In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;

The Director believes that they have acted in a way that has promoted the success of the Company for the benefit of its members as a whole.

Audit and small companies exemptions

2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied, unless otherwise stated.

2.01 Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 100 Application of Financial Reporting Requirements ("FRS 100") and Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

These financial statements have been prepared on the going concern basis under the historical cost convention, and in accordance with the Companies Act 2006.

In determining if the business is a going concern, the Directors have considered the Company's financial forecasts, budgets, cash flows, liquidity, contingent liabilities and pension funding. After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for at least the next 12 months from the date of signing. Additionally, the Company is a subsidiary of WPP plc and is therefore subject to the overall WPP plc financing arrangements. Accordingly, they continue to adopt the going concern as a basis in preparing the financial statements.

Disclosure exemptions adopted

In preparing these financial statements the Company has taken advantage of all disclosure exemptions conferred by FRS 101. Therefore these financial statements do not include:

- Paragraphs 45(b) and 46 to 52 of IFRS 2, 'Share-based payments' (details of the number and weighted-average exercise prices of share options, and how the fair value of goods or services received was determined);
- IFRS 7, 'Financial instruments: disclosures';

 - 38B-D (additional comparative information),
 - 40A-D (requirements for a third balance sheet),
 - 111 (cash flow statement information), and

- IAS 7, 'Statement of cash flows'
- Paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective);

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The Directors believe that there are no significant accounting judgements or critical estimates that apply to the Company.

Amendments to International Financial Reporting Standards (IFRSs) and the new Interpretations that are mandatorily effective for the current year

In the current year, the company has applied a number of amendments to IFRSs or IFRIC interpretations issued by the International Accounting Standards Board (IASB) that are mandatorily effective for an accounting period that begins on or after 1 January 2018. There have been no material impacts on the disclosures or on the amounts reported in the financial statements due to the amendments to accounting standards or IFRIC interpretations.
