## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2010

---

### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### 1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts. Commissions are recognised as and when a right to consideration for performance is recognised. This right to consideration is obtained as the company's obligations are fulfilled and measured at fair value.

#### 1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Impr'mnts to leasehold premises	Over the term of the lease
Office equipment	20% per annum reducing balance method
Fixtures & fittings	25% per annum reducing balance method
Motor vehicles	25% per annum reducing balance method

#### 1.4 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

#### 1.5 Stock

Stock is valued at the lower of cost and net realisable value.

The 'spares' class of inventories are defined as fungible assets under FRS 18 since they are indistinguishable from one another and in accordance with Accounting Standards can be aggregated and valued at average cost. The directors feel that this valuation of stock provides the fairest practicable approximation to cost.

During the year the company has implemented a group-wide policy of writing down slow moving stock items based on the date of the last movement in stock quantities, assessed on an item-by-item basis. The write down provided during the year totalled £197,583.

#### 1.6 Pensions

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

#### 1.7 Deferred taxation

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

#### 1.8 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the accounting date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.
