This report has been prepared in accordance with special provisions related to small companies within Part 15 of the Companies Act 2006.

Principal activities

The Company is a member of the Reckitt Benckiser group of companies (the "Group"). The principal activity of the Company during the year and up to the date of approval of these Financial Statements was to act as a finance company for other Group companies. The Company carried out the strategy intended by the Company Directors.

In 2019, the Group commenced a project to simplify its group structure by the elimination of a number of dormant or redundant companies. As part of this project, simplification of the Company's Balance Sheet followed by a solvent liquidation is being considered. Accordingly, the Directors have not prepared the Financial Statements on a going concern basis. The effect of this is explained in Note 1 to the Financial Statements.

The Directors of the Company who held office during the year and up to the date of signing of the Financial Statements, unless otherwise stated, were as follows:

Richard Mark Greensmith
Gurveen Singh (resigned 16 April 2020)

Reckitt Benckiser Expatriate Services Limited

Directors' Report to the members of Reckitt Benckiser Expatriate Services Limited (continued) For the Year Ended 31 December 2019

Statement of Directors' responsibilities in respect of the Directors' Report and the Financial Statements

The Directors are responsible for preparing the Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law they have elected to prepare the Financial Statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *'The Financial Reporting Standard applicable in the UK and Republic of Ireland'*.

Under company law the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these Financial Statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable, relevant and reliable;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so (as explained in note 1, the Directors do not believe that it is appropriate to prepare these Financial Statements on a going concern basis).

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Results for the year and movement on reserves

The Financial Statements for the year ended 31 December 2019 show a profit of £18,000 (2018 - profit of £14,000) which has been added to reserves (2018 - added to reserves).

The Directors do not recommend the payment of a dividend (2018 - £Nil).

Future developments

Subject to the conclusion of the due diligence phase, the Directors intend to make the Company dormant with the ultimate objective of placing it into liquidation.

Independent auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Political contributions

The Company made no political donations or incurred any political expenditure during the year.

- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Emphasis of matter - non-going concern basis of preparation

We draw attention to the disclosure made in note 1 to the Financial Statements which explains that the Financial Statements are now not prepared on the going concern basis for the reason set out in that note. Our opinion is not modified in respect of this matter.

Directors' Report

The Directors are responsible for the Directors' Report. Our opinion on the Financial Statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the Directors' Report and, in doing so, consider whether, based on our Financial Statements audit work, the information therein is materially misstated or inconsistent with the Financial Statements or our audit knowledge. Based solely on that work:

Directors' responsibilities

As explained more fully in their statement set out on page 2, the Directors are responsible for the preparation of the Financial Statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

Reckitt Benckiser Expatriate Services Limited

Notes to the Financial Statements For the Year Ended 31 December 2019

1. Accounting Policies

1.1 General Information

Reckitt Benckiser Expatriate Services Limited is a private company limited by shares and is incorporated in England and Wales. The address of the registered office is given on the Company Information page at the beginning of these statutory Financial Statements. The nature of the Company's operations and its principal activities are set out in the Directors' Report on pages 1 to 3.

1.2 Statement of Compliance

The Financial Statements have been prepared in compliance with United Kingdom accounting standards, including Financial Reporting Standard 102, "*The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland*" ("FRS 102") and the Companies Act 2006.

1.3 Basis of Preparation

As discussed in the Principal activities section of the Directors' Report, in 2019 the Group commenced a project to simplify its group structure by the elimination of a number of dormant or redundant companies. As part of this project, the Company is being considered for solvent liquidation. Accordingly, the Directors have not prepared the Financial Statements on a going concern basis.

The Financial Statements have been prepared on a breakup basis as at 31 December 2019. As a consequence, the current assets have been measured and presented at their realisable values. The current liabilities are measured and presented at their expected settlement values. The preparation of Financial Statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see Note 2).

1.4 Financial Reporting Standard 102 – Reduced Disclosure Exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these Financial Statements, as permitted by FRS 102 for qualifying entities:

- the requirements of section 3 Financial Statement Presentation paragraph 3.17(d) and section 7 Statement of Cash Flows not to prepare a Statement of Cash Flows; and
- the requirements of section 33 Related Party Disclosures paragraph 33.7 not to disclose key management personnel compensation in total.

The Company's results are included in the publicly available consolidated Financial Statements of Reckitt Benckiser Group plc and these Financial Statements may be obtained from 103-105 Bath Road, Slough, Berkshire, SL1 3UH, United Kingdom or at <https://www.rb.com>.

Reckitt Benckiser Expatriate Services Limited

Notes to the Financial Statements For the Year Ended 31 December 2019

1. Accounting Policies (continued)

1.5 Interest

Interest payable is charged to comprehensive income or expense as incurred and interest receivable is credited as it falls due.

1.6 Taxation

Tax is based on the result for the year and takes into account taxation deferred due to timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax liabilities are provided for in full and deferred tax assets are recognised to the extent that they are considered recoverable.

1.7 Financial Instruments

The Company only enters into basic financial instrument transactions that result in the recognition of basic financial assets and liabilities, including trade and other receivables and payables and loans to and from related parties. These transactions are initially recorded at transaction price, unless the arrangement constitutes a financing transaction where the transaction is measured at the present value of the future receipt discounted at a market rate of interest, and subsequently recognised at amortised cost.

(a) Financial Assets

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in comprehensive income or expense.

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

(b) Financial Liabilities

Basic financial liabilities, including loans from fellow group companies, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of future payments discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

Reckitt Benckiser Expatriate Services Limited

Notes to the Financial Statements For the Year Ended 31 December 2019

2. Accounting Estimates and Judgements

In the application of the Company's accounting policies the Directors are required to make a number of estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Company's Directors are of the opinion that there are no judgements and no key sources of estimation uncertainty that have a significant risk of causing material adjustment to the carrying value of assets and liabilities for the Company within the next financial year.
