### **NOTES TO THE ABBREVIATED ACCOUNTS** **FOR THE YEAR ENDED 30 JUNE 2007**

#### **1 ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

The company meets its day-to-day working capital requirements through support given by Linfield Limited. That company has undertaken to continue to provide the necessary support for the next twelve months following the date of the signature of the company's balance sheet. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from the withdrawal of the support by that company.

##### **Accounting convention**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

##### **Turnover**

Turnover represents the net invoiced value of warehousing and distribution services, excluding value added tax.

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Freehold property	- 2% on cost
All other assets	- 25% on cost

No depreciation has been charged on the laboratory. This will be depreciated from the date that it is commissioned.

The directors perform annual impairment reviews in accordance with the requirements of FRS15 and FRS11 to ensure that the carrying value is not lower than the recoverable amount.

##### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

##### **Pensions**

The company operates a defined contribution pension scheme. Contributions payable for the year are charged in the profit and loss account.
