THE OFFICIAL SEAL OF THE
REGISTRAR OF COMPANIES

THIS SECURITY ACCESSION DEED is made on 2 November 2018

BETWEEN:

- (1) The **COMPANIES** contained in Schedule 1 (the "**Acceding Companies**") incorporated in England and Wales together (the "**New Chargors**" and each a "**New Chargor**"); and
- (2) **MIDCAP FINANCIAL (IRELAND) LIMITED** as security trustee for itself and the other Secured Parties (the "**Security Agent**").

RECITAL:

This deed is supplemental to a debenture dated 28 July 2018 between, inter alia, the Chargors named therein and the Security Agent, as previously supplemented and amended by earlier Security Accession Deeds (if any) (the "**Debenture**").

NOW THIS DEED WITNESSES as follows:

1. INTERPRETATION

1.1 Definitions

Terms defined in the Debenture have the same meaning when used in this deed.

1.2 Construction

Clause 1.2 (Construction) of the Debenture will be deemed to be set out in full in this deed, but as if references in that clause to the Debenture were references to this deed.

2. ACCESSION OF NEW CHARGOR

2.1 Accession

The New Chargors agree to be a Chargor for the purposes of the Debenture with immediate effect and agree to be bound by all of the terms of the Debenture as if it had originally been a party to it as a Chargor.

2.2 Covenant to Pay

The New Chargors as primary obligor covenant with the Security Agent (for the benefit of itself and the other Secured Parties) that they will pay on demand the Secured Obligations when they fall due for payment.

2.3 Fixed Charges

Each of the New Chargors, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights:

- (a) by way of first legal mortgage, all Material Property (including as specified in schedule 2 (Property)); and
- (b) by way of first fixed charge:
 - (i) all other interests (not effectively charged under clause 3.1(a) of the Debenture in the Material Property;
 - (ii) all Subsidiary Shares (including as specified in schedule 3 (Subsidiary

Shares));

- (iii) all Investments (other than the Subsidiary Shares);
- (iv) all Equipment;
- (v) all Book Debts;
- (vi) all Blocked Accounts (including as specified in Schedule 4 (Blocked Accounts));
- (vii) all Intellectual Property (including as specified in schedule 5 (Intellectual Property));
- (viii) its goodwill and uncalled capital; and
- (ix) to the extent not effectively assigned by clause 3.2 (Security Assignment) of the Debenture:
 - (A) the Assigned Agreements;
 - (B) the Insurances; and
 - (C) the Hedging Agreements.

2.4 Security Assignment

As further security for the payment and discharge of the Secured Obligations, each New Chargor assigns absolutely with full title guarantee in favour of the Security Agent all its right, title and interest in the following assets, both present and future, and in each case, all Related Rights:

- (a) the Assigned Agreements (including as specified in schedule 6 (Assigned Agreements));
- (b) the Insurances (including as specified in schedule 7 (Insurance Policies)); and
- (c) the Hedging Agreements,

provided that on payment or discharge in full of the Secured Obligations the Security Agent will at the request and cost of the relevant New Chargor re-assign the relevant rights, title and interest in the assigned assets to the New Chargor (or as it shall direct).

2.5 Fixed Security

Clause 3.1 (Fixed Charges) and clause 3.2 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

2.6 Floating Charge

As further security for the payment and discharge of the Secured Obligations, the New Chargor charges with full title guarantee in favour of the Security Agent by way of first floating charge all its assets, both present and future, not effectively charged by way of first fixed charge under clause 3.1 (Fixed Charges) or assigned under clause 3.2 (Security Assignment) and, in each case, all Related Rights.

3. **INVESTMENTS RESTRICTING CHARGING**

- (a) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) any Investments (excluding the Subsidiary Shares other than the shares owned by Dennis Publishing Limited in Buyacar until such time as Buyacar becomes a wholly-owned Subsidiary of a member or members of the Group) held by a Chargor which either preclude absolutely or conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its interest in that Investment (excluding the Subsidiary Shares) (each an **"Excluded Investment"**) or otherwise restrict the transfer of such Excluding Investments on enforcement of the Security created pursuant to this deed until the relevant restriction has been removed.
- (b) For each Excluded Investment, each relevant Chargor undertakes to apply for the relevant consent or waiver of prohibition or condition within 14 days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant Excluded Investment) and, in respect of each Excluded Investment which provides that the relevant third party will not unreasonably withhold its consent to charging, to use all reasonable endeavours to obtain that consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Investment shall stand charged to the Security Agent under clause 3.1 (Fixed Charges).

4. **INCORPORATION INTO DEBENTURE**

The Debenture and this deed shall be read together as one instrument on the basis that references in the Debenture to "this deed" will be deemed to include this deed.

5. **NOTICES**

Each New Chargor confirms that its address details for notices in relation to clause 36.2(Addresses) of the Facilities Agreement are set out below.

6. **LAW**

This deed and any dispute, controversy, proceedings or claims of whatever nature arising out of or in any way relating to this deed (including any non-contractual disputes or claims) shall be governed by, and construed in accordance with, English law.

IN WITNESS whereof this deed has been duly executed and delivered on the date first above written.
