## **DIRECTORS' REPORT**

The directors present their annual report on the affairs of Power Magnetics and Electronic Systems Limited ("the Company") and the audited financial statements for the year ended 31 December 2012

## **PRINCIPAL ACTIVITY AND BUSINESS REVIEW AND FUTURE PROSPECTS**

The principal activity is that of a holding company. The company will not trade in the foreseeable future but will continue to hold certain investments in subsidiary undertakings.

## **PRINCIPAL RISK AND UNCERTAINTIES**

The company holds investments in subsidiary companies and is therefore exposed to the risk of impairment. The risk is managed through close management of trading entities supporting the value of the investments.

## **DIVIDENDS**

An interim dividend of £nil was paid during the year (2011: £19,765,739). The directors propose the payment of a final dividend of £13,905,058 (2011: £nil).

## **DIRECTORS**

The directors, who served during the year and to the date of signing, unless otherwise specified, are listed on page 1.

## **GOING CONCERN**

After making appropriate enquiries and considering the recent economic uncertainty, the Board's view is that the Company has adequate resources to continue in existence for the foreseeable future. The company has no dependency on any external borrowings, all creditors are intergroup and if needed in the future has the support of its ultimate parent company, Ultra Electronics Holdings plc. They therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements.

## **AUDITOR**

Each person who is a director at the date of approval of this report confirms that:

- So far as the directors are aware, there is no relevant audit information of which the company's auditor is unaware, and
- The directors have taken all the steps they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Approved by the Board and signed on its behalf by

R. Sharma  
Director

## **STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF POWER MAGNETICS AND ELECTRONIC SYSTEMS LIMITED**

We have audited the financial statements of Power Magnetics and Electronic Systems Limited for the year ended 31 December 2012 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF POWER MAGNETICS AND ELECTRONIC SYSTEMS LIMITED (CONTINUED)**

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit
