PENSIONS AND ACTUARIAL SERVICES LIMITED

**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2018**

The Directors present their report and the audited financial statements of Pensions and Actuarial Services Limited (the "Company") for the year ended 31 December 2018.

Directors' responsibilities statement

The Directors are responsible for preparing the Directors' Report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare audited financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing the financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the audited financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the audited financial statements comply with the Companies Act 2006.

The Directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors

The Directors who served during the year and up to the date of signing were:

W Slattery
P Pedonti (appointed 25 October 2018)
R Evans (resigned 31 July 2018)

Qualifying third party indemnity provisions

Liability insurance is maintained for the Directors of the Company. The Directors also have the benefit of indemnities in relation to the Company which are qualifying third party indemnity provisions as defined by Sections 234 of the Companies Act 2006 which were in force during the year and at the date of approval of the financial statements.

PENSIONS AND ACTUARIAL SERVICES LIMITED

**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2018**

Disclosure of information to auditors

Each of the persons who are Directors at the time when this Directors' Report is approved has confirmed that:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

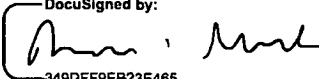

Independent auditors

The auditors, PricewaterhouseCoopers LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

Small companies note

In preparing this report, the Directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board on September 27, 2019 and signed on its behalf.

PENSIONS AND ACTUARIAL SERVICES LIMITED

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF PENSIONS AND ACTUARIAL SERVICES LIMITED

Report on the audit of the financial statements

Opinion

In our opinion, Pensions and Actuarial Services Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A, and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report, which comprise: the statement of financial position as at 31 December 2018; the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the company's trade, customers, suppliers and the wider economy.

PENSIONS AND ACTUARIAL SERVICES LIMITED

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF PENSIONS AND ACTUARIAL SERVICES LIMITED (CONTINUED)

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 December 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 1, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

PENSIONS AND ACTUARIAL SERVICES LIMITED

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF PENSIONS AND ACTUARIAL SERVICES LIMITED (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to: prepare financial statements in accordance with the small companies regime; and take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

PENSIONS AND ACTUARIAL SERVICES LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. General information

Pensions and Actuarial Services Limited (the "Company"), is a private company limited by shares and is incorporated in England and Wales. The address of the registered office is DST House, St Marks Hill, Surbiton, Surrey, KT6 4QD.

The Company acts as a developer and vendor of specialist computer software in the pensions and actuarial industry.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Going concern

The Directors have considered the Company's current and future prospects and its availability of financing, and are satisfied that the Company can continue to pay its liabilities as they fall due for a period of at least 12 months from the date of approval of these financial statements. Accordingly, the financial statements have been prepared on a going concern basis.

2.3 Foreign currency translation

Functional and presentation currency

The Company's functional and presentational currency is British Pound Sterling.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Comprehensive Income.

PENSIONS AND ACTUARIAL SERVICES LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

2. Accounting policies (continued)**2.4 Turnover**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Licences

Term licence turnover arising from agreements involving insignificant development work not essential to the core functionality of the system delivered is recognised evenly over the term of the licence from the point when the software is delivered, provided collectability is probable.

Services

If development and consulting services are provided on a time and materials basis the turnover arising thereon is recognised as the services are provided. If such services are provided under a fixed price contract then turnover is recognised on a percentage of completion basis.

Maintenance

Turnover arising from software maintenance agreements is recognised rateably over the relevant period of the maintenance contract.

Deferred income on contracts

Deferred income represents maintenance fees billed in advance for periods of up to 12 months, licence fees billed which do not fulfil the revenue recognition criteria, other fees invoiced in advance for which services will be rendered within the next 12 months, and the amount by which progress payments and any provisions for foreseeable losses on contracts exceeds revenue recognised.

2.5 System development

Computer programming and development costs are charged to the Statement of Comprehensive Income as incurred.

2.6 Pensions**Defined contribution pension plan**

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the Company in independently administered funds.

PENSIONS AND ACTUARIAL SERVICES LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

2. Accounting policies (continued)

2.7 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of Financial Position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

2.8 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.9 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.10 Share based payments

The ultimate parent company operates a share based compensation plan. Share options are granted to selected members of the board of Directors, management and key employees.

The total amount to be expensed over the vesting period is determined by reference to the fair value of the options granted, excluding the impact of any non-market vesting conditions (for example profitability and sales growth targets). Non-market vesting conditions are included in assumptions about the number of options that are expected to vest.

PENSIONS AND ACTUARIAL SERVICES LIMITED
--

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. In preparing these financial statements the Directors have made the following judgements and estimations:

- Impairment of trade and other debtors

The Directors make an assessment at the end of each financial year of whether there is objective evidence that a trade or other debtor is impaired. When assessing impairment the Directors consider factors including the current credit rating of the debtor, the age profile of receivables, recent correspondence and trading activity, and historical experience of cash collections from the debtor. No impairment has been made for the year ended 31 December 2018 (2017: £NIL). See note 5 for the carrying amounts of debtors at the statement of financial position date.

4. Employees

The average monthly number of employees, including Directors, during the year was 13 (2017: 11).

5. Debtors: amounts falling due within one year

	2018 £000	2017 £000
Trade debtors	761	409
Amounts owed by group undertakings	5,388	4,277
Other debtors	4	4
Deferred tax asset	9	8
Prepayments and accrued income	64	10
	6,226	4,708

Amounts owed by group undertakings are unsecured, interest free and repayable on demand.

PENSIONS AND ACTUARIAL SERVICES LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

6. Creditors: amounts falling due within one year

	2018	2017
	£000	£000
Trade creditors	22	14
Amounts owed to group undertakings	1,367	402
Taxation and social security	117	167
Other creditors	16	27
Accruals and deferred income	754	723
	<u>2,276</u>	<u>1,333</u>

Amounts owed to group undertakings are unsecured, interest free and payable on demand.

7. Pension commitments

The Company operates a defined contributions pension scheme. The assets of the scheme are held separately from those of the Company in an independently administered fund. Contributions totalling £14,000 (2017: £14,000) were payable to the fund at the reporting date and are included in other creditors.

8. Post balance sheet events

There are no post balance sheet events requiring disclosure in the Company's financial statements.

9. Controlling party

The Company's immediate controlling party is DSTI Holdings Limited, a company registered in England and Wales.

Until 16 April 2018, the Company's ultimate controlling party was DST Systems Inc., a company incorporated in the United States of America, with an address at 333 West 11th Street, 5th Floor, Kansas City, Missouri, 64105-1594, USA.

On 16 April 2018, SS&C Technologies Holdings, Inc., a leading global provider of financial services software and software-enabled services listed on the NASDAQ stock exchange, completed the acquisition of DST Systems Inc. and hence from this date the ultimate parent undertaking and controlling party is SS&C Technologies Holdings, Inc. The address of its registered office is 80 Lamberton Road, Windsor, Connecticut, CT 06095, USA.

The parent undertaking of the smallest and largest group which contains the Company, and for which Group financial statements are prepared is SS&C Technologies Holdings, Inc.

Copies of the Group financial statements of SS&C Technologies Holdings, Inc. are available from the Securities and Exchange Commission, Division of Corporation Finance, 100 F Street, NE Washington, DC 20549, United States of America.
