 - (vi) notify the Lender of the location of the Specified Equipment, ensure that such location is suitable for its use or storage and keep the Specified Equipment at that location unless agreed otherwise by the Lender.
- (b) No Chargor will, without the prior written consent of the Lender:
- (i) make any modification or permit any modification to be made to the Specified Equipment if the effect of such modification may be to reduce the value of the Specified Equipment;
 - (ii) grant or extend any lease, agreement for lease or licence, or part with or share possession or occupation, of its Land;
 - (iii) grant any licence or permission to any occupier to assign, underlet, part with possession or occupation or change the use of its Land;
 - (iv) determine, accept or agree to accept the surrender of any leasehold interest in any of its Land;
 - (v) apply to the Land Registry to register the whole or any part of its Land as commonhold land or establish a commonhold association in respect of any of its Land; or
 - (vi) make a material change to the use of any of its Land.
- (c) Each Chargor will promptly notify the Lender if:
- (i) it receives any notice under section 146 of the Act; or
 - (ii) any proceedings are commenced against it for the forfeiture of any lease of its Land.

8.4 Intellectual Property

Each Chargor will:

- (a) take all reasonable steps to safeguard and maintain its Rights in connection with Intellectual Property, including obtaining all necessary registrations and paying all applicable renewal fees and licence fees;
- (b) not discontinue the use of the Intellectual Property; and
- (c) use all reasonable endeavours to protect its Intellectual Property against theft, loss, destruction, unauthorised access, copying or use by third parties and, promptly on becoming aware of any material infringement of, or challenge to, any of its Intellectual Property, inform the Lender and take any steps at the cost of such Chargor as the Lender may from time to time reasonably specify in relation to the infringement or challenge.

8.5 Investments

- (a) After an Event of Default occurs which is continuing, each Chargor will:
 - (i) promptly pay over to the Lender all distributions relating to its Investments; and
 - (ii) exercise all voting and other Rights attached to the Investments in any manner which the Lender may direct. Until such time each Chargor will be entitled to exercise those Rights.
- (b) Each Chargor will comply with all conditions and obligations assumed by it in respect of any of its Investments where failure to comply would in the reasonable opinion of the Lender materially adversely affect the interests of the Lender under the Finance Documents.

9 ENFORCEMENT

9.1 Time for enforcement

The Security created by a Chargor under this Deed will become enforceable on the occurrence of an Event of Default which is continuing or if a Chargor so requests.

9.2 Powers on enforcement

At any time after the Security created by a Chargor under this Deed have become enforceable, the Lender may (without prejudice to any other of its rights and remedies and without notice to any Chargor) do all or any of the following:

- (a) serve notice on any bank at which an Other Account is open, terminating the Chargor's right to operate such Other Account;
- (b) exercise all the Rights given to mortgagees by the Act, as varied and extended by this Deed, without the restrictions contained in sections 103 or 109(1) of the Act;

- (c) exercise the power of leasing, letting, entering into agreements for leases or lettings or accepting or agreeing to accept surrenders of leases in relation to any Security Asset, but without the restrictions imposed by sections 99 and 100 of the Act;
- (d) to the extent that any Security Asset constitutes Financial Collateral, appropriate it and transfer the title in and to it to the Lender insofar as not already transferred, subject to paragraphs (1) and (2) of Regulation 18 of the Financial Collateral Arrangements (No.2) Regulations 2003;
- (e) subject to clause 10.1 (Appointment), appoint one or more persons to be a Receiver or Receivers of all or any of the Security Assets;
- (f) appoint an administrator of any Chargor; and
- (g) taking any other action it may decide in any jurisdiction other than England.

9.3 Disposal of the Security Assets

In exercising the powers referred to in clause 9.2 (Powers on enforcement), the Lender or any Receiver may sell or dispose of all or any of the Security Assets at the times, in the manner and order, on the terms and conditions and for the consideration determined by it.

9.4 Application of proceeds

All money received by the Lender or a Receiver under or in connection with the Finance Documents (whether during, or before, enforcement of the Security Documents) will be applied in the following order of priority:

- (a) first, in or towards payment of all amounts payable to the Lender, any Receiver or their Officers under clause 13 (Expenses, liability and indemnity) and all remuneration due to any Receiver under or in connection with the Security Documents;
- (b) secondly, in or towards payment of the Secured Obligations in such order as is required by the Facility Agreement (and, if any of the Secured Obligations are not then payable, by payment into a suspense account until they become payable); and
- (c) thirdly, in payment of any surplus to the Chargor or other person entitled to it.

10 APPOINTMENT AND POWERS OF RECEIVER

10.1 Appointment

A Receiver must be appointed by an instrument in writing, and otherwise in accordance with the Insolvency Legislation. The appointment of a Receiver may be made subject to such limitations as are specified by the Lender in the appointment. If more than one person is appointed as a Receiver, each person will have power to act independently of any other, except to the extent that the Lender may specify to the contrary in the appointment. Subject to the Insolvency Legislation, the Lender may remove or replace any Receiver.

10.2 Powers

A Receiver will have the powers given to him by the Insolvency Legislation, the powers given to a mortgagee or a receiver by Act, but without the restrictions contained in section 103 of the Act and the power to do, or omit to do, on behalf of a Chargor, anything which that Chargor itself could have done, or omitted to do, if its assets were not the subject of Security and that Chargor were not in insolvency proceedings. Except to the extent provided by law, none of the powers described in this clause 10 will be affected by an Insolvency Event in relation to a Chargor.

10.3 Status and remuneration

- (a) A Receiver will be the agent of the relevant Chargor, which will be solely responsible for his acts and defaults and for the payment of his remuneration.
- (b) The Lender may from time to time determine the remuneration of any Receiver.

10.4 Third parties

A person dealing with the Lender or with a Receiver is entitled to assume, unless it has actual knowledge to the contrary, that:

- (a) those persons have the power to do those things which they are purporting to do; and
- (b) they are exercising their powers properly.

11 PRESERVATION OF SECURITY

11.1 Waiver of defences

Neither the Security created by this Deed nor the obligations of any Chargor under this Deed will be affected by an act, omission, matter or thing which, but for this clause 11.1, would reduce, release or prejudice those Security or any of those obligations under this Deed (whether or not known to it or the Lender) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Obligor or any other person;

- (e) any amendment (however fundamental) or replacement of a Finance Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

11.2 Immediate recourse

Each Chargor waives any right it may have of first requiring the Lender to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

11.3 Appropriations

Until the expiry of the Security Period, the Lender may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Lender in respect of the Secured Obligations, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Obligations or otherwise) and no Chargor will be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Obligations.

11.4 Deferral of Chargors' rights

Until the expiry of the Security Period, and unless the Lender otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents:

- (a) to be indemnified by any other Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Lender's rights under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Lender;
- (d) to bring legal or other proceedings for an order requiring any Chargor to make any payment, or perform any obligation, in respect of which a Chargor has granted security under this Deed;
- (e) to exercise any right of set-off against any Chargor; and/or
- (f) to claim or prove as a creditor of any Chargor in competition with the Lender.

If a Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Lender by the Chargors under or in connection with the Finance Documents to be repaid in full and shall promptly pay or transfer the same to the Lender or as the Lender may direct for application in accordance with the terms of this Deed.

11.5 Chargors' intent

Without prejudice to the generality of Clause 11.1 (Waiver of defences), each Chargor expressly confirms that it intends that the Security created or expressed to be created in favour of the Lender pursuant to this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents.

12 DURATION OF THE SECURITY

- (a) The liabilities of each Chargor under the Finance Documents and the Security created by the Security Documents will continue until the Secured Obligations have been irrevocably and unconditionally paid or discharged in full, regardless of any intermediate payment or discharge in whole or in part.
- (b) If any payment by a Chargor or any other security provider or any release given by the Lender (whether in respect of the Secured Obligations or any security for them or otherwise) is avoided or reduced as a result of an Insolvency Event or any similar event:
 - (i) the liability of such Chargor under this Deed will continue as if the payment, release, avoidance or reduction had not occurred; and
 - (ii) the Lender will be entitled to recover the value or amount of that security or payment from such Chargor, as if the payment, release, avoidance or reduction had not occurred.
- (c) Section 93 of the Act will not apply to the Security Documents.

13 EXPENSES, LIABILITY AND INDEMNITY

- (a) Each Chargor will, within three Business Days of demand, pay all legal and other costs and expenses (including any stamp duty, registration or other similar taxes) incurred by the Lender or by any Receiver in connection with the Security Documents. This includes any costs and expenses relating to the enforcement or preservation of the Security Assets or any of their respective Rights under the Security Documents and any amendment, waiver, consent or release required in connection with the Security Documents.
- (b) Neither the Lender nor a Receiver nor any of their Officers will be in any way liable or responsible to a Chargor for any loss or liability of any kind arising from any act or omission by it of any kind (whether as mortgagee in possession or otherwise) in relation to the Security Assets or the Security Documents, except to the extent caused by its own gross negligence or wilful misconduct.

- (c) Each Chargor will, within three Business Days of demand, indemnify each of the Lender, a Receiver and their respective Officers in respect of all costs, expenses, losses or liabilities of any kind which it incurs or suffers in connection with:
 - (i) anything done or omitted in the exercise of the powers conferred on it by the Security Documents, unless it was caused by its gross negligence or wilful misconduct;
 - (ii) a claim of any kind (whether relating to the environment or otherwise) made against it which would not have arisen if the Security created by the Security Documents had not been granted and which was not caused by its gross negligence or wilful misconduct; or
 - (iii) any breach by the Chargor of the Finance Documents.
- (d) The Lender, any Receiver and their respective Officers will be entitled to be indemnified out of the Security Assets in respect of the actions, proceedings, demands, claims, costs, expenses and liabilities referred to in this clause 13.

14 POWER OF ATTORNEY

- (a) Each Chargor, by way of security, irrevocably appoints each of the Lender and any Receiver severally to be its attorney to do the following:
 - (i) at any time, anything which the Chargor is obliged to do under the Finance Documents and which the Chargor has failed to do within 10 Business Days of such obligation arising; or
 - (ii) at any time following the occurrence of an Event of Default which is continuing:
 - (A) anything which the Chargor is obliged to do under the Finance Documents; or
 - (B) which the attorney may require to exercise any of the Rights conferred on it by the Security Documents or by law.
- (b) Each Chargor agrees, on the request of the Lender or any Receiver, to ratify and confirm all such action taken.

15 REMEDIES

- (a) The Rights created by this Deed are in addition to any other Rights of the Lender against the Chargors or any other security provider under any other documentation, the general law or otherwise. They will not merge with or limit those other Rights, and are not limited by them.
- (b) No failure by the Lender to exercise any Right under this Deed will operate as a waiver of that Right. Nor will a single or partial exercise of a Right by the Lender preclude its further exercise.

- (c) If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision in any other respect or under the law of any other jurisdiction will be affected or impaired in any way.

16 NOTICES

Any communications to be made under or in connection with this Deed will be made in accordance with clause 24 (Communications) of the Facility Agreement.

17 MISCELLANEOUS

17.1 Accession of Affiliates

- (a) To the extent that any Affiliate of the Company is required by the terms of the Finance Documents to provide Security over its assets under English law, it may do so by executing a Deed of Accession and such Affiliate will on the date which such Deed of Accession is executed by it become a party to this Deed in the capacity of a Chargor and this Deed will be read and construed for all purposes as if such company had been an original party to this Deed as a Chargor (but for the avoidance of doubt the security created by such company will be created on the date of the Deed of Accession).
- (b) Each Chargor (other than the Company) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Company to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor will be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.

17.2 Other Accounts

At any time before the Security created by this Deed has become enforceable, in the absence of any directions from the Lender to the contrary, any amount permitted by the terms of the Finance Documents to be paid into an Other Account will on payment into such account stand released from the fixed charge created by clause 3.4 (Fixed charge) and will stand subject to the floating charge created by clause 3.5 (Floating charge), provided that such release will in no respect prejudice the continuance of any fixed charge created by clause 3.4 (Fixed charge) in respect of any other amount.

18 GOVERNING LAW AND JURISDICTION

18.1 Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

18.2 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a "Dispute").

- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

This Deed has been executed as a deed, and it has been delivered on the date stated at the beginning of this Deed.
