The declaration of solvency, sworn by the directors prior to the commencement of the liquidation, showed cash in hand of £47,307 and an inter-company debt of £11,292. The cash is held at Moneytopia Bank Limited, a group company, co-guarantor and a party to the financial restructuring, on behalf of the Company and the intercompany debt represented an estimate of distributions due from the liquidation of Cattles Holdings Limited ('CHL').

During the liquidation period, the Company received an interim distribution of £11,584.38 from the liquidation of CHL. A future distribution, was dependent on the success of CHL's VAT claim against HM Revenue & Customs ('HMRC'). The Joint Liquidators have decided that the costs of keeping the liquidations open is likely to outweigh the recovery and we have decided to conclude the liquidation without regard to further realisations from CHL.

The Company had no known creditors. A notice to creditors to prove their claims in the liquidation was advertised in the London Gazette on 9 September 2016. No creditors were forthcoming as a result of this advertisement.

The surplus assets of the Company were distributed to the Guarantee Creditors in accordance with the Co-Guarantors Compromise Deed shortly after the period covered by this report..

Tax

All pre-liquidation corporation tax matters were handled by the group tax advisors Deloitte who prepared and submitted all outstanding returns up to the date of the commencement of the liquidation to HMRC. At the request of the joint liquidators, HMRC subsequently confirmed that the Company has no outstanding corporation tax returns or liabilities, that it will not raise enquiries into any pre or post liquidation periods and that it has no objection to the liquidators taking steps to bring the liquidation to a conclusion.

A similar assurance was sought and received in respect of PAYE. The Company has never been registered for VAT.

Distributions

There were no distributions made during this period.

Joint Liquidators' remuneration and expenses

A written resolution was passed on 1 September 2016 that the remuneration of the Joint Liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company.

I attach as Appendix 1 a schedule summarising the Joint Liquidators' time costs incurred and drawn during the year. The schedule also summarises the time costs by grade of staff and activity.
