1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The accounts are prepared on a going concern basis which assumes that the directors together with it's parent company, will continue to support the Company. If this support was not to continue then the basis may not be appropriate, as at 31 March 2013 the company's current liabilities exceeded the current assets by £9,468 (2012 £8,198)

Should the company then not be able to continue trading, adjustments to the value of assets would be needed to provide for any further liabilities which might arise and to reclassify fixed assets and long term liabilities as current assets and liabilities

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Deferred tax

We are not recognising the deferred tax asset arising on the basis that we do not expect the company to make any profits against which to utilise their losses in the near future

2 CALLED UP SHARE CAPITAL

Allotted and issued Number	Class	Nominal value	2013 £	2012 £
1,000	Ordinary	£1	<u>1,000</u>	<u>1,000</u>

3 ULTIMATE PARENT COMPANY

The immediate and ultimate parent company is Ponte Vecchio Consult Sagl, a company registered in Switzerland
