Anti-Waste (Restoration) Limited

Directors' report

The Directors present their annual report and the audited financial statements of Anti-Waste (Restoration) Limited ("the Company") for the year ended 31 December 2022.

Overview of Group

The Company is an indirect subsidiary of FCC Environment (UK) Limited and its ultimate parent company is Fomento de Construcciones y Contratas, S.A. ("FCC"). FCC is a significant multi-national business listed on the Madrid stock exchange with operations in Europe, America, Africa, and the Middle East. FCC is among the top global players that deliver Environmental Services (including water and waste management), and has implemented a balanced business model, combining other activities such as Construction, Cement and Real Estate.

FCC's financial capacity and depth of experience in the European waste infrastructure sector is backed by over 100 years of experience in operating municipal services contracts. This complements both the position of the Company and its 45 subsidiaries (together the "Group" or "FCC E UK") as a leading waste management, recycling and renewable energy business, and the Group's ambition to maintain its position as a significant player in establishing the next generation of waste treatment infrastructure in the UK. The core services provided by the Group are fully aligned with FCC's strategic growth plans. The Group is ideally placed to take advantage of local opportunities to provide the services and infrastructure required by the UK, to meet existing legislative framework and emerging proposals to promote circular economy infrastructure, by recognising the true value of the materials we handle. The Board continues to look forward to the opportunities that are presented to the Group and its employees by virtue of FCC's plans to expand and embed its operations in the UK.

The Board's overarching strategy headline for our business is "From Waste to Resource", which comprises four key components:

- Own the Waste
- Maximise the value of resources
- Produce renewable energy
- Provide 360 degree solutions

The Board sees the development of major waste infrastructure to support sustainable waste management and strategic long-term partnerships as key to the Group's future business growth. It anticipates continuous activity and deployment of Group resources into recycling facilities, renewable energy projects, the development of innovative waste treatment solutions and the provision of regional waste management services and facilities. Energy from Waste ("EfW") is a key component of the UK's waste and resource strategy and, in combination with other treatment, recycling and recovery operations, backed up by landfill disposal for residues, is a strategy that represents a long term sustainable solution for meeting the Group's clients' diversion targets and for reducing our carbon footprint.

Commentary on the Company's results is set out in the Results, dividends, and key performance indicators section.

Principal activity

The principal activity of the Company during the year ended 31 December 2022 was the provision of landfill site monitoring and decommissioning services.

Directors

The Directors who served during the year ended 31 December 2022 and up to the date of this report were as follows:

P Taylor (resigned 1 August 2023)

S J Longdon (appointed 2 August 2023)

V F Orts-Llopis

Directors' indemnities

During the financial year, qualifying third party indemnity provisions for the benefit of all Directors of the Company were in force and continue to be in force at the date of this report. Such provisions were made by FCC.

The Directors consider that the Company's business performance during the year was satisfactory.

Anti-Waste (Restoration) Limited

Directors' report

Business review

Commentary on the Company's results is set out in the Results, dividends, and key performance indicators section below.

Early in the year, Russia entered a military conflict with Ukraine and this action remains ongoing at the date of approval of the financial statements. The conflict has resulted in elevated levels of political instability and uncertainty across Europe and contributed to significantly higher fuel prices (gas, electricity, and oil derived products) as well as impacting supply chains.

The directors have considered the likely impacts on the business from the resultant inflation and supply chain disruption and continue to engage with suppliers to monitor and manage any potential issues. The Group and the Company has limited exposure to overseas markets as its customer base arises entirely in the United Kingdom. The Group is well positioned to withstand the worst impacts.

Results, dividends, and key performance indicators

The results of the Company for the year ended 31 December 2022 are set out on page 8. The result for the financial year ended 31 December 2022 amounted to £nil (2021: £nil) as expected from recharging decommissioning costs. The Company did not pay an interim dividend during the year (2021: £nil) and furthermore, the Directors do not recommend the payment of a final dividend (2021: £nil).

FCC E UK manages its operations on a divisional basis and information regarding key performance indicators is included within the FCC E UK annual report. For this reason, the Company's Directors believe that the disclosure of further financial and non-financial key performance indicators for the Company is not appropriate for an understanding of the development, performance, or position of the business. Copies of the FCC E UK annual report can be obtained from the address in note 14.

Going concern

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis in preparing the annual financial statements.

Further details regarding the adoption of the going concern basis can be found in Note 2 to the financial statements.

Financial risk management

The Company is exposed to financial risk through its financial assets and liabilities. The most important components of financial risk are interest rate risk, credit risk and liquidity risk. Due to the nature of the Company's activities and the assets contained within the Company's balance sheet, the only financial risks the Directors consider relevant to the Company are liquidity and credit risk.

Liquidity and credit risk

The Company's exposure to liquidity and credit risk is reduced as it is a wholly owned subsidiary of FCC E UK and participates in a cash-pooling agreement with FCC E UK and FCC E UK's subsidiary undertakings (together the "Group"). Credit risk arises from the risk of having credit exposures to customers, including outstanding receivables. The Company reviews the credit ratings of all significant customers regularly and continues to monitor the quality of debtor balances on an ongoing basis. Liquidity risk is the risk that the Company does not have sufficient cash resources to meet its commitments. The Company prepares and reviews cash flow forecasts frequently to ensure that it has sufficient resources to meet its cash flow commitments.

Economic

The Group has exposure to reduced economic activity, and in the current year has seen waste volumes reduce where lower economic output has been a factor. We recognise shorter term uncertainty as a result of the Covid pandemic, Brexit and the Ukraine conflict, which have created inflationary pressures. This could result in higher borrowing costs generally. We have reviewed the potential impacts and consider that we have sufficient mitigations in place. The Group's strategy is focused on growing through further investment in EfW infrastructure projects.

Covid-19

The Group remains aware of the potential for disruption from new variants and is confident that it has appropriate procedures and action plans in place.

Anti-Waste (Restoration) Limited

Directors' report

Directors' responsibilities statement

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 'Reduced Disclosure Framework' ("FRS 101").

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies in accordance with IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors* and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in FRS 101 is insufficient to enable users to understand the impact of particular transactions, other events and conditions on the company financial position and financial performance;
- state whether applicable UK Accounting Standards, including FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to the auditor

The Directors who held office at the date of approval of this Directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each Director has taken all the steps that he ought to have taken as a Director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006 ("the Act").

Small companies exemption

This Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption. As a result of this exemption, the Company has elected not to prepare a separate Strategic Report.

Approved by the Board of Directors and signed on its behalf by:

V F Orts-Llopis
Director

13 October 2023

Anti-Waste (Restoration) Limited

Independent auditor's report to the members of Anti-Waste (Restoration) Limited

Opinion

We have audited the financial statements of Anti-Waste (Restoration) Limited (the 'company') for the year ended 31 December 2022 which comprise the Balance Sheet, the Statement of comprehensive income, the Statement of changes in equity and the related notes 1 to 14, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2022 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the provisions available for small entities, in the circumstances set out in the directors' report, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period ended 31 December 2024 from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Anti-Waste (Restoration) Limited

Independent auditor's report to the members of Anti-Waste (Restoration) Limited

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Anti-Waste (Restoration) Limited

Independent auditor's report to the members of Anti-Waste (Restoration) Limited

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are those that relate to the reporting framework including, United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice) and the Companies Act 2006 and the relevant tax compliance regulations in the UK. The Company also has to comply with general data protection regulations ('GDPR'), Health & Safety at Work Act, EU Directive on the Landfill of Waste, Environmental Permitting (England and Wales) Regulations, Employment Rights Act, Landfill Tax Regulations and Environmental Regulations.
- We understood how Anti-Waste (Restoration) Limited is complying with those frameworks by making enquiries of management to understand how the Company maintains and communicates its policies and procedures in these areas. We corroborated this by reviewing supporting documentation to validate that the Company has a process for monitoring legal requirements and has a process for reporting matters of non-compliance and taking appropriate action.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by gaining an understanding of the Company's policies and making enquiries of management and those charged with governance. We also used data analytics and obtained the entire population of journals for the year, identifying the specific transactions for further investigation based on certain risk criteria. We understood the items identified for testing and agreed them to source documentation.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved enquiry of management and those charged with governance as to any fraud identified or suspected in the period or any actual or potential litigation or claims or breaches of significant laws or regulations applicable to the Company. We assessed the risk of management override of controls through enquiry of management as well as testing of a sample of journal entries based on certain risk criteria, challenging the judgements made by management through corroborating the basis for those judgments to supporting documentation and considering contradicting evidence.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Anti-Waste (Restoration) Limited

Notes to the financial statements For the year ended 31 December 2022

1. Corporate information

Anti-Waste (Restoration) Limited is a private company limited by shares incorporated in the United Kingdom under the Companies Act, registered in England and Wales. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activities are set out in the Directors' report.

2. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding year.

General information and basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' ("FRS 101") issued by the Financial Reporting Council.

The functional and presentational currency of Anti-Waste (Restoration) Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

Exemptions for qualifying entities under FRS 101

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- (a) The requirements of paragraphs 45(b) and 46 to 52 of IFRS 2 *Share-based Payment*;
- (b) The requirements of paragraphs 62, B64(d), B64(e), B64(g), B64(h), B64(j) to B64(m), B64(n)(ii), B64(o)(ii), B64(p), B64(q)(ii), B66 and B67 of IFRS 3 *Business Combinations*;
- (c) The requirements of IFRS 7 *Financial Instruments: Disclosures*;
- (d) The requirements of paragraphs 91 to 99 of IFRS 13 *Fair Value Measurement*;
- (e) The requirement in paragraph 38 of IAS 1 *Presentation of Financial Statements* to present comparative information in respect of:
 - i. paragraph 79(a)(iv) of IAS 1;
 - ii. paragraph 73(e) of IAS 16 *Property, Plant and Equipment*; and
 - iii. paragraph 118(e) of IAS 38 *Intangible Assets*;
- (f) The requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 *Presentation of Financial Statements*;
- (g) The requirements of IAS 7 *Statement of Cash Flows*;
- (h) The requirements of paragraphs 30 and 31 of IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors*;
- (i) The requirements of paragraph 17 of IAS 24 *Related Party Disclosures*;
- (j) The requirements in IAS 24 *Related Party Disclosures* to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member;
- (k) The requirements of paragraphs 134(d) to 134(f) and 135(c) to 135(e) of IAS 36 *Impairment of Assets*.

Where relevant, equivalent disclosures have been given in the consolidated FCC E group accounts, copies of which are available from its registered office at 3 Sidings Court, White Rose Way, Doncaster, DN4 5NU.

Anti-Waste (Restoration) Limited

Notes to the financial statements For the year ended 31 December 2022

2. Accounting policies (continued)

New and amended IFRS standards that are effective for the current year

New Standards and amendments to Standards and Interpretations that became mandatory for the first time for the financial year beginning 1 January 2022 are listed below. The amendments had no material impact on the Company's results:

- Amendments to IFRS 1 *First-time Adoption of International Financial Reporting Standards* resulting from Annual Improvements to IFRS Standards 2018–2020 (subsidiary as a first-time adopter) (mandatory for the year commencing on or after 1 January 2022).
- Amendments to IFRS 3 *Business Combinations* updating a reference to the Conceptual Framework (mandatory for the year commencing on or after 1 January 2022).
- Amendments to IFRS 9 *Financial Instruments* resulting from Annual Improvements to IFRS Standards 2018–2020 (fees in the '10 per cent' test for derecognition of financial liabilities) (mandatory for the year commencing on or after 1 January 2022).
- Amendment to IFRS 16 *Leases* to extend the exemption from assessing whether a COVID-19-related rent concession is a lease modification (mandatory for the year commencing on or after 1 April 2021).
- Amendments to IAS 16 *Property, Plant and Equipment* prohibiting a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use (mandatory for the year commencing on or after 1 January 2022).
- Amendments to IAS 37 *Provisions, Contingent Liabilities and Contingent Assets* regarding the costs to include when assessing whether a contract is onerous (mandatory for the year commencing on or after 1 January 2022).

Going concern

At 31 December 2022 the Company had net assets of £24,000 and net current assets of £nil.

The Company does not have a bank account. It is a subsidiary within the FCC Environment (UK) Limited ("FCC E UK") group of companies whose banking, invoicing and collections and payables and procurement services are grouped and managed via an agency agreement with a fellow subsidiary of FCC E UK, FCC Recycling (UK) Limited ("FCC R"). All cash movements relating to the Company's transactions are processed through the banking facilities of FCC R and form a part of the inter-company balances between the Company and FCC R.

The Directors have assessed the responses from their enquiries to the immediate parent company, FCC E UK, in connection with the agency agreement and have reviewed projected cash flows, and carefully considered the risks to the Company's trading performance and cash flows. They have considered the forthcoming period ended 31 December 2024 from the date of signing of the financial statements, and have identified no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the Company to continue as a going concern.

The Directors therefore continue to adopt the going concern basis in preparing the Annual report and financial statements.

Revenue

Revenue was generated in the United Kingdom from the recharging of decommissioning costs.

Anti-Waste (Restoration) Limited

Notes to the financial statements For the year ended 31 December 2022

2. Accounting policies (continued)

Taxation

Revenue, expenses, and assets are recognised net of the amount of sales tax except:

- where the sales tax incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- debtors and creditors are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of debtors or creditors in the balance sheet. Tax on the profit or loss for the year comprises current and deferred tax.

Decommissioning costs

Income from charges made to other Group companies in respect of the anticipated cost of final site decommissioning and monitoring costs is credited to the profit and loss account in the periods in which the associated costs arise. Expenditure on the final site decommissioning and monitoring made on behalf of other Group companies is debited to the profit and loss account in the periods in which the associated costs arise.

3. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 2, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no areas of significant judgement or specific estimates or assumptions relevant to the Company.

4. Revenue

All revenue was generated in the United Kingdom principally from the provision of landfill site monitoring and decommissioning services.

5. Result on ordinary activities before taxation

Auditor's remuneration in respect of audit fees totalling £5,000 (2021: £5,000) has been met by FCC Recycling (UK) Limited, a fellow subsidiary undertaking of FCC E UK.

6. Directors' remuneration and transactions

None of the Directors received any remuneration or other benefits through the Company during the year ended 31 December 2022 or the previous financial year.

They are remunerated as directors or employees of FCC E UK for services to the Group as a whole and as such it is not possible to directly attribute any element of their remuneration to services as a director of this Company.

The Company had no employees during the financial year ended 31 December 2022 or the previous financial year.

7. Tax on result

There is no corporation tax charge (current or deferred) for either the financial year ended 31 December 2022 or the previous financial year. No provision for deferred tax was considered necessary and there is no unprovided deferred tax.

Anti-Waste (Restoration) Limited

Notes to the financial statements For the year ended 31 December 2022

8. Other receivables

	2022 £'000	2021 £'000
<i>Current:</i>		
Amounts owed by fellow subsidiary undertakings	139	266
<i>Non-current:</i>		
Amounts owed by fellow subsidiary undertakings	9,773	10,164
	<u>9,912</u>	<u>10,430</u>

All amounts due from fellow subsidiary undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand. The amount in non-current is not expected to be received within one year.

9. Other payables (current)

	2022 £'000	2021 £'000
Deferred income	139	266

Amounts due to fellow subsidiary undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand.

10. Other payables (non-current)

	2022 £'000	2021 £'000
Deferred income	9,749	10,140

Deferred income is in respect of sums charged to fellow subsidiary undertakings of FCC E UK in respect of landfill site decommissioning costs, to be released to the statement of comprehensive income and matched against the relevant costs when they arise.

Anti-Waste (Restoration) Limited

Notes to the financial statements For the year ended 31 December 2022

13. Related party transactions

The Directors regard all subsidiaries of FCC as related parties. In the ordinary course of business, the Company has traded with fellow subsidiaries of FCC.

Under FRS 101, the Company is exempt from disclosing related party transactions with other wholly owned subsidiaries of FCC.

14. Controlling party

The immediate parent of the Company is Anti-Waste Limited, a company registered in England and Wales.

The Directors regard Fomento de Construcciones y Contratas, S.A., a company registered in Spain, as the ultimate parent company. The ultimate controlling party is Control Empresarial de Capitales, S.A. de C.V., a company registered in Mexico.

Fomento de Construcciones y Contratas, S.A. is the parent company of the largest group of which the Company is a member and for which group financial statements are drawn up. FCC Environment (UK) Limited is the parent company of the smallest group of which the Company is a member and for which group financial statements are drawn up. Copies of the financial statements of both FCC Environment (UK) Limited and Fomento de Construcciones y Contratas, S.A. are available from the Company Secretary, 3 Sidings Court, White Rose Way, Doncaster, DN4 5NU.
