the Companies Act 1985.
- (ii) preparing accounts which give a true and fair view of the state of affairs of the Company as at the end of the financial period and of its loss for the financial period in accordance with the requirements of section 226 of the Companies Act 1985, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the Company.

The Director has taken advantage of the exemptions conferred by Section A of Part III of Schedule 8 of the Companies Act 1985 and has done so on the grounds that in her opinion the Company is entitled to those exemptions as a Small Company.

The Director has relied on special exemptions available to Small Companies on the grounds that the Company qualifies as a Small Company by virtue of Section 247 of the Companies Act 1985.

The Financial Statements were approved by the Director on 21st March 1996.

NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS

FOR THE PERIOD 11TH APRIL 1994 TO 30TH APRIL 1995

1) ACCOUNTING POLICIES

The following are the more important Accounting Policies adopted by the Company :-

a) Accounting convention

The Financial Statements have been prepared under the historical cost convention.

b) Accounting standards

The Financial Statements have been prepared in accordance with accounting standards.

c) Cash flow statement

The Company has taken advantage of the exemption available per FRS1 for small Companies not to prepare a cash flow statement.

d) Turnover

Turnover comprises the invoiced value of goods and services supplied by the Company, net of Value Added Tax and trade discounts.

e) Depreciation

Tangible fixed assets are depreciated at annual rates to write off the cost of the assets over their estimated useful lives using the following methods and rates:-

	<u>% per annum</u>	<u>Method</u>
Fixtures and Fittings	15	reducing balance
Motor Vehicles	25	straight line

f) Going concern

The balance sheet shows that the Company's liabilities exceed its assets. The Company is dependent on the financial support of its Director and bankers. The Director considers that it is appropriate to prepare the Financial Statements on a going concern basis on the assumption that this financial support will continue.

g) Deferred taxation

Deferred taxation is provided on the liability method on all short term timing differences and all other material differences at the current rate of tax, unless in the opinion of the Director there is a reasonable probability that such a liability will not arise in the foreseeable future.

h) Hire purchase commitments

Assets obtained under finance leases and hire purchase contracts are capitalised as tangible fixed assets and are depreciated over the shorter of the lease term and their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the Company. The interest element of the rental obligations is charged to the Profit and Loss Account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.
