Directors' report

The directors present their report together with the audited financial statements for the year ended 31 March 2018.

This report has been prepared taking advantage of the exemptions for small companies within Part 15 of the Companies Act 2006.

Business review

Principal activities risks and uncertainties

The company's principal activity during the year was property investment.

The company is the principal employer in relation to certain past employees' pension entitlements.

The principal uncertainties associated with this business are rental and occupancy levels, investment returns relating to pension plan assets and the sensitivity of the pension scheme liability to changes in the underlying assumptions.

Results and dividends

The profit for the year is £ 743,000 (2017: £1,825,000) and has been transferred to reserves. The directors do not recommend the payment of a dividend (2017: £nil).

Directors and directors' interests

The directors who held office during the year were as follows:

J C Kay
M L Widders

Going concern

The directors continue to adopt the going concern basis in preparing these financial statements, as set out in note 1.

Auditors

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office.

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditor is unaware; and each director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with applicable law and Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (UK Generally Accepted Accounting Practice applicable to Smaller Entities).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of Brad Estates Limited

Opinion

We have audited the financial statements of Brad Estates Limited ("the company") for the year ended 31 March 2018, which comprise the profit and loss account and other comprehensive income, Balance Sheet and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards applicable to smaller entities, including Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going Concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

Directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Independent auditor's report to the members of Brad Estates Limited (continued)

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and, take advantage of the small companies exemption in preparing the directors' report and take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 2, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

1 Accounting policies

Basis of preparation

Brad Estates Limited (the "Company") is a private company incorporated, domiciled and registered in England and Wales in the UK. The registered number is 3001669 and the registered address is Lynton House, Ackhurst Park, Chorley, PR7 1NY.

These financial statements were prepared in accordance with Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (UK Generally Accepted Accounting Practice applicable to Smaller Entities) as issued in August 2014. The amendments to FRS 102 issued in July 2015 have been applied. The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The Company's immediate parent undertaking, Northern Trust Group Limited, includes the Company in its consolidated financial statements. The consolidated financial statements of Northern Trust Group Limited are prepared in accordance with FRS 102 and are available to the public and may be obtained from The Registrar of Companies, Companies House, Crown Way, Cardiff, CF14 3UZ.

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements throughout the current and preceding year, except as noted below.

Going concern

The company participates in the centralised treasury and banking arrangements of Northern Trust Group Limited and its subsidiaries.

The group's activities are funded through a combination of bank facilities and cash generated from operations. The group refinanced in June 2017 and secured new loan facilities of £230m for a five year term. Throughout the subsequent period to date, the group has complied with the terms of its facilities.

The directors have prepared detailed forecasts which show that the group will continue to operate within the terms of its facilities for the foreseeable future. As a result the directors consider it appropriate for the company to adopt the going concern basis.

Turnover

Turnover consists of rental income relating to the Company's investment property. All turnover is wholly attributable to the principal activity of the company and arises solely in the United Kingdom.

Investment property

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Investment properties are recognised initially at cost.

Subsequent to initial recognition

- i. investment properties whose fair value can be measured reliably without undue cost or effort are held at fair value. Any gains or losses arising from changes in the fair value are recognised in profit or loss in the period that they arise; and
- ii. no depreciation is provided in respect of investment properties applying the fair value model.

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Notes to the financial statements

1 Accounting policies (*continued*)

Taxation (*continued*)

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Pensions

Defined benefit plans

The company operates a defined benefit pension scheme and the pension charge is based on a 'best estimate' basis, reflecting market expectations of financial yields and related factors at the balance sheet date. The fair value of any plan assets is deducted. The company determines the (net interest expense)/income on the net defined benefit (liability)/asset for the period by applying the discount rate as determined at the beginning of the annual period to the net defined benefit (liability)/asset taking account of changes arising as a result of contributions and benefit payments.

The discount rate is the yield at the balance sheet date on AA rated corporate bonds that have maturity dates approximating to the terms of the Company's obligations. A valuation is performed annually by a qualified actuary. The company recognises net defined benefit plan assets to the extent that it is able to recover the surplus either through reduced contributions in the future or through refunds from the plan.

Changes in the net defined benefit liability arising from the net interest on net defined benefit liability during the period are recognised in profit or loss.

Re-measurement of the net defined benefit liability/asset is recognised in other comprehensive income in the period in which it occurs.

From 1 April 2015 the main rate of corporation tax was reduced to 20%. Further reductions to 19% (effective from 1 April 2017) and to 18% (effective 1 April 2020) were substantively enacted on 26 October 2015, and an additional reduction to 17% (effective 1 April 2020) was substantively enacted on 6 September 2016. This will reduce the company's future current tax charge accordingly. Any deferred tax at 31 March 2017 has been calculated based on the rate of 17% being the rate substantively enacted at the balance sheet date.

9 Pension scheme commitments

Defined benefit pension scheme

The company operates a defined benefit pension scheme in respect of previous employees. The assets of the scheme are administered by trustees in a fund separate from those of the company. The contributions are determined by a qualified actuary on the basis of triennial valuations using the projected unit method.

At the date of the latest actuarial valuation at 31 December 2016, the market value of the assets of the scheme were £24,766,000 and the actuarial value of the assets represented 73% of the benefits accrued to members, after allowing for expected future increases in earnings. There was a deficit of £9,014,000.

In the year the company made deficit shortfall contributions of £1,300,000 (2017: £1,300,000).

The results of the formal actuarial valuation as at 31 December 2016 have been updated to 31 March 2018 by an independent qualified actuary in accordance with FRS 102.

The overall deficit in the scheme may be analysed as follows:

Net pension liability

	2018 £000	2017 £000
Defined benefit obligation	(35,887)	(35,890)

Scheme assets

The fair values of the scheme's assets, which are not intended to be realised in the short term and may be subject to significant change before they are realised, were:

	Value at 2018 £000	Value at 2017 £000
Equities	14,578	15,129
Bonds	2,247	1,795
Property	4,735	4,616

Total market value of assets	26,667	25,643
	<hr/>	<hr/>
Actual return on plan assets	956	3,415
	<hr/>	<hr/>

Principal actuarial assumptions used by the actuary in this valuation at the year end were as follows:

	2018 %	2017 %
Discount rate	2.60	2.65
Inflation assumption (RPI)	3.40	3.40
Rate of increase in pensions in payment and deferred pensions	3.25	3.25
	<hr/>	<hr/>

The assumptions used by the actuary are the best estimates chosen from a range of possible actuarial assumptions which, due to the timescale covered, may not necessarily be borne out in practice.

In valuing the liabilities of the pension fund at 31 March 2018, mortality assumptions have been made as indicated below.

The assumptions relating to longevity underlying the pension liabilities at the balance sheet date are based on standard actuarial mortality tables and projections. The assumed future life expectancies are as follows:

Current male pensioner aged 60:	26.7 years
Future male pensioner aged 40:	28.5 years
