**STRATEGIC REPORT
FOR THE YEAR ENDED 31 DECEMBER 2017**

The directors present their strategic report with the financial statements of the company for the year ended 31 December 2016.

The principal activity of Omnia Asset Management Limited ("the Firm") in the year under review was that of agent in the provision of investment advisory services.

The company is registered with the Financial Conduct Authority under the registration number 181522.

REVIEW OF BUSINESS

The results for the year and financial position of the company are as shown in the annexed financial statements.

The company has taken advantage of the exemption available to small and medium sized companies concerning key performance indicators.

PRINCIPAL RISKS AND UNCERTAINTIES

The risks involved are those associated with providing advice to a single independent hedge fund manager. The advisory fees earned are dependent upon fluctuations in financial markets which cannot be predicted with any degree of reasonable certainty. However, the advice provided aims to ensure that portfolios are structured in an appropriate way to to minimise risks to an acceptable level and thus maximise advisory fees, which are based upon client fund valuations.

The Firm is required to comply with the Financial Conduct Authority regulatory regime and thus the directors must ensure that there are sufficient capital resources available to meet its obligations as they fall due. External independent compliance consultants are used to ensure the Financial Conduct Authority reporting regime is adhered to.

BUSINESS OBJECTIVE AND STRATEGY

The business objective is to increase the company's income over the medium and long term by building and maintaining good working relationships with hedge fund managers by demonstrating the value of the advisory services, measured in comparison to industry benchmarks.

MEASUREMENT AND REVIEW OF PERFORMANCE IN THE COMPANY

The directors are closely involved in the business utilising monthly financial reporting to control costs and to ensure the company retains sufficient financial resources to comply with the Financial Conduct Authority capital adequacy regulations.

ON BEHALF OF THE BOARD:

Mr J Moghtader-Mojdehi - Director

24 April 2018

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 DECEMBER 2017**

The directors present their report with the financial statements of the company for the year ended 31 December 2017.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of the provision of investment advisory services.

DIVIDENDS

An interim dividend of 0.11 per share was paid on 31 March 2017. The directors recommend that no final dividend be paid.

The total distribution of dividends for the year ended 31 December 2017 will be £12,167.

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 DECEMBER 2017**

PILLAR 3 DISCLOSURE

Background

Omnia Asset Management Limited ("the Company") is authorised and regulated by the Financial Conduct Authority and as such is subject to minimum regulatory capital requirements. The company is categorised by the FCA, for capital purposes, as a limited licence company. It is an investment advisory company; it has no trading book exposures. The Company is not required to prepare consolidated reporting for prudential purposes. The disclosure has been prepared by the firm in accordance with BIPRU 11 and summarises the material disclosure the firm is required to make under Pillar 3 of the Capital Requirements Directive.

Risk management objective and policies

The business strategy and risk appetite are determined by the directors. Based on this, a risk management framework, geared to the specific risks that are applicable to the company, is devised and put into practice.

The Company's main categories of risk and its management objectives and policies for these categories are as follows:

Risk	Strategy/process to manage risk	Structure of risk management function	Risk reporting and management systems	Policy for hedging and mitigating risk
Operational risk	All of the Company's procedures are documented in its compliance manual which is read by all key staff.	The company is small and has a simple operating infrastructure. Compliance is overseen by the Compliance Officer.	Report compiled quarterly by the Compliance Officer and discussed at director's meetings.	The opportunity to mitigate operational risk is review regularly by the director.
Business risk	The Company's risk appetite and its willingness to accept business risk are defined by its director.	The risk management function's overseen by the director.	Business risk is discussed at regular Board meetings.	Business strategy is managed and updated on a day to day basis by the Company's director.
Credit risk	No credit is extended to clients.	A list of the firm's exposures is maintained as part of the accounting function.	Quarterly management accounts detail the Company's exposure to credit risk.	Management fees are collected within one month.
Market risk	The main market risk relates to the Company's monthly management fees.	Risk is monitored as part of the accounting function.	Quarterly management accounts reviewed regularly by the director.	No foreign currency hedges are entered into by the company.
Financial risk	The risk of Company breaching regulatory capital requirements or falling short of its cash flow obligations is monitored as part of the accounting function.	Reviewed by director. Where necessary external advice is sought from compliance consultants and or accountants.	Internal reporting to the firm is on a quarterly basis. Regulatory reporting to the FCA is on a quarterly basis.	Potential deficits are identified at an early stage and further capital/loans injected as necessary.

Capital Resources

The Company's capital resources are detailed in the table below.

	£'s
Tier 1 capital resources	230,000
Tier 2 capital resources	-
Tier 3 capital resources	-
Deductions from total capital e.g. illiquid assets	-
Total capital resources as at 31st December 2017	<u>230,000</u>

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 DECEMBER 2017**

Capital Resource Requirements

The Firm's Pillar 1 requirement is calculated as the higher of:

1. The Base Capital Requirement (£98K)
2. The sum of :
 The Credit Risk Capital Requirement; and
 The Market Risk Capital Requirement. (£240K)
3. The Fixed Overheads Requirement (3 months expenditure of the Company) (£25K)

In the opinion of the directors the higher of these three as at the year end is the Fixed Overheads Requirement.

As a result of this the Company has concluded that its Tier 1 capital is sufficient to cover its Pillar 1 and Pillar 2 requirements.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 DECEMBER 2017**

AUDITORS

The auditors, Kounnis And Partners Ltd, will be proposed for re-appointment at the forthcoming Annual General Meeting.

REPORT OF THE INDEPENDENT AUDITORS TO THE SHAREHOLDERS OF OMNIA ASSET MANAGEMENT LIMITED

Opinion

We have audited the financial statements of Omnia Asset Management Limited (the 'company') for the year ended 31 December 2017 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows and Notes to the Statement of Cash Flows, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's shareholders, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE SHAREHOLDERS OF
OMNIA ASSET MANAGEMENT LIMITED**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

1. STATUTORY INFORMATION

Omnia Asset Management Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

Omnia Asset Management Limited is a limited company incorporated in the United Kingdom. The address of the registered office is given in the company information page of these financial statements.

The financial statements have been prepared in accordance with applicable accounting standards including Financial Reporting Standards 102 "The Financial Reporting Standard Applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Turnover

Turnover is measured at the fair value of the consideration received or receivable net of VAT. The policies adopted for the recognition of turnover are as follows:

Rendering of services

When the outcome of a transaction can be estimated reliably, turnover from management fees including performance fees is recognised when the company obtains right to consideration. Where the outcome cannot be measured reliably, turnover is recognised only to the extent of the expenses recognised that are recoverable.

Interest receivable

Interest income is recognised using the effective interest method.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on cost
Computer equipment	- 25% on cost

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 DECEMBER 2017

2. **ACCOUNTING POLICIES - continued**

Tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Foreign currency transactions are initially recognised by applying to the foreign currency amount the spot exchange rate, or an average rate where this rate approximates the actual rate, between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency at the balance sheet date are retranslated using the closing rate prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognised in profit or loss in the period in which they arise.

Employee benefits

When employees have rendered service to the company, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The company operates a defined contribution pension plan for the benefit of its employees. Contribution are expensed as they become payable.

Investments

Fixed asset investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value through profit or loss. Where fair value cannot be measured reliably, then the investment is carried at cost less impairment.

Debtors and creditors receivable/payable within one year.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs and are measured subsequently at amortised cost using the effective interest method.

Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.
