Strategic report

Principal activity and review of the business

The Company's principal activity continues to be the prime contractor offering design and build capital replacement projects of communications systems and associated projects, plus associated managed services — operations maintenance and customer training. There have not been any significant changes in the Company's principal activities in the year under review.

The Directors are of the opinion that the Company is a going concern. See note 1 to the financial statements

The Company's branch activities in the Kingdom of Saudi Arabia are regulated by its commercial licence to operate and, as such, has served a single customer since its formation due to its status as prime contractor to its single customer. Therefore, the Company has no intention to seek new contracts with other customers.

The Company's customer, the Ministry of Defence, has the ability to levy financial penalties and/or require remedial action in the event that performance standards are not achieved. The Company monitors actual performance against anticipated performance on a monthly basis

2014 was another challenging year for GPT, with delays in getting work packages onto contract

The Company's key financial and other performance indicators during the year were as follows

| | 2014 | 2013 | Change |
|---------------------------|---------|----------|----------|
| | SAR 000 | SAR 000 | % |
| | | | |
| Turnover | 822,342 | 672,862 | +22% |
| O | 40.00 | (42.825) | . 1 4507 |
| Operating profit / (loss) | 19,287 | (43,025) | +145% |
| Shareholders' funds | 75,246 | 60,410 | +25% |
| | 15,210 | 00,110 | . 2570 |
| Order intake | 657,626 | 748,381 | -12% |
| | | | |
| Net funds | 233,387 | 212,130 | +10% |

Company's turnover increased by 22% when compared to 2013

The Company reported an operating profit in 2014 compared to an operating loss in 2013. The operating loss in the prior year arose due to additional costs associated with securing new work under the P3 contract which were not brought on to contract.

The overall shareholders' funds increased in the year by SAR 15m

Order intake for the year decreased by 12 % compared to last year. The 2013 order intake included a large order for the renewal of the 3-year OM&T contract

Strategic report (continued)

Future developments

The margin performance of the Company is well established and the contracts are designed with fairly predictable margin levels in mind. The Company expects to continue to meet its growth expectations and obligations under its customer contracts and attain its financial targets over time accordingly

The focus this year has very much been on managing the development of momentum in the P3 programme having secured OM&T contract renewal in 2013

Principal risks and uncertainties

The Company remains the sole provider of communication systems and associated projects and services to its customer

The Company retains its exclusive arrangement with its customer by providing efficient and cost effective services in addition to maintaining a strong relationship with the UK Ministry of Defence both in the Kingdom of Saudi Arabia and the UK

The Company has no loan arrangements and a sufficient working capital for its needs, therefore the Company has no interest rate exposure

The Company has immaterial exposure to Foreign Exchange risk as its cash inflows and outflows are primarily in Saudi Arabian Riyals

The Company is not exposed to any other form of financial risk

Allegations have previously been made regarding a group of subcontractors. These matters are the subject of investigation by the UK authorities and were previously the subject of a claim for damages by the subcontractor group More details are set out in note 14 to the financial statements

Statement of Directors' responsibilities in respect of the Strategic Report, Directors' Report and the financial statements

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of GPT Special Project Management Limited

We have audited the financial statements of GPT Special Project Management Limited for the year ended 31 December 2014 set out on pages 7 to 16

The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice)

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www frc org uk/auditscopeukprivate

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 December 2014 and of its profit for the vear then ended.
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice, and
- have been prepared in accordance with the Companies Act 2006

Emphasis of matter - uncertain outcome of investigation

In forming our opinion on the financial statements, which is not modified, we have considered the disclosure made in note 14, which explains that it is not practicable for the Directors to state the impact on the financial statements, if any, of the investigation by the UK authorities referred to As the ultimate outcome of this matter cannot presently be determined, no provision for any liability which might result has been made in the financial statements

Independent auditor's report to the members of GPT Special Project Management Limited (continued)

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of Directors' remuneration specified by law are not made,
- · we have not received all the information and explanations we require for our audit

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules

The Company has taken advantage of the exemption in Financial Reporting Standard No 1 (Revised) not to prepare a cashflow statement on the grounds that a parent undertaking includes the Company in its own published financial statements

Going Concern

The Directors have adopted a going concern basis for preparing the financial statements. In so doing, they have considered the business activities as well as the Company's principal risks and uncertainties. The Directors are satisfied that the Company will be able to operate within the level of its resources for the foreseeable future. For this reason the Company continues to adopt the going concern basis in preparing its financial statements.

Note 14 discloses that certain allegations have been made in connection with the Company's dealings with a subcontractor group. The Directors do not believe that these matters will affect the Company's ability to continue as a going concern for the foreseeable future.

Tangible fixed assets and depreciation

Tangible fixed assets are recorded at cost less accumulated depreciation. Provision is made for impairment Depreciation is provided over the estimated useful economic life of each of the assets using the straight line method at the following annual rates.

Motor vehicles

- over 2 to 4 years

IT equipment

- over 3 years

Fixtures and fittings

- over 4 years

Taxation

The charge for taxation is based upon the profit/loss for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19

GPT is tax exempt from Saudi Arabian Government taxes on profits arising from its customer contracts

Revenue and Profit Recognition

Revenue represents sales made by the Company under its customer contracts

The Company's long-term contract arrangements are accounted for under SSAP9, Stocks and Long-term Contracts Capital replacement project contract revenue is recognised when the Company has obtained the right to consideration in exchange for its performance. This is usually when a separately identifiable project milestone has been completed and accepted by the customer.

Attributable profit is recognised on such contracts as appropriate to their stage of completion. Profit is calculated by reference to estimates of contract revenue and forecast costs after making suitable allowances for risks related to performance milestones yet to be achieved. Service contract revenue is measured at the fair value of the consideration received or receivable.

Amounts recoverable on contracts are included in debtors and represent turnover recognised in excess of payments on account

1 Accounting policies (continued)

Post-retirement benefits

Certain employees of the Company are participating members of the Airbus Group UK Pension Scheme which provides benefits based on final pensionable pay. The assets of the scheme are held separately from those of the Company. The Company is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis and therefore, as required by FRS 17 'Retirement Benefits', accounts for the scheme as if it was a defined contribution scheme. As a result, the amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.

Provisions

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation

Provisions for Warranties

The Company has an obligation under its customer contracts to provide defects warranties to the UK Ministry of Defence in respect of project works carried out in relation to systems and civils (construction) based work included within the scope of the respective project

GPT Management regularly monitors the potential exposure under such projects in relation to the warranty provisions within the contracts

2 Analysis of turnover and profit on ordinary activities before taxation

All turnover and profit on ordinary activities before taxation originates in the Kingdom of Saudi Arabia and is derived from the Company's principal activity

14 Contingent Liabilities

Certain allegations have been made in connection with the Company's dealings with a subcontractor group. These allegations have been notified to the UK authorities and in August 2012 the UK Serious Fraud Office announced that it had decided to open an investigation into these allegations. The Directors are not in a position to assess the outcome of the investigation, nor are they in a position to assess the financial implications, if any, and it is not practicable for the Directors to state the impact, if any, of this matter on the financial statements.

The contracts with the subcontractor group were terminated. This termination led to a claim from the subcontractor group for damages, as referred to in the previous years' financial statements. The subcontractor's claims in respect of repudiatory breach and misrepresentation were determined 2013 with no liability to GPT. The Directors believe that any remaining liabilities to the subcontractor group are adequately provided for in the financial statements and that no contingent liability remains.

15 Related party disclosures

As the Company is a wholly owned subsidiary of Airbus Group N V (formerly, EADS N V), it has taken advantage of the exemption in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties)

16 Commitments

There was no capital commitment as at 31 December 2014 (2013 KSAR 560 3)

17 Ultimate parent undertaking and parent undertaking of larger group of which the Company is a member
