NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2005

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The accounts have been prepared on a going concern basis. The validity of the going concern basis is dependent on the continued financial support of the company's shareholders and directors to enable the company to continue trading.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

1.2 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the director, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
