The director considers that the company is entitled to exemption from the requirement to have an audit under the provisions of section 477 of the Companies Act 2006 ("the Act") and members have not required the company to obtain an audit for the year in question in accordance with section 476 of the Act The director acknowledges his responsibility for ensuring that the company keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at 31 October 2012 and of its profit for the period then ended in accordance with requirements of sections 394 and 395 of the Act and which otherwise comply with the requirements of the Companies Act 2006 relating to the financial statements so far as applicable to the company

The financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006 and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The financial statements were approved and authorised for issue by the board and were signed on its behalf on

A P Mason

Director

The notes on pages 4 to 7 form an integral part of these financial statements

### Notes to the financial statements

#### 1 Accounting policies

#### 1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### 1.2 Cash flow

The financial statements do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### 1.3 Turnover

Turnover comprises revenue recognised by the company in respect of the disposal of property exclusive of Value Added Tax Property disposal income is recognised on completion

#### 14 Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exception Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date

#### 1.5 Current tax

The current tax charge is based on the profit for the year and is measured at the amounts expected to be paid based on the tax rates and laws substantively enacted by the balance sheet date. Current and deferred tax is recognised in the profit and loss account for the period except to the extent that it is attributable to a gain or loss that is or has been recognised directly in the statement of total recognised gains and losses.

#### 1.6 Investments

Investments are held at cost less any provision for impairment

### Notes to the financial statements

#### **Accounting policies - (continued)**

#### 1.7 Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into

A financial liability exists where there is a contractual obligation to deliver cash or another financial asset to another entity, or to exchange financial assets or financial liabilities under potentially unfavourable conditions. In addition, contracts which result in the entity delivering a variable number of its own equity instruments are financial liabilities. Shares containing such obligations are classified as financial liabilities

Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account The carrying amount of the liability is increased by the finance cost and reduced by payments made in respect of that liability Finance costs are calculated so as to produce a constant rate of charge on the outstanding liability

#### 1.8 Stock

Stock represents a property held for sale and is valued at the lower of cost and it's net realisable value

#### 2 **Operating profit**

During the year, no director received any emoluments (2011 f.Nil)
