Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts,

the directors are required to:

select suitable accounting policies and then apply them consistently;

#### To the Shareholders of Auto Trader Holland Limited:

We have audited the accounts on pages 4 to 9 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

## Respective responsibilities of directors and auditors

As described on page 2 the company's directors are responsible for the preparation of the accounts in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the accounts and of whether the accounting policies are appropriate to the circumstances of the company, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

### Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the company at 1 April 2001 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
