THE ORIGINAL GIFT COMPANY LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2003

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertaking comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 248 of the Companies Act 1985 not to prepare group accounts.

The accounts have been prepared on a going concern basis. The validity of the going concern basis is dependent on the continued financial support of the company's shareholders and directors to enable the company to continue trading.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

1.3 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
